SUPPLEMENTAL INDENTURE dated as of August 14, 1986, made and entered into by and between **ALABAMA POWER COMPANY**, a corporation organized and existing under the laws of the State of Alabama, with its principal place of business in Birmingham, Jefferson County, Alabama (hereinafter commonly referred to as the "Company"), and **CHEMICAL BANK**, a corporation organized and existing under the laws of the State of New York, with its principal office in the Borough of Manhattan, The City of New York (hereinafter commonly referred to as the "Trustee"), as Trustee under the Indenture dated as of January 1, 1942 between the Company and Chemical Bank & Trust Company (Chemical Bank successor by merger), as Trustee, securing bonds issued and to be issued as provided therein (hereinafter sometimes referred to as the "Indenture").

WHEREAS the Company and the Trustee have executed and delivered the Indenture for the purpose of securing an issue of bonds of the 1972 Series described therein and such additional bonds as may from time to time be issued under and in accordance with the terms of the Indenture, the aggregate principal amount of bonds to be secured thereby being not limited, and the Indenture fully describes and sets forth the property conveyed thereby and is of record in the office of the judge of probate of each county in the State of Alabama and in the offices of the clerks of the superior court of the counties of the State of Georgia in which this Supplemental Indenture is to be recorded and is on file at the principal office of the Trustee, above referred to; and

WHEREAS, the Company and the Trustee have executed and delivered various supplemental indentures for the purposes, among others, of further securing such bonds and of creating the bonds of other series described therein, and such supplemental indentures described and set forth additional property conveyed thereby and are also of record in the offices of the judges of probate of some of or all the counties in the State of Alabama and in the offices of the clerks of the superior court of the counties of the State of Georgia in which this Supplemental Indenture is to be recorded and are on file at the principal office of the Trustee, above referred to; and

WHEREAS, the Indenture provides for the issuance of bonds thereunder in one or more series and the Company, by appropriate corporate action in conformity with the terms of the Indenture, has determined to create a series of bonds under the Indenture to be designated as "First Mortgage Bonds,

Power Purchase Contract Series due September 1, 2001" (hereinafter sometimes referred to as the "Second 1986 Series"), the bonds of such series to bear interest only to the extent and as provided therein and in this Supplemental Indenture, and to mature September 1, 2001; and

WHEREAS, each of the registered bonds of the Second 1986 Series is to be substantially in the following form, to-wit:

[FORM OF REGISTERED BOND OF THE SECOND 1986 SERIES]

ALABAMA POWER COMPANY
FIRST MORTGAGE BOND, POWER PURCHASE CONTRACT SERIES DUE
SEPTEMBER 1, 2001

No. _____ \$ _____

Alabama Power Company, an Alabama corporation (hereinafter called the "Company"), for value received, hereby promises to pay to _____ or registered assigns, the principal sum of _____ Dollars on September 1, 2001 and to pay interest on said sum from the initial interest accrual date (hereinbelow defined), at the rate of seven and three-fourths per centum (7¾%) per annum until the principal hereof shall have become due and payable. The principal of and interest on this bond shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, designated for that purpose, in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts.

This bond is one of the bonds issued and to be issued from time to time under and in accordance with and all secured by an indenture of mortgage or deed of trust dated as of January 1, 1942, given by the Company to Chemical Bank & Trust Company, as Trustee, under which indenture Chemical Bank (hereinafter sometimes referred to as the "Trustee") is successor Trustee, and indentures supplemental thereto, to which indenture and indentures supplemental thereto (hereinafter referred to collectively as the "Indenture") reference is hereby made for a description of the property mortgaged and pledged, the nature and extent of the security and the rights, duties and immunities thereunder of the Trustee and the rights of the holders of said bonds and of the Trustee and of the Company in respect of

such security, and the limitations on such rights. By the terms of the Indenture the bonds to be secured thereby are issuable in series which may vary as to date, amount, date of maturity, rate of interest and in other respects as in the Indenture provided.

Upon notice given by mailing the same, by first class mail postage prepaid, not less than thirty nor more than forty-five days prior to the date fixed for redemption to each registered holder of a bond to be redeemed (in whole or in part) at the last address of such holder appearing on the registry books, any or all of the bonds of this series may be redeemed by the Company, at any time and from time to time by the payment of the principal amount thereof and accrued interest thereon, if any, to the date fixed for redemption, if redeemed by the operation of the sinking or improvement fund or the maintenance and/or replacement provisions of the Indenture or by the use of proceeds of released property, as more fully set forth in the Indenture.

In the manner provided in the Indenture, the bonds of this series are also redeemable in whole, by payment of the principal amount thereof plus accrued interest thereon, if any, to the date fixed for redemption, upon receipt by the Trustee of a written demand from the Escrow Agent under the Escrow Agreement between the Company, Alabama Municipal Electric Authority ("AMEA") and Central Bank of the South (the "Escrow Agent") entered into in accordance with the Firm Power Purchase Contract dated as of March 29, 1986, between the Company and AMEA (the "Power Contract"), stating that the principal amount of the Liquidated Damages Note dated August 14, 1986 issued by the Company in favor of AMEA pursuant to the Power Contract (the "Liquidated Damages Note") then outstanding has been declared immediately due and payable. As provided in the Indenture, the date fixed for such redemption shall be not more than 180 days after the date of the redemption notice specified in the aforesaid written demand and shall be specified in a notice of redemption to be given not more than 10 nor less than 5 days prior to the date so fixed for such redemption. Upon mailing of such notice of redemption, the date from which unpaid interest on the Liquidated Damages Note has then accrued (as specified by the Escrow Agent) shall become the initial interest accrual date with respect to the bonds of this series. As in the Indenture provided, such notice of redemption shall be rescinded and become null and void for all purposes under the Indenture (including the fixing of the initial interest

accrual date with respect to the bonds of this series) upon rescission of the aforesaid written demand or the aforesaid declaration of maturity under the Liquidated Damages Note, and thereupon no redemption of the bonds of this series and no payment in respect thereof as specified in such notice of redemption shall be effected or required.

