THIS LEASE DOES NOT COVER COAL OR THE MINING OF ANY HARD MINERALS.

This lease also covers and includes, in addition to that above described, all land, if any, contiguous or adjoining the land above described and (a) owned or claimed by lessor by limitation, prescription, prescription, reversion or unrecorded instrument or (b) as to which lessor has a preference right of acquisition. Lessor agrees to execute any supplemental instrument requested by lesses for a more complete or accurate description of said land. For the pur-

poss of determining the amount of any bouns or other payment hereunder, said land shall be deemed to contain whether actually containing more or less, and the above resital of screage in any tract shall be deemed to be the true acroage thereof. Lessor accepts the bonus of home some consideration for this lesse and all rights, and options hereunder.

2. Unless sooner terminated or longer kept in force under other provisions bereaf, this lesse shall remain in force for a term of Yeak \$15) years from the date hereof, bereinafter called "primary term", and as long thereafter as operations, as bereinafter defined, are conducted upon said land with no constitute for where the primary term, and as long thereafter as operations, as bereinafter defined, are conducted upon said land with no constitute for where the provision is force for a term of Yeak \$15). more than ninety (90) consecutive days.

3. As royalty, lesses covenants and agrees: (a) To deliver to the credit of lesses, in the pipe line to which lesses may connect its wells, the equal oneeighth part of all oil produced and saved by lesses from said land, or from time to time, at the option of lesses, to pay lessor the average posted market price of such one-eighth part of such oil at the wells as of the day it is run to the pipe line or storage tanks, lessor's interest, in either case, to beer one-eighth of the cost of treating oil to render it marketable pipe line oil; (b) To pay lessor on gas and casinghead gas produced from said land (1) when sold by lessee, one-eighth of the amount realized by lessee, computed at the mouth of the well, or (2) when used by lessee off said land or in the manufacture of gasoline or other products, the market value, at the mouth of the well, of one-eighth of such gas and casinghead gas; (c) To pay lessor on all other minerals mined and marketed or utilized by lessee from said land, one-tenth either in kind or value at the well or mine at lessee's election, except that on sulphur mined and marketed or utilized by lessee from said land, one-tenth either in kind or value at the well or mine at lessee's election, except that on sulphur mined and marketed or utilized by lessee from said land, one-tenth either in kind or value at the well or mine at lessee's election, except that on sulphur mined and marketed or utilized by lessee from said land. keted the royalty shall be one dollar (\$1.00) per long too. If, at the expiration of the primary term or at any time or times thereafter, there is any well on suit hand or on lands with which said lend or any portion thereof has been pooled, capable of producing gas or any other mineral covered hereby, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no abut-in had occurred. Lesses coverants and agrees to use reasonable diligence to produce, utilization or market the minerals capable of being produced from said wells, but in the exercise of such diligence, lesses shall not be obligated to install or furnish facilities other than well facilities and ordinary lesse facilities of flow lines, separator, and lesse tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to lesses. If, at any time or times after the expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety day period, lesses shall make like payments or tender, by check or draft of lesses, as royalty, a sum equal to one dollar (\$1.00) for each acre of land then covered bareby. Lesses shall make like payments or tenders at or before the end of each suniversary of the expiration of said ninety day period if upon such anniversary this lesse is being continued in force solely by reason of the provisions of this sub-paragraph. Each such payment or tender shall be made to the parties who at the time of payment would be en-

titled to receive the royalties which would be paid under this lease if the wells were producing, or may be deposited to such parties credit in the ____ First National Bank of Birmingham

Alabama ership of shut-in royalty. If at any time that lessee pays or tenders shut-in soyalty, two or more parties are, or claim to be, entitled to receive same, lessee may, in lieu of any other method of payment herein provided, pay or tender such shut-in royalty, in the manner above specified, either jointly to such parties or separately to each in accordance with their respective ownerships thereof, as lessee may elect. Any payment hereunder may be made by check or draft of lesses deposited in the mail or delivered to the party entitled to receive payment or to a depository bank provided for above on or before the last date for payment. Nothing herein shall impair lesse's right to release as provided in paragraph 5 hereof. In the event of assignment of this lesse in whole or in part, liability for payment bereunder shall rest exclusively on the then owner or owners of this lease, severally as to acreage owned by each,

