

OIL, GAS AND MINERAL LEASE

THIS AGREEMENT made this 4th day of January, 1984, between

Joseph D. Calvin Smith and wife, Virginia Ethel Smith

Route 1, Box 248, Vandiver, Alabama 35176
and Amoco Production Company, P.O. Box 50879, New Orleans, La. 70150

Ten Dollars and no cents and other valuable considerations.

I, Lessor, in consideration of _____, of which is hereby acknowledged, and of the covenants and agreements of lessee hereinafter contained, does hereby grant, lease and let unto lessee the land covered hereby for the purpose and with the exclusive right of exploring, drilling, mining and operating for, producing and owning oil, gas, sulphur and all other minerals (whether or not similar to those mentioned), together with the right to make surveys on said land, lay pipe lines, establish and utilize facilities for surface or subsurface disposal of salt water, construct roads and bridges, dig canals, build tanks, power stations, power lines, telephone lines, employ labor and other structures on said land, necessary or useful in lessee's operations in exploring, drilling for, producing, treating, storing and transporting minerals produced from the land covered hereby or any other land adjacent thereto. The land granted hereby, herein called "land", is located in the County of **Shelby**, State of _____.

and is described as follows:

TOWNSHIP 18 SOUTH, RANGE 2 EAST

TOWNSHIP 18 SOUTH, RANGE 2 EAST

Section 5: A tract of land situated in the Southwest Quarter of the Southwest Quarter of Section 5, Township 18 South, Range 2 East, and being more particularly described as follows: Commence at the intersection of the North boundary line of County Highway #43 with the East boundary line of the above described SW $\frac{1}{4}$ for the point of beginning; thence run North along the East line of said $\frac{1}{4}-\frac{1}{4}$ for 210.0 feet; thence run Westerly and parallel with the North boundary line of said Highway for 210.0 feet; thence run South and parallel with the East line of said $\frac{1}{4}-\frac{1}{4}$ for 210.0 feet to the North boundary line of Highway #43; thence run East along the North boundary line of said Highway #43 for 210.0 feet to the point of beginning, containing one acre, more or less.

Lessee agrees not to enter upon or establish a drill site on the above described property without the prior written approval of the surface owner.

It is agreed and understood between the Lessor and the Lessee that wherever the fraction 1/8th appears in Paragraph No. 3, it is hereby altered and amended to read 1/6th.

Should Lessor suffer damage to fences, livestock, or buildings as a result of the operations of the Lessee under this lease, the Lessee agrees to pay Lessor for the actual amount of said loss.

THIS LEASE DOES NOT COVER COAL, IRON ORE, OR ANY OTHER HARD ROCK MINERALS.

This lease also covers and includes, in addition to that above described, all land, if any, contiguous or adjacent to or adjoining the land above described and (a) owned or claimed by lessor by limitation, prescription, possession, reversion or unrecorded instrument or (b) as to which lessor has a preference right of acquisition. Lessor agrees to execute any supplemental instrument requested by lessee for a more complete or accurate description of said land. For the purpose of determining the amount of any bonus or other payment hereunder, said land shall be deemed to contain

Five (5) acres, whether actually containing more or less, and the above recital of acreage in any tract shall be deemed to be the true acreage thereof, to the exclusion of bonus as lump sum consideration for this lease and all rights, and options hereunder.

2. Unless sooner terminated or longer kept in force under other provisions hereof, this lease shall remain in force for a term of ~~one~~^{three} years from the date hereof, hereinafter called "primary term" and as long thereafter as operations, as hereinafter defined, are conducted upon said land with no cessation for more than ninety (90) consecutive days.

3. As royalty, lessee covenants and agrees: (a) To deliver to the credit of lessor, in the pipe line to which lessee may connect its wells, the equal one-eighth part of all oil produced and saved by lessee from said land, or from time to time, at the option of lessor, to pay lessor, the average posted market price of such one-eighth part of such oil at the wells as of the day it is run to the pipe line or storage tanks, lessor's interest, in either case, to bear one-eighth of the cost of treating oil to render it marketable pipe line oil; (b) To pay lessor on gas and casinghead gas produced from said land (1) when sold by lessee, one-eighth of the amount realized by lessee, computed at the month of the well, or (2) when used by lessee off said land or in the manufacture of gasoline or other products, the market value at the month of the well of one-eighth of such gas and casinghead gas; (c) To pay lessor on all other minerals mined and marketed or utilized by lessee from said land, one-tenth either in kind or value at the well or ninety-eight-hundredths of such mineral; (d) To pay lessor on sulphur mined and marketed the royalty shall be one dollar (\$1.00) per long ton. If, at the expiration of the primary term or at any time or times thereafter, there is any well on said land or on lands with which said land or any portion thereof has been pooled, capable of producing gas or any other mineral covered hereby, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no shut-in had occurred. Lessee covenants and agrees to use reasonable diligence to produce, utilize, or market the minerals capable of being produced from said wells, but in the exercise of such diligence, lessee shall not be obligated to install or furnish facilities other than well facilities and ordinary lease facilities of flow lines, separator, and lease tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to lessee. If, at any time or times after the expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety-day period, lessor shall pay or tender, by check or draft of lessee, as royalty, a sum equal to one dollar (\$1.00) for each acre of land then covered hereby. Lessee shall make like payments or tenders at or before the end of each anniversary of the expiration of said ninety-day period if upon such anniversary this lease is being continued in force solely by reason of the provisions of this sub-paragraph. Each such payment or tender shall be made to the parties who at the time of payment would be entitled to receive the royalties which would be paid under this lease if the wells were producing, or may be deposited to such parties credit in

Alabama Federal Savings and Loan

Leeds, Alabama

3. Lessor may at any time and from time to time execute and deliver to lessor or file for record a release or releases of this lease as to any part or all of said land or of any interest or portion thereof.

6. This is a PAID UP LEASE. In consideration of the down cash payment, Lessor agrees that Lessee shall not be obligated except as otherwise provided herein, to commence or continue any operations during the primary term. Whenever used in this lease the word "operations" shall mean operations for and any of the following: drilling, testing, completing, reworking, recompleting, deepening, plugging, back or repairing of a well in search for or in an endeavor to obtain production of oil, gas, sulphur or other minerals, excavating a mine, production of oil, gas, sulphur or other material, whether or not in paying quantities.

7. Lessee shall have the use, free from royalty, of water, other than from lessor's water wells, and of oil and gas produced from said land in all operations hereunder. Lessor shall have the right at any time to remove all machinery and fixtures placed on said land, including the right to draw and remove casing. No well shall be drilled nearer than 200 feet to the house or barn now on said land without the consent of the lessor. Lessor shall pay for damages caused by its operations to growing crops and timber on said land.
