In the event of any conflict, the most restrictive provision of such laws, rules regulations, deeds, leases or the restrictions shall be taken to govern and control.

26. It is understood and agreed that said conditions, limitations, and restrictions shall attach to and run with the land for a period of 25 years from date hereof, at which time said restrictions and limitations shall automatically extend for successive periods of ten years, unless by vote of a majority of the then owners of the lots, it is agreed in writing to change said restrictions, in whole or in part. If the parties hereto, or any of them, or their heirs, or assigns shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning real property situated in said development or subdivision to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from doing or to recover damages or other dues from such violations.

27. Owners, their heirs, executors, assigns and successors, reserve the right to modify, release, amend, void, transfer, or delete all of the rights, reservations and restrictions herein set forth, or the right to modify, release, amend, or void any one of them or more of the said set forth restrictions on lots or estate belonging to them.
