

# OIL, GAS AND MINERAL LEASE

THIS AGREEMENT made this \_\_\_\_\_

30th

day of \_\_\_\_\_

December

Page 83 between

Neely Gann, an unmarried widow

whose address is Route 1, Box 187, Vandiver, Alabama 35176  
and Amoco Production Company, P.O. Box 50879, New Orleans, La. 20150

## Ten Dollars and no cents and other valuable consideration

Lessor, in consideration of Ten Dollars and no cents and other valuable consideration, receipt  
of which is hereby acknowledged, and of the covenants and agreements of lessee hereinafter contained, does hereby grant, lease and let unto lessee the land covered hereby for the purpose and with the exclusive  
right of exploring, drilling, mining and operating for, producing and owning oil, gas, sulphur and all other minerals (whether or not similar to those mentioned), together with the right to make surveys on said  
land, lay pipelines, establish and utilize facilities for surface or subsurface disposal of salt water, construct roads and bridges, dig canals, build tanks, power stations, power lines, telephone lines, employee houses  
and other structures on said land, necessary or useful in lessor's operations in exploring, drilling for, producing, treating, storing and transporting minerals produced from the land covered hereby or any other land  
adjacent thereto. The land covered hereby, herein called "said land", is located in the County of Shelby, State  
Alabama, and is described as follows:

For a description of said property, see Exhibit "A" attached hereto and made  
a part hereof and incorporated by reference herein.

Lessee agrees not to enter upon, or establish a drill site on the above de-  
scribed property without the prior written approval of the surface owner.

It is agreed and understood between the Lessor and the Lessee that wherever the  
fraction 1/8th, appears in Paragraph No. 3, it is hereby altered and amended  
to read 1/6th.

**THIS LEASE DOES NOT COVER COAL, IRON ORE, OR ANY OTHER HARD ROCK MINERALS.**

Should Lessor suffer damage to livestock, water wells, fences, roads, personal  
property, buildings, or other improvements as a result of the operations of  
the Lessee under this lease, Lessee agrees to pay Lessor for the actual amount  
of said loss.

This lease also covers and includes, in addition to that above described, all land, if any, contiguous or adjacent to or adjoining the land above described and (a) owned or claimed by lessor by limitation  
prescription, possession, reversion or unrecorded instrument or (b) as to which lessor has a preference right of acquisition. Lessor agrees to execute any supplemental instrument requested by lessee for a more  
complete or accurate description of said land. For the purpose of determining the amount of any bonus or other payment hereunder, said land shall be deemed to contain

14

acres, whether actually containing more or less, and the above recital of acreage in any tract shall be deemed to be the true acreage thereof. Lessor accepts the

Five (5)

bonus as lump sum consideration for this lease and all rights and options hereunder.

2. Unless sooner terminated or longer kept in force under other provisions hereof, this lease shall remain in force for a term of XXXX years from the date hereof, hereinafter called "primary term", and as  
long thereafter as operations, as hereinafter defined, are conducted upon said land with no cessation for more than ninety (90) consecutive days.

3. As to royalty, lessee covenants and agrees: (a) To deliver to the credit of lessor, in the pipe line to which lessor may connect its wells, the equal one-eighth part of all oil produced and saved by lessee from said  
land, or from time to time, at the option of lessor, to pay lessor, the average posted market price of such one-eighth part of such oil at the wells as of the day it is run to the pipe line or storage tanks, lessor's  
interest, in either case, to bear one-eighth of the cost of treating oil to render it marketable pipe line oil; (b) To pay lessor on gas and casinghead gas produced from said land (1) when sold by lessee, one-eighth of  
the amount realized by lessor, computed at the month of the well, or (2) when used by lessor off said land or in the manufacture of gasoline or other products, the market value, at the month of the well, of one-  
eighth of such gas and casinghead gas; (c) To pay lessor on all other minerals mined and marketed or utilized by lessor from said land, one-tenth either in kind or value at the well or mine at lessor's election,  
except that on sulphur mined and marketed the royalty shall be one dollar (\$1.00) per long ton. If, at the expiration of the primary term or at any time or times thereafter, there is any well on said land or on lands  
with which said land or any portion thereof has been pooled, capable of producing gas or any other mineral covered hereby, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though  
operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no shut-in had occurred. Lessee covenants and agrees to use reasonable  
diligence to produce, utilize, or market the minerals capable of being produced from said wells, but in the exercise of such diligence, lessee shall not be obligated to install or furnish facilities other than well  
facilities and ordinary lease facilities of flow lines, separator, and lease tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to lessee. If, at any time or times after the  
expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety day  
period, lessor shall pay or tender, by check or draft of lessor, as royalty, a sum equal to one dollar (\$1.00) for each acre of land then covered hereby. Lessee shall make like payments or tenders at or before the end  
of each anniversary of the expiration of said ninety day period if upon such anniversary this lease is being continued in force solely by reason of the provisions of this sub-paragraph. Each such payment or tender  
shall be made to the parties who at the time of payment would be entitled to receive the royalties which would be paid under this lease if the wells were producing, or may be deposited to such parties credit in  
the

**Citizens**

Bank

**Leeds, Alabama**

at \_\_\_\_\_ or its successors, which shall continue as the depositories, regardless of changes in the own-  
ership of shotgun royalty. If at any time that lessor pays or tends shotgun royalty, two or more parties are, or claim to be, entitled to receive same, lessee may, in lieu of any other method of payment herein  
provided, pay or tender such shotgun royalty, in the manner above specified, either jointly to such parties or separately to each in accordance with their respective ownerships thereof, as lessor may elect. Any  
payment hereunder may be made by check or draft of lessor deposited in the mail or delivered to the party entitled to receive payment or to a depository bank provided for above on or before the last date for  
payment. Nothing herein shall impair lessor's right to release as provided in paragraph 5 hereof. In the event of assignment of this lease in whole or in part, liability for payment hereunder shall rest exclusively on  
the then owner or owners of this lease, severally as to acreage owned by each.

