SHELBY COUNTY, ALABAMA

FINAL ORDER OF CONDEMNATION

This cause coming on to be heard on this day for a decree confirming the report of the commissioners heretofore appointed in this cause, and for an order of condemnation in pursuance thereof as to the lands and waters, and all rights, interests and easements in such lands and waters, described in the application filed herein and more particularly in Tract Nos. 426, 470, 130 and 132 of Article Fourth of the application, as amended, heretofore filed in this cause.

And it appearing to the Court that on, to wit, the 1st day of July, 1966, this Court heard the allegations of said application as to the parties and lands and waters named and described in Article Fourth of said application, as amended, and all legal evidence offered by the parties, touching the same, and did on, to wit, the 1st day of July, 1966, make and enter an order granting said application, as amended, for the condemnation of the lands and waters, and all rights, interests and easements in such lands and waters therein described; and it also in and by said order and decree did appoint Milford Lee, A. M. Muncy and M. L. Orr, Sr., three citizens of said County of Shelby, in which county the lands sought to be condemned are situated, possessing the qualifications of jurors, and who are disinterested, to assess the damages and compensation to which the owners of the lands and waters described in Tract Nos. 426, 470, 130 and 132 of said Article Fourth of said application, as amended, are entitled;

And it further appearing to the Court that notice of the appointment of said three persons as commissioners was issued to said persons as required by law and in strict accordance with the former order of this Court made and entered in this cause on the 1st day of July, 1966;

And it further appearing to the Court that said commissioners, before entering upon the discharge of their duties in the premises, were sworn as jurors are sworn, and that they did thereafter receive all legal evidence offered by the parties touching the amount of damages the owners of, or the owners of an interest in, said lands and waters will sustain and the amount of compensation they are entitled to receive;

And it further appearing to the Court that applicant has, with leave of Court first had and obtained, amended said application by deleting therefrom Tract No. 495 and by striking as parties defendant the owners listed therefor, Chester Templin and Iva Jean Templin;

And it further appearing to the Court that applicant has, with leave of Court first had and obtained, amended said application by deleting therefrom Tract No. 105 and by striking as parties defendant the owners listed therefor, Roy M. Leeth and Mildred H. Leeth;

It is, therefore, ordered, adjudged and decreed by the Court that said amendments be and the same are hereby allowed;

And it further appearing to the Court, that said commissioners did, on, to wit, the 14th day of July, 1966, make their report in writing to this

Court, stating the amount of damages and compensation ascertained and assessed by them for the owners of, or the owners of an interest in, the lands and waters described in Article Fourth of said application, as amended, as follows:

To L. T. Thornton, Sr., Bessie P. Thornton and Persons Unknown (the owners of, or the owners of an interest in, the lands described in Tract No. 132) \$350.00;

And it further appearing to the Court that said commissioners did also file a certificate along with their award that none of them had ever been consulted, advised with or approached by any person in reference to the value of the lands and waters or the proceedings to condemn the same prior to the assessment of damages and that they knew nothing of the same prior to their appointment;

It is, therefore, ordered, adjudged and decreed by the Court that the report of said commissioners be and the same is hereby ordered to be recorded, together with said application and all the orders and decrees made in this cause and the pleadings filed therein.

And it further appearing to the Court that the damages and compensation so ascertained and assessed by said Commissioners for the said defendants, the owners of, or the owners of an interest in, the lands and waters described in Tract Nos. 426, 470, 130 and 132 of Article Fourth of said application, as amended, have been deposited in money in this Court by the applicant, Alabama Power Company;

And it further appearing to the satisfaction of the Court that all things necessary and required by Title 19, Chapter I, of the Code of Alabama 1940 have been done and performed by the applicant, Alabama Power Company.

And it is further ordered, adjudged and decreed by the Court that Alabama Power Company be and it is hereby vested with and granted the right to flood or cover with water at intervals from time to time, and the right to prevent the construction, use, occupation or habitation of any structures except fences, docks, wharves and boathouses not capable of human habitation (including the right to tear down or remove any such prohibited structures) on all those portions of (i) Tract No. 426 which lie above such datum plane of 397 feet and which would be flooded or covered by the waters of the Coosa River and its tributaries should the level of such water be raised and backed up to that certain datum plane of 398 feet above mean sea level and (ii) Tract No. 470 which lie above such datum plane of 397 feet and which would be flooded or covered by the waters of the Coosa River and its tributaries should the level of such water be raised and backed up to that certain datum plane of 400 feet above mean sea level; all above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955.
