BOOK 026 PAGE 637

1-22-85 This matter befor the court on the plaintiss's motion for default judgment against the defendant, T & W Contraction Company, Inc. The court has considered said motion and supporting affidavits and finds that the plaintiff is entitled to a default judgment against said defendant in the principal sum of Forty-Eight Thousand Two Hundred Sixty-Seven and 80/100 Dollars (48,267.80) which represents principal and interest on the note and in addition attorney's fees in the amount of Three Thousand Dollars (\$3,000.00) which the court finds to be a reasonable attorney's fee. Judgment is, therefore entered in favor of the plaintiff and against the defendant, T & W Contracting Company, Inc., in the sum of Fifty-One Thousand Two Hundred Sixty-Seven and 80/100 Dollars (51,267.80) plus costs of court. Case is continued as to remaining Defendants. Reset in due course.
