, or its successors, which shall continue as the depositories, regardless of changes in the ownership of shul-in royalty. If at any time that lessee pays or tenders shul-in royalty, two or more parties are, or claim to be, entitled to receive same, lessee may, in lieu of any other method of payment herein provided, pay or tender such that in resulty, in the manner above specified, either jointly to such parties or separately to each in accordance with their respective ownerships thereof, as leaver may elect. Any payment bereunder may be made by check or draft of lessee deposited in the mail or delivered to the party entitled to receive payment or to a depository bank provided for above on or before the last date five payment. Nothing herein shall impair leser's right to release as provided in paragraph 5 bereof. In the event of assignment of this lease in whole or in part, liability for payment becomes shall rest exclusively on the then owner or owners of this lease, severally as to acreage owned by each.

4. Lesser to berefer granted the right, at its option, to pool or unitize all or any part of said land and of this lesse as to any or all minerals or horizons thereunder, with other lands, lesse or lesses, or portion or portions thereof, or mineral or instron thereunder, so as to establish units containing not more than 80 surface acres plus 10% acreage tolerance; provided, however, a unit may be established or an existing unit may be colorged to contain me more than 640 acres plus 10% acresses tolerance, if unitized only as to gas and liquid hydrocurbons (condensate) which are not a liquid in the subsorface reservoir. If larger units are required, under any governmental cole or order, for the drilling or operation of a well at a regular location, or for obtaining maximum allowable, from any well to be drilled, dolling, or already drilled, any such not may be established or enlarged, to conform to the size required by such governmental order or rule. Lessee shall exercise said option as to each desired unit by executing an instrument identifying such unit and filling it for record in the public office in which this lease is recorded. Each of said options may be exercised by lessee from time to time, and whether before or after production has been established either on and land or on the portion of said land included in the unit or on other land initized therewith and any such unit may include any well to be drilled, being drilled or already completed. A unit established hereuseler shall be valid and effective for all purposes of this lease even though there may be land or mineral, royalty or leasehold interests in land within the unit which are not pooled or unitized. Any operations conducted on any part of such natived land shall be considered, for all purposes, except the payment of mysity, operations conducted under this lease. There shall be allocated to the land covered by this lease included in any such and that proportion of the total production of unitized minerals from wells in the unit, after deducting any used to lease or unit operations, which the number of surface acres in the land covered by this brase included in the unit bears to the total number of surface acres in the unit. The production so allocated shall be considered for all purposes, including the payment or delivery of rayalty; overriding royalty, and any other payments out of production, to the entire production of unitized minerals from the portion of said land covered hereby and included in such and to the same manner as though produced from said land moder the terms of this lease The owner of the revisionary estate of any term royalty or mineral estate agrees that the account of royalties pursuant to the paragraph or of shed-in royalties from a well on the most shall satisfy any limitation of term requiring production of oil or gas. The formation of such unit shall not have the effect of changing the ownership of any shut-in production my alty which may become payable under this lease. Neither shall it impair the right of lessee to release from this lease all or any portion of said land, except that lessee may not so release as to lands within a unit while there are operations thereon for unitized numerals unless all pooled leaves are released as to lands within the unit. Lessee may dissolve any unit established hereunder by filing for record in the public office where this leave is recorded a declaration to that effect, if at that time no operations are being conducted therein for militized minerals. Subject to the provisions of this paragraph 4, a unit once established becomine shall remain in force so long as any lease subject therete shall remain in force. A unit may be so established, modified or dissolved during the life of this lease.

5 Lassee may at any time and from time to time execute and deliver to lessor or file for record a release or releases of this lesse as to any part or all of said land or of any mineral or horizon thereinder, and thereby relieved of all obligations as to the released acreage or interest.

6 This is a PAFD-UP LEASE. In consideration of the down cash payment, Lessor agrees that Lessee shall not be obligated except as otherwise provided herein, to commence or continue any operations thering the primary term. Whenever used in this lease the word "operations" shall mean operations for and any of the following, drilling, testing, completing, recompleting, deepening, plugging back or repuring of a well in search for or in an endeavor to obtain production of oil, gas, sulphur or other minerals, excavating a mine, production of oil, gas, sulphur or other mineral, whether or not in paying quantities.

7. Leaves shall have the use, free from royalty, of water, other than from lessor's water wells, and of oil and gas produced from said land in all operations becomed. Lesser shall have the right at any time to remove all machinery and fixtures placed on said land, including the right to draw and remove casing. No well shall be drilled nearer than 200 feet to the house or burn now on said land without the consent of the leaver.
