PARCEL 24

Commence at the NW corner of the SE $\frac{1}{4}$ of SW $\frac{1}{4}$, Section 7, T22S, R2E; Thence run Easterly along the North boundary line of said $\frac{1}{4}$ Section a distance of 330.79 feet to a point; Thence turn an angle of 90° to the left and run Northerly a distance of 426.69 feet to a point on the SE 30 foot right-of-way line of Shelby County Highway 42 which is the point of beginning of the parcel of land herein described; Thence turn an angle of 66° 28' 33" to the right and run along said right-of-way line a distance of 348.51 feet to a point; Thence continue along said right-of-way line, along a curve to the left (Concave Northwesterly) having a radius of 2666.06 feet and a central angle of 4° 44' 16", an arc distance of 220.46 feet to a point; Thence continue along said right-of-way line along a curve to the right (Concave Southeasterly) having a radius of 924.06 feet and a central angle of 14° 20' 16", an arc distance of 231.24 feet to a point; Thence turn an angle to the right, from the tangent of the last named curve, of 81° 51' 05" and leaving said right-of-way line run a distance of 924.74 feet to a point; Thence turn an angle of 44° 15' 57" to the right and run a distance of 138.15 feet to a point near the waters edge of Lay Lake; Thence turn the following angles and run the following distances along and near the said waters edge viz: 6° 02' 02" right for 186.69 feet; 5° 33' 34" right for 206.60 feet; 47° 03' 10" left for 39.60 feet; 26° 07' 11" left for 93.69 feet; 30° 33' 06" left for 57.31 feet; 27° 06' 29" left for 105.25 feet; 52° 05' 12" left for 250.77 feet; 6° 46' 09" right for 76.73 feet; 56° 39' 55" right for 47.36 feet; 49° 36' 53" right for 50.01 feet; 67° 59' 35" left for 101.95 feet; 37° 50' 48" right for 24.71 feet; 54° 47' 01" right for 140.0 feet; 29° 03' 01" right for 109.07 feet; 1° 33' 41" left for 117.11 feet; 10° 18' 07" left for 106.51 feet; 9° 25' 55" right for 75.89 feet; 40° 23' 26" right for 55.01 feet; 25° 29' 28" right for 72.57 feet; 26° 53' 22" left for 55.01 feet; Thence turn an angle of 6° 41' 34" to the left and leaving said waters edge, run a distance of 61.93 feet to an iron pin; Thence turn an angle of 64° 46' 23" to the right and run a distance of 555.98 feet to a point; Thence turn an angle of 41° 54' 40" to the right and run

a distance of 1458.28 feet to the point of beginning. Said parcel of land is lying in the NE $\frac{1}{4}$ of SW $\frac{1}{4}$, SE $\frac{1}{4}$ of SW $\frac{1}{4}$, NW $\frac{1}{4}$ of SE $\frac{1}{4}$, and SW $\frac{1}{4}$ of SE $\frac{1}{4}$, all in Section 7, T22S, R2E and contains 28.2 acres. Excepted from Parcel 24 are any and all portions of land that lie below the datum plane of 397 feet above mean sea level as established by the USC & G. Survey. Said parcel is also subject to a flood right up to the datum plane of 398 feet above mean sea level.

AS TRUSTEES UNDER PROVISIONS OF DEED
DATED FEBRUARY 15, 1971 RECORDED IN
PROBATE OFFICE OF SHELBY COUNTY, ALABAMA,
IN DEED BOOK 266, PAGE 341

1. These restrictions not apply to nor in any way change or modify existing restrictions on any lot or parcels previously subdivided and shown on recorded plats in the Probate Office of Shelby County, Alabama.