4. Lessor is hereby granted the right, at its option, to pool or unitize all or any part of said land and of this lease as to any, or all minerals or horizons thereunder, with other lands, lease or leases, or portion or  
portion thereof, or mineral or horizon thereunder, so as to establish units containing not more than 80 surface acres plus 10% acreage tolerance; provided, however, a unit may be established or an existing unit  
may be enlarged to contain not more than 640 acres plus 10% acreage tolerance; if unitized only as to gas and liquid hydrocarbons (condensate) which are not a liquid in the subsurface reservoir. If larger units are  
required, under any governmental rule or order, for the drilling or operation of a well at a regular location, or for obtaining maximum allowable from any well to be drilled, drilling, or already drilled, any such  
unit may be established or enlarged to conform to the size required by such governmental order or rule. Lessor shall exercise said option as to each desired unit by executing an instrument identifying such unit  
and filing it for record in the public office in which this lease is recorded. Each of said options may be exercised by lessor from time to time, and whether before or after production has been established either on  
said land or on the portion of said land included in the unit or on other land unitized therewith and any such unit may include any well to be drilled, being drilled or already completed. A unit established  
hereunder shall be valid and effective for all purposes of this lease even though there may be land or mineral, royalty or leasehold interest in land within the unit which are not pooled or unitized. Any operations  
conducted on any part of such unitized land shall be considered for all purposes except the payment of royalty, operations conducted under this lease. There shall be allocated to the land covered by this lease  
included in any such unit that proportion of the total production of unitized minerals from wells in the unit, after deducting any used to lease or unit operations, which the number of surface acres in the land  
covered by this lease included in the unit bears to the total number of surface acres in the unit. The production so allocated shall be considered by all purposes including the payment or delivery of royalty  
overriding royalty, and any other payments out of production, to the entire production of unitized minerals from the portion of said land covered hereby and included in such unit in the same manner as though  
produced from land under the terms of this lease. The owner of the reversionary estate of any term royalty or mineral estate agrees that the accrual of royalties pursuant to the paragraph or oil, gas or minerals  
from a well on the unit shall satisfy any limitation of term requiring production of oil or gas. The formation of such unit shall not have the effect of changing the ownership of any shot-in production royalty which  
may become payable under this lease. Neither shall it impair the right of lessor to release from this lease all or any portion of said land, except that lessor may not so release as to lands within a unit while there are  
operations thereon for unitized minerals unless all pooled leases are released as to lands within the unit. Lessor may dissolve any unit established hereunder by filing for record in the public office where this lease is  
recorded a declaration to that effect, if at that time no operations are being conducted thereon for unitized minerals. Subject to the provisions of the paragraph 4, a unit once established hereunder shall remain  
in force so long as any lease subject thereto shall remain in force. A unit may be so established, modified or dissolved during the life of this lease.

5. Lessor may at any time and from time to time execute and deliver to lessor or file for record a release or releases of this lease as to any part or all of said land or of any mineral or horizon thereunder, and  
thereby relieved of all obligations as to the released acreage or interest.

6. This is a PAID UP LEASE. In consideration of the down cash payment, Lessor agrees that lessee shall not be obligated except as otherwise provided herein, to commence or continue any operations during  
the primary term. Whenever used in this lease the word "operations" shall mean operations for and any of the following: drilling, testing, completing, recompleting, deepening, plugging back or  
reworking of a well in search for or in an endeavor to obtain production of oil, gas, sulphur or other minerals, excavating a mine, production of oil, gas, sulphur or other mineral, whether or not in paying quantities.

7. Lessee shall have the use, free from royalty, of water, other than from lessor's water wells, and of oil and gas produced from said land in all operations hereunder. Lessee shall have the right at any time to  
remove all machinery and fixtures placed on said land, including the right to draw and remove same. No well shall be drilled nearer than 200 feet to the house or barn now on said land without the consent of the  
lessor. Lessor shall pay for damages caused by its operations to growing crops and timber on said land.

Lease from Neely Gann to  
Amoco Production Company

TOWNSHIP 18 SOUTH, RANGE 1 EAST

Section 11: The East Half ( $\frac{E}{2}$ ) of the North Half ( $\frac{N}{2}$ ) of the South-east Quarter ( $SE\frac{1}{4}$ ) of the Northeast Quarter ( $NE\frac{1}{4}$ ) less and except the following described tract of land, to-wit: Beginning at the NE corner of the  $SE\frac{1}{4}$  of the  $NE\frac{1}{4}$  of Section 11, Township 18 South, Range 1 East and run thence from said corner go West along the  $\frac{1}{4}-\frac{1}{4}$  Section line a distance of 271 feet to the point of beginning; thence go 90 degrees to the left for a distance of 220 feet; thence 90 degrees to the right 200 feet; thence 90 degrees to the right 220 feet; thence 90 degrees to right 200 feet to the point of beginning.

Section 12: The Southwest Quarter ( $SW\frac{1}{4}$ ) of the North Half ( $\frac{N}{2}$ ) of the Southeast Quarter ( $SE\frac{1}{4}$ ) of the Northwest Quarter ( $NW\frac{1}{4}$ ).
