# ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this 10th day of \_\_\_\_\_ January\_\_\_\_\_ 19 86 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Mortgage"), of even date herewith, given by the undersigned ("Mortgagor") to secure Mortgagor's Adjustable Rate Note ("Note"), of even date herewith, to Alliance Mortgage Company, a Florida corporation ("Mortgagee"), covering the premises described in the Mortgage and located at 603 Sequoia Circle, Montevallo, Alabama 35115

Notwithstanding anything to the contrary set forth in the Mortgage, Mortgagor and Mortgagee hereby agree to the following:

- Under the Note, the initial stated interest rate of 9.5 per centum ( 9.5 %) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinefter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
- The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of \_\_\_\_\_April\_\_\_\_\_\_. 19 87\_\_\_ (which 2. date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Mortgage ("Change Date").
- Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury 3. Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H. 15 (519)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows: ma 427
  - The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current (a) Index").
  - Two percentage points ( 2 %; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the (b) nearest one-eighth of one percentage point (0.125%). The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
  - The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such (c) interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
    - If the Calculated Interest Rate is the same as the Existing **(1)** Interest Rate, the interest rate will not change.
    - If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").

FHA ARM 10/84

8

- (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
- (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).
- (d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate he more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap, the new adjusted interest rate to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.
- (e) Mortgages will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted interest rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.
- (f) The method set forth in this Paragraph 3 of this Adjustable Rate Rider, for determining whether or not an adjustment must be made to the Existing Interest Rate incorporates the effects of the provisions of 24 CFR 203.49 (e) (l) and 234.79 (e) (l) which require that changes in the Index in excess of one percentage point must be carried over for inclusion in adjustments to the Existing Interest Rate in subsequent years.
- (g) If the Index is no longer available, Mortgages will be required to use any index prescribed by the Department of Housing and Urban Development. Mortgages will notify Mortgagor in writing of any such substitute index (giving all necessary information for Mortgagor to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.
- (a) If the Existing Interest Rate changes on any Change Date, Mortgages will recalculate the monthly installment payments of principal and interest 4. to determine the amount which would be necessary to repay in full, on the maturity date, the unpaid principal balance (which unpaid principal balance will be deemed to be the amount due on such Change Date assuming there has been no default in any payment on the Note but that all prepayments on the Note have been taken into account), at the new Existing Interest Rate, in equal monthly payments. On or before the Change Date, Mortgagee will give Mortgagor written notice ("Adjustment Notice") of any change in the Existing Interest Rate and of the revised amount of the monthly installment payments of principal and interest, calculated as provided above. Each Adjustment Notice will set forth (i) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change Date, (iv) the amount of the adjusted monthly installment payments, calculated as provided above, (v) the Current Index, (vi) the method of calculating the adjustment to the monthly installment payments, and (vii) any other information which may be required by law from time to time.
  - (b) Mortgagor agrees to pay the adjusted monthly installment amount beginning on the first payment date which occurs at least thirty (30) days after Mortgagee has given the Adjustment Notice to Mortgagor. Mortgagor will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Mortgagee to Mortgagor until the first payment date which occurs at least thirty (30) days after Mortgagee has given a further Adjustment Notice to Mortgagor. Notwithstanding anything to the contrary contained in this Adjustable Rate Rider or the Mortgage, Mortgagor will be relieved of any obligation to pay, and Mortgagee will have forfeited its right to collect, any increase in the monthly installment amount (caused by the recalculation of such amount under Subparagraph 4(a) for any payment date occurring less than thirty (30) days after Mortgagee has given the applicable Adjustment Notice to Mortgagor.

Nothing contained in this Adjustable Rate Rider will permit Mortgages to accomplish an interest rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing Interest Rate may only be reflected through adjustment to Mortgagor's monthly installment payments of principal and interest, as provided for herein.

BY SIGNING BELOW, Mortgagor accepts and agrees to the terms and covenants