2. The premises shall be conveyed and shall be used exclusively for residential purposes. No business or commercial activity shall be allowed. Any property may be divided provided that no house or other structure used for any living quarters whatsoever shall be constructed on any parcel which shall contain less than 30,000 square feet of land area except as to Parcel 29 on the 1982 Survey which must have a minimum of 20,000 square feet in such water front lots. No more than one single family dwelling per 30,000 square feet of land area shall be allowed (20,000 square feet as to said Parcel 29). In addition to said one single family dwelling, the owner of each such parcel shall be allowed to build no more than one guest house and one other out structure in addition to a boat house on water front lots. In no event, however, shall the total number of structures, excluding a boat house on water front lots, exceed a total number of three.

3. Buildings shall be neat in appearance, and no building or structure shall be moved, constructed or erected on the premises, that may be considered detrimental to the neighborhood. Wood exteriors shall be stained or painted with two coats of paint or stain. Yards and property must be kept clean and neat in appearance.

4. No outside toilets shall be allowed and sanitary arrangements must comply with State and local laws and regulations.

5. No residence of less than 700 square feet of heated area shall be erected or constructed.

6. There shall be no building, porch or projection extending nearer than thirty-five (35) feet from the front or road line of any lot or within twenty-five (25) feet from the property line of any abutting property owner. No building other than a pier or boat house not used for human occupancy, shall be constructed with any projection thereof extending nearer than fifty (50) feet to the normal high water mark of Lay Lake.

7. No animal or fowl shall be kept or maintained on said property except as herein provided but nothing herein shall be construed to prevent or prohibit the owner from keeping as a domestic pet a cat, dog or birds provided the number thereof and the existence thereof do not constitute an interference with the ability of other property owners to enjoy their property. The owner of any parcel containing three (3) or more acres may have horses or cattle totaling not more than one such animal per acre. House trailers and mobile homes of any and every type shall be prohibited. No house or structure of any kind or character shall be allowed which now has or has ever had affixed to the same any wheels or an axle or axles used for transporting the same, or which now has or has ever had an original exterior wall or walls constructed out of a metallic substance of any kind. Nothing contained herein shall prevent, however, the installation of aluminum or metal siding of an attractive nature and color over an original exterior wall constructed of wood on a building already located on the property. No building or structure shall be allowed which has ever been sold or advertised as a mobile home, house trailer or a modular home, or which has ever been sold by or through any dealer or other person who engages in the sale of such.

8. No property may be subdivided or reduced in size by voluntary alienation, judicial sale or other proceedings unless done in compliance with these restrictions.

9. No property shall be sold or used for the purpose of extending any public or private road, street or alley, or for the purpose of opening any road, street or alley except for the sole and limited purpose of such road, street or alley which is restricted to provide ingress and egress to and from any portion of property which was described in that certain deed dated October 21, 1959, in favor of Lewis B. Walker, Wales W. Wallace, Jr., George Horn, Margaret Christie, Roy Downs, Conrad M. Fowler and Harold Hall and recorded in Deed Book 205, Page 369, in the Probate Records of Shelby County, Alabama, less and except any portion thereof previously conveyed to Shelby Shores, Inc. and such road, street or alley not be used to provide ingress or egress directly or indirectly to any other property.

10. These restrictions shall be considered as covenants running with the land and shall bind the purchaser and his heirs, executors, administrators and all future assigns of said premises or any part or parts thereof. These said covenants may be changed by a majority of the following after twenty-five (25) years from the date hereof, namely, Diane B. Ellis, George T. Bentley, Dorothy D. Schroeder, William M. Schroeder, David P. Downs, Conrad M. Fowler,

Wales W. Wallace, Jr., and Harold Hall (hereinafter referred to as "original owners"), or their heirs, successors and assigns. These restrictions are imposed for the sole benefit of the owners named in this paragraph and their heirs, successors and assigns coming into existence or occurring after May 15, 1982.

11. The exterior finish and general clean-up of construction must be completed within one year after starting construction of cottage. Any unfinished or temporary type of material is prohibited for use on the exterior of any residence.

