Together with all rights and privileges necessary or convenient for the full enjoyment or use of the rights herein granted, including, but without limiting same to, the free right of ingress and egress over and across the said right-of-way together with the right from time to time in connection with the enjoyment of the privileges herein conveyed to cut and keep clear trees and other obstructions of said right-of-way to the extent necessary to permit the full enjoyment of the rights and privileges herein conveyed.

The rights and privileges herein conveyed are given, granted and accepted upon the following conditions and subject to the following stipulations:

1. GRANTORS do hereby covenant with the GRANTEE that they are lawfully seized in fee simple of the said premises, that they are free from all encumbrances and that they have a good right to sell and convey the same as aforesaid and that they will warrant and defend the same to the GRANTEE forever against the lawful claims of all persons.

2. The GRANTORS reserve the right to use the plot of land over which the said right-of-way is granted for any purpose which will not unreasonably endanger or interfere with installation, operation and maintenance of the said pipeline hereinabove described. The GRANTORS further agree not to construct, cause to be constructed or permit to be constructed on said right-of-way any building or structure of any kind which would prevent ready access to the pipelines and appurtenances of GRANTEE for any of the purposes hereinabove set forth.

3. GRANTEE agrees that any pipeline placed within said right-of-way shall be buried so that the top thereof shall be not less than thirty inches (30") below the surface of the ground, and further agrees that following the construction, repair, relocation or removal of any such pipeline, GRANTEE will cause the surface of the ground to be restored as nearly as practicable to its former condition.

4. Should the GRANTEE at any time for a period of as much as twelve (12) successive months following the initial installation of a pipeline, cease to use the right-of-way herein granted for the purpose or purposes herein named, the rights and privileges herein conveyed shall cease and be at an end.

5. This instrument shall inure to the benefit of and be binding upon the GRANTORS and GRANTEE and their respective successors and assigns in title to the right-of-way hereby conveyed.

IN WITNESS WHEREOF said GRANTORS have caused these presents to be executed in duplicate this the 18th day of April, 1983.
