AFFIDAVIT
OF SCRIBNER'S ERROR

Comes now R. B. Perry of Clanton, Alabama, to acknowledge and confirm that he is a registered land surveyor, identified by Alabama Registration No. 296; and furthermore, that he, by and through his agent, conducted a survey on May 21, 1984, regarding certain realty containing approximately two acres in Shelby County, Alabama, which was conveyed on May 25, 1984 from Billy J. Walker and wife, Martha M. Walker to L. J. Morris and wife, Lila P. Morris, and recorded in Deed Book 356, Page 11 in the Office of the Probate Judge, Shelby County, Alabama.

Furthermore, the Affiant, R. B. Perry deposes and says that there was a scribner's error committed in the aforementioned survey, in that the subject parcel was described as being located in the SE $\frac{1}{4}$, Sec. 17, Twp. 22-S, R 3-W; said parcel is, in fact, located in the SW $\frac{1}{4}$, Sec. 17, Twp. 22-S, R 3-W.

This affidavit is submitted for the purpose of correction of my prior survey and to amend the deed issued thereon.
