

AFFIDAVIT

STATE OF ALABAMA

SHELBY COUNTY

Before me, the undersigned authority, in and for said County and State, personally appeared Donald J. Jones, who, after being by me first duly sworn to speak the truth, deposes and says:

I am familiar with the hereinafter described lots and have lived within sight of them for the past 50 years. Said property being described as follows:

Lots 4 and 5 in Block 2, according to W. J. Maxwell survey of Alabaster, as recorded in Map Book 3 Page 71 in the Probate Office of Shelby County, Alabama, lying and being in the N 1/2 of the NE 1/4 of Section 2, Township 21, Range 3 West, Shelby County Alabama.

I know of my own knowledge that Herbert Davis purchased the lots from W. J. Maxwell in 1948 as shown by Deed Book 134 Page 324; that he sold the same to Daniel E. Glass and Mary H. Glass in 1949, as shown by Deed Book 137 Page 324; that Daniel E. Glass died and his widow and heirs sold the property to Norman Lawrence Glass in 1975, as shown by Deed Book 292 Page 224, all of said deeds, I understand failed to show the Block in which the lots were situated. There was an old house on the lots and it burned many years ago, but I recall that Norman Lawrence Glass lived in the house for some time. These lots have been used for a garden and have been kept clear of debris by the above named owners throughout the years.

Affiant says that at the present time Norman Lawrence Glass owns said land and that said land has been owned by the present owner and his predecessors in title and has been occupied by them actually, exclusively, openly, notoriously hostilely and continuously and affiant has never heard of anyone contesting their title or disputing their possession of said property.

I have also been familiar with the above property for the past 45 years or more and know the matters and things set out above by Donald J. Jones are true and correct.
