(k) No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

(l) No non-operable vehicles of any kind shall be parked on or off any lots nor shall they be permitted to remain in the drives or streets within this subdivision.

(m) No school buses or other public conveyances shall be permitted to remain parked overnight in streets, drives, or on any lot.

(n) These covenants and restrictions shall run with the land and shall be binding upon the undersigned, his heirs, successors and assigns for a period of thirty (30) years from the date hereof. The invalidation of any one of the foregoing covenants and restrictions shall in no way affect any other provision or restrictions contained therein.

(o) Enforcement of these covenants and restrictions shall be by proceeding in law or equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

(p) No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topograph and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved.

(q) The Architectural Control Committee is composed of B.J. Jackson, Harold R. Walker and Lawrence Weygand. A majority of the committee may designate a representative to act for it.
