I agree to pay my Note according to its terms and if I do, then this mortgage deed will become null and void.

I will pay all taxes, liens, assessments, obligations, encumbrances and any other charges against the real estate as they become due and maintain insurance on the real estate in your favor in a form and amount satisfactory to you. You may pay any such tax, lien, assessment, obligation, encumbrance or any other charge or purchase such insurance in your own name, if I fail to do so. The amount you pay will be due and payable to you, will bear interest at the highest lawful rate, will be an additional lien on the real estate and may be enforced and collected in the same manner as the other obligations secured by this mortgage deed.

If I default in paying any part of any instalment or if I default in any other way, all my obligations to you will become due, if you desire, without your advising me. You may take possession of the real estate and you may sell it for cash in the manner you consider best to the highest bidder at public sale in front of the Courthouse door in the county in which the real estate is located. First, however, you must give me 21 days' notice by publishing once a week for three consecutive weeks the time, place and terms of sale in any newspaper published in the county where the real estate is located. The proceeds of the sale, less a reasonable outside attorney's fee which you incur not to exceed 15% of the amount I owe you if the Amount Financed of the note in default exceeds \$300, will be credited to my unpaid balance. If any money is left over after you enforce this mortgage deed and deduct your attorney's fees, it will be paid to me, but if any money is still owing, I agree to pay you the balance. You, your agents or assigns may bid at the sale and purchase the real estate if you are the highest bidder.

Each of the undersigned waives all marital rights, homestead exemption any other exemptions relating to the above real estate.

Each of the undersigned agrees that no extension of time or other variation of any obligation secured by this mortgage will affect any other obligations under this mortgage.
