No part of the Property shall be used or caused to be used in any way, directly or indirectly, for any business, commercial, manufacturing, warehousing or other such non-residential purpose, except, that the Owner may use the Property as a model home site, and may operate display and sales offices on the Property for the purpose of selling Lots for as long as the Owner continues to own any portion of the Property.

3. Parking. No automobile, truck, house trailer, camper, boat, dune buggy or any other type vehicle shall be parked or maintained on any permanent basis on the right-of-way or in front of any lot. 12. Fences, etc. No fence, hedge, wall or other obstruction shall be constructed or maintained on any lot.

13. Townhouse Easements. The Owner intends to construct a townhouse on each Lot, and the construction of such townhouses may require that certain eaves, roof overhangs, brick veneers, siding and other architectural features and building materials encroach upon or hang over contiguous Lots. Accordingly, there is hereby created, granted and reserved, as an appurtenance to each Lot, a perpetual easement over and across each Lot contiguous thereto for all such encroachments and overhangs, as well as for all encroachments and overhangs resulting from any natural movement or settling of any such townhouse. In addition, there is hereby created, granted and reserved to the owner or owners of each Lot a license and right of entry across contiguous Lots as may be reasonable needed to maintain and repair such encroaching or overhanging structures. If any townhouse shall be damaged or destroyed, the owner or owners thereof shall be permitted to repair and reconstruct such townhouse with encroachments and overhangs not more intrusive than those existing at the time of such damage or destruction and thereafter said license and right of entry shall continue in effect. In addition, owner plans to develop additional residential subdivisions in the future on property adjacent to the property referred to herein and reserves for itself an easement for ingress and egress over and across subject property as may be necessary for the construction and development of additional residential subdivisions on adjoining property. There is also reserved an easement for drainage as may be required resulting from the topography or lay of the land. Easements for installation and maintenance of utilities and drainage facilities are reserved and created as shown on the recorded map.

14. Covenants to Run with the Land. The covenants, restrictions, easements, rights, equitable servitudes, liens and charges set forth herein shall (a) run with the land (the Property); (b) be binding upon any and every person or entity having any right, title or interest in the Property, or any part thereof, and such person's or entity's heirs, executors administrators, successors and assigns; (c) inure to the benefit of every portion of the Property and every interest therein; (d) inure to the benefit of, and be binding upon, the Owner, its successors in interest, and each grantee from the owner of any interest in the Property and such grantee's successors in interest; and (e) be binding and in effect for a period of twenty-five years from the date this instrument is recorded in the Probate Office of Shelby County, Alabama, after which period said covenants, restrictions, easements, rights, equitable servitudes, liens and charges shall be automatically extended for successive periods of ten years each unless an instrument amending or modifying this instrument, executed by a majority of the then owners of not less than three-fourths of the Lots, shall be recorded in the Probate Office of Shelby County, Alabama.

15. Application to Owner. Notwithstanding any provisions herein to the contrary, nothing contained in this instrument shall prevent, hinder or limit the Owner in any manner whatsoever in connection with the development of the Property and the construction and sale of townhouse units on the Property, and any provision having such effect shall be null, void and unenforceable against the Owner.

16. Consent of Lot Owners. Whenever the consent of the owners of the Lots is required with respect to any action described herein, the consent of the owner or owners of any Lot shall be deemed given if the record owner of such Lot (or a majority of such record owners, if more than one) shall evidence such consent in writing.

17. Prohibition Against Changing Exterior or Landscaping. Each lot owner shall, from time to time, paint (provided the same color is used) and otherwise maintain the exterior of his dwelling as needed. Such maintenance and painting shall be done in a manner harmonious with the remaining dwelling units and shall not be completed in such a manner, color, or design so as to disrupt the harmonious blending of the original architectural plans of the dwelling units. Each lot owner shall be prohibited from making any changes at all to the front exterior of their respective residences or making any changes at all in the landscaping, it being understood that all residences and landscaping are designed to blend harmoniously with each other. The prohibition against making any changes in the exterior or landscaping shall include, but not be limited to the prohibitions of adding storm doors or windows or adding, deleting or changing the shrubbery and other plants. In the event an owner of any Lot in the Properties shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The costs of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

The maintenance and upkeep of all landscaping (including lawn mowing and shrubbery trimming) on each individual lot shall be the responsibility of the Association and such cost shall be included in the annual assessment paid by each lot owner.

18. Common Areas. Title in those areas of the subject property referred to on the respective maps as common areas shall be retained by the owner until the owners of the respective lots form an owners association which will be responsible for the ownership, care, control and handling of these common areas or opened areas, at which time the owner intends to transfer said areas to the owners association. The owner will be responsible for the taxes on said common areas so long as it retains ownership thereof. The owners association shall be responsible for the maintenance and upkeep of the median of the entrance parkway. When additional land is developed, the other owners association shall share in the maintenance of the median.

19. For the purposes of accepting ownership of common areas, and for the purposes of protecting and assisting in the protection of the rights and privileges of the owners of the respective lots in the subdivision, and for the purposes of providing a vehicle to carry out joint and mutual obligations of the owners of the subdivision, it is understood and agreed that at such time as all lots in the subdivision have been sold to owners other than the owner (Developer) or at such earlier time if the owner wishes to participate, an association of lot owners will be formed which association will be formed in such a manner as to make it a legal entity capable of contracting, deeding, and holding title, which association will be formed in such a manner as to give each respective lot owner an equal vote in the management of the affairs of the association, it being intended that either officers, directors, or an executive committee will be elected by the lot owners to carry out the day-to-day functions of the association. It is contemplated that the association of lot owners will be a non-profit corporation with the owner of each lot becoming a member of the corporation and being entitled to one vote on any issue to come before the association.

The association shall be responsible for the maintenance and upkeep of landscaping (including lawn mowing and shrubbery trimming) of each individual lot and shall be entitled to levy a monthly maintenance charge against each lot owner to cover the cost of such upkeep. A lien is hereby reserved and established in favor of the association and on each lot to secure the prompt payment of such monthly maintenance charge which said charge each individual lot owner agrees to pay by acceptance of the deed to his or her lot. The monthly maintenance charge in effect until December 31, 1984 shall not exceed \$25.00 per month. The lien of the monthly maintenance charge provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the maintenance charge lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such maintenance charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any maintenance charge thereafter becoming due or from the lien thereof. Prior to the formation of the association, all monthly maintenance charges shall be paid to Harbar Homes, Inc.

20. The undersigned owner reserves the right to modify, release, amend, void, transfer or delegate all the right, reservations and restrictions herein set forth, or the right to modify, release, amend, void or transfer any one, or more, of the said herein set forth restrictions on lots in the said subdivision.

21. Invalidity of any one of these provisions or covenants by judgments, or court order, shall in no way affect any of the other provisions which shall remain in full force and effect.

22. Enforcement. If any lot owner, or their heirs or assigns shall violate, or attempt to violate, any of the covenants herein, it shall be lawful for any other person, or persons, owning real property situated in said development, or subdivision, to prosecute any proceedings at law in equity against the person, or persons, violating or attempting to violate any such covenant, and either to prevent him, or them, from so doing, or to recover damages or other dues from such violation.

IN WITNESS WHEREOF, the undersigned Harbar Homes, Inc., has hereunto set its hand and seal on this 24<sup>th</sup> day of February, 1984.
