Comes now the party consisting of Lewis Vernon and Monica Vernon to state that they have certain claims and interests in that real property deeded to Larry Holsomback and located in Shelby County, Alabama, more specifically, within Dogwood Community, consisting of two acres more or less and accomodating a home. Said interest arose due to full payment by the Vernon's to Holsomback for a portion of the land, and Holsomback's agreement to convey the remaining parcel and home after payment for the first portion was complete.