12. No pier, boat house, or other structure of any kind whatsoever shall be constructed out in the water or in or below the normal water level of Lay lake or its backwaters, or any part thereof, if the same interferes with the reasonable and convenient use of water and water access by the persons, firms or corporations owning water front property.

13. No owner of any water front property shall provide any public launching site for the purpose of launching boats or other access to the water and no public launching sites will be allowed except for the limited use of such owner and his heirs, successors and assigns, and their personal guests.

14. The following restrictions shall apply only to that property lying West of Kelly Creek, sometimes referred to as Flat Branch, and shall be construed as additional restrictions on that property in addition to all of the above restrictions.

(1) Each owner, his heirs, successors and assigns, shall have a right-of-way for ingress and egress over and along the existing road constructed in 1981 and shall have the right to install or have installed electric lines, telephone lines, gas and water lines over and along the right-of-way thereof. Each owner, their heirs, successors and assigns, shall have responsibility for using said road in a manner which will not damage the same and shall be responsible for repairing any damage which may be caused by such owner or his or her heirs, successors or assigns. All owners, their heirs, successors and assigns who have constructed any improvements on said property or any part thereof shall be responsible jointly for the general up keep and maintenance of said road. A committee shall be formed with each separate property owner or parcel having one membership on said committee. In the event there is more than one owner named on any given deed, said owners shall have the right to designate one representative on the committee. Any committee member who owns more than one parcel in such area shall have an additional vote on said committee for such additional parcel provided, however, that no parcel may be subdivided simply for the purpose of providing more votes on said committee. Such committee will decide by majority vote when and if maintenance work needs to be done on said property and shall fairly allocate or divide the cost thereof among those owners having responsibility for road maintenance as above specified. Once said sum is allocated, the same shall be due and payable by such owner within thirty days and shall thereafter constitute a lien against the land of the owner thus assessed. This committee shall be a separate committee from the committee of the original owners or grantees as hereafter described. It is understood and agreed that a maintenance fund in the amount of Five Thousand and no/100 (\$5,000.00) Dollars shall be established in the names of one or more of the original grantees named in Paragraph 10 above. The proceeds of said fund shall be maintained solely and exclusively in the name or names of one or more of such original owners as long as one or more of such original owners survive and may be used by such original owner or owners in their sole discretion for such general road maintenance as is desired by the remaining original owners. In the event any original owner dies while still owning a property in this area, his surviving spouse or children who become subsequent owners thereof by inheritance shall have the right to take the place of such original owner in relationship to said fund. The existence of this

-3-

fund will not in any way diminish or relieve any owner of any property of the duty to contribute his, her or its share of road maintenance.

(2) In the event any parcels West of Kelly Creek, sometimes called Flat Branch, are ever subdivided or reduced in size, volutarily or involuntarily, by judicial order, or otherwise, each such water front parcel shall have at least 150 feet of water front and contain at least one and one-half acre in size; any such nonwater front parcel must contain at least three acres. In the event all of the land West of the 1981 constructed access road in any original parcel as described in the original division in 1982 shall contain less than three acres, the same may still be used as one separate parcel but may not be further subdivided.

(3) If any original parcel as described on the 1982 Survey shall have constructed thereon, whether later subdivided or not, more than two residences, the owner of the third residence and each residence thereafter, prior to construction, shall contribute the sum of \$1,000.00 per residence to the owners' road fund above referred to, the same to be used by the original owners in their sole discretion as above provided.

(4) In the event a majority of the above named original owners who still own property in this area desire to do so, they may install a gate across the entrance road at the South property line, provided all owners, original and subsequent, are given keys if same is locked.

(5) As long as any one or more of the original owners survives, they will have the right to dedicate the 1981 access road as a public road in the event Shelby County shall indicate a willingness to accept the same.

(6) The original owners reserve the right to change or modify these restrictions by a majority vote of the said original owners within the next 25 years. Thereafter, said restrictions may be modified only by the general membership committee described above.

Dated this 30 day of June, 1982.
