TO HAVE AND TO HOLD to the said party of the second part, its successors and assigns, forever. But this Deed is intended to operate as a Mortgage and is subject to the following condition -- that is to say, if the party of the first part shall pay and satisfy the debt above described and any other indebtedness to the owner or holder hereof as described on page I of this mortgage at the time or before the same falls due, then this conveyance shall be null and of no effect; but on default of the payment of any installment of the indebtedness or the interest thereon secured hereby, all of the indebtedness shall become due and payable, then the said party of the second part, its successors, or assigns, may take the above-described property into possession, and having or not having the same in possession, may sell the same to the highest bidder, at public auction at Cotumbiana, Alabama, for cash, having advertised such sale in some newspaper published in said County by three weekly insertions, or by posting at three public places in said County for not less than twenty days at the option of the mortgagee, and execute titles to the purchaser at said sale, and shall apply the proceeds to the payment of the expenses incident to said sale, including all costs of collection, taking possession of and caring for said property, and all attorney's fees, and the payment in full of the said demand hereby secured, including any other indebtedness as described on page 1 hereof, and pay over the remainder, if any, to the said party of the first part. It is further agreed that if the said party of the first part shall fail to assess said property and pay taxes on same, or to insure said buildings, then the said party of the second part may pay the same and take out said insurance, and this conveyance shall stand at security for the same.

We further certify that the above property has no prior lien or encumbrance thereon. Witness .... hand \_\_\_\_ and Seal \_\_\_\_, the day and year above written.