4. Lesses is bereby granted the right, at its option, to pool or unities all or any part of said land and of this lease as to any or all minerals or borizons thereunder, with other lands, lease or leases, or portion or portions thereof, or mineral or horizon thereunder, so as to establish units containing not more than 80 surface acres plus 10% acresse tolerance; provided, however, a unit may be established or an existing unit may be cularged to contain not more than 640 80 surface acres plus 10% acreage tolerance; provided, however, a unit may be established or an existing unit may be calazged to contain not more than 640 acres plus 10% acreage tolerance, if unitized only as to gas or only as to gas and liquid hydrocarbons (condensate) which are not a liquid in the subsurface reservoir. If larger units are required, under any governmental rule or order, for the drilling or operation of a well at a regular location, or for obtaining maximum allowable, from any well to be drilled, drilling, or already drilled, any such unit may be established or enlarged, to conform to the size required by such governmental order or rule. Lessee shall exercise said option as to each desired unit by executing an instrument identifying such unit and filing it for record in the public office in which this lesse is recorded. Each of said options may be exercised by lessee from time to time, and whether before or after production has been established either on said land or on the portion of said land included in the unit or on other land unitized therewith and any such unit may include any well to be drilled, being drilled or already completed. A unit established hereunder shall be valid and effective for all purposes of this lesse even though there may be land or mineral, royalty or lessehold interests in land within the unit which are not pooled or unitized. Any operations conducted on any part of such unitized land shall be considered, for all purposes, except the payment of royalty, operations conducted under this lesse included in any such unit that proportion of the total production of unitized minerals from wells in the unit, after deducting any used in lesse or unit operations, which the number of surface scree in the land covered by this lesse included in the unit, after deducting any used in lesse or unit operations, which the number of surface scree in the payment or delivery of royalty, overthe total number of surface acres in the unit. The production so allocated shall be considered for all purposes, including the payment or delivery of royalty, overriding royalty, and any other payments out of production, to be the entire production of unitized minerals from the portion of said land covered hereby and
included in such unit in the same manner as though produced from said land under the terms of this lease. The owner of the reversionary estate of any term
royalty or mineral estate agrees that the accrual of royalties pursuant to this paragraph or of shut-in royalties from a well on the unit shall satisfy any limitation
of term requiring production of oil or gas. The formation of such unit shall not have the effect of changing the ownership of any shut-in production royalty
which may become payable under this lesse. Neither shall it impair the right of lesses to release from this lesses all or any portion of said land, except that lesses may not so release as to lands within a unit while there are operations thereon for unitized minerals unless all pooled lesses are released as to lands within the unit. Lesses may dissolve any unit established bereunder by filing for record in the public office where this lesse is recorded a declaration to that effect, if at that time no operations are being conducted thereon for unitized minerals. Subject to the provisions of this paragraph 4, a unit once established hereunder shall remain in force so long as any lesse subject thereto shall remain in force. A unit may be so established, modified or dissolved during the life of this lease.

5. Lesses may at any time and from time to time execute and deliver to lessor or file for record a release or releases of this lesse as to any part or all of said land or of any mineral or horizon thereunder, and thereby be relieved of all obligations as to the released acrosses or interest,

6. This is a PAID-UP LEASE. In consideration of the down cash payment, Lusser agrees that Leases shall not be obligated except as otherwise provided herein, to commence or continue any operations during the primary term. Whenever used in this lease the word "operations" shall mean operations for and any of the following: drilling, testing, completing, recompleting, desputing, plugging back or repairing of a well in search for or in an endeavor to obtain production of oil, gas, sulphur or other mineral, whether or not in paying quantities.

7. Lessee shall have the use, free from royalty, of water, other than from lessor's water wells, and of oil and gas produced from said land in all operations bereunder. Lessee shall have the right at any time to remove all machinery and flutteres placed on said land, including the right to draw and remove casing. No well shall be delied power than 200 feet to the house or barn now on said land without the consent of the lessor. Lessee shall now for damages caused mg crops and timber on said land. by its operation