In case of certain defaults as specified in the Indenture, the principal of this bond may be declared or may become due and payable on the conditions, at the time, in the manner and with the effect provided in the Indenture.

No recourse shall be had for the payment of the principal of or premium, if any, or interest on this bond, or for any claim based hereon, or otherwise in respect hereof or of the Indenture, to or against any incorporator, stockholder, director or officer, past, present or future, as such, of the Company, or of any predecessor or successor company, either directly or through the Company, or such predecessor or successor company, under any constitution or statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability of incorporators, stockholders, directors and officers, as such, being waived and released by the holder and owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Indenture.

This bond is transferable by the registered holder hereof, in person or by attorney duly authorized, at the principal office of the Trustee, in the Borough of Manhattan, The City of New York, but only in the manner prescribed in the Indenture, upon the surrender and cancellation of this bond and the payment of charges for registration of transfer, and upon any such registration of transfer a new registered bond or bonds, without coupons, of the same series and maturity date and for the same aggregate principal amount, in authorized denominations, will be issued to the transferee in exchange herefor. The Company and the Trustee may deem and treat the person in whose name this bond is registered as the absolute owner for the purpose of receiving payment and for all other purposes. Registered bonds of this series shall be exchangeable for registered bonds of other authorized denominations having the same aggregate principal amount, in the manner and upon the conditions prescribed in the Indenture.

However, notwithstanding the provisions of the Indenture, no charge shall be made upon any registration of transfer or exchange of bonds of this series other than for any tax or taxes or other governmental charge required to be paid by the Company.

This bond shall not be valid or become obligatory for any purpose unless and until it shall have been authenticated by the execution by the Trustee or its successor in trust under the Indenture of the certificate endorsed hereon.

IN WITNESS WHEREOF, ALABAMA POWER COMPANY has caused this bond to be executed in its name by its President or one of its Vice Presidents by his signature or a facsimile thereof, and its corporate seal or a facsimile thereof to be hereto affixed and attested by its Secretary or one of its Assistant Secretaries by his signature or a facsimile thereof.

Dated,

Now, THEREFORE, in consideration of the premises, and of the acceptance and purchase by the holders thereof of the bonds issued and to be issued under the Indenture, or the Indenture as supplemented and amended, and of the sum of One Dollar duly paid by the Trustee to the Company, and of other good and valuable considerations, the receipt of which is hereby acknowledged, and for the purposes of securing the due and punctual payment of the principal of and premium, if any, and interest on the bonds now outstanding under the Indenture, or the Indenture as supplemented and amended, and the \$113,300,000 principal amount of bonds of the Second 1986 Series proposed to be initially issued and all other bonds which shall be issued under the Indenture, or the Indenture as supplemented and amended, and for the purpose of securing the faithful performance and observance of all covenants and conditions therein and in any indenture supplemental thereto set forth, the Company has given, granted, bargained, sold, transferred, assigned, hypothecated, pledged, mortgaged, warranted, aliened and conveyed and by these presents does give, grant, bargain, sell, transfer, assign, hypothecate, pledge, mortgage, warrant, alien and convey unto Chemical Bank, as Trustee, as provided in the Indenture, and its successor or successors in the trust thereby and hereby created, and to its or their assigns forever, all the right, title and interest of the Company in and to all improvements and additions to property of the Company subject to the lien of the Indenture made, constructed or otherwise acquired by it and not heretofore described in the Indenture or any supplement thereto and not heretofore released from the lien of the Indenture, and does hereby confirm that the Company will not cause or consent to a partition, either voluntary or through legal proceedings, of property, whether heretofore or hereafter acquired, in which its ownership shall be as a tenant in common except as

TOGETHER WITH all and singular the tenements, hereditaments and appurtenances belonging or in any wise appertaining to the premises, property, franchises and rights, or any thereof, referred to in the foregoing granting clauses, with the reversion and reversions, remainder and remainders and (subject to the provisions of Article X of the Indenture) the tolls, rents, revenues, issues, earnings, income, products and profits thereof, and all the estate, right, title and interest and claim whatsoever, at law as well as in equity, which the Company now has or may hereafter acquire in and to the aforesaid premises, property, franchises and rights and every part and parcel thereof.

TO HAVE AND TO HOLD all said premises, property, franchises and rights hereby conveyed, assigned, pledged or mortgaged, or intended so to be, unto the Trustee, its successor or successors in trust, and their assigns forever.

BUT IN TRUST, NEVERTHELESS, with power of sale, for the equal and proportionate benefit and security of the holders of all bonds and interest coupons now or hereafter issued under the Indenture, as supplemented and amended, pursuant to the provisions thereof, and for the enforcement of the payment of said bonds and coupons when payable and the performance of and compliance with the covenants and conditions of the Indenture, as supplemented and amended, without any preference, distinction or priority as to lien or otherwise of any bond or bonds over others by reason of the difference in time of the actual issue, sale or negotiation thereof or for any other reason whatsoever, except as otherwise expressly provided in the Indenture, as supplemented and amended; and so that each and every bond now or hereafter issued thereunder shall have the same lien, and so that the principal of and premium, if any, and interest on every such bond shall, subject to the terms thereof, be equally and proportionately secured thereby and hereby, as if it had been made, executed, delivered, sold and negotiated simultaneously with the execution and delivery of the Indenture.

AND IT IS EXPRESSLY DECLARED that all bonds issued and secured thereunder and hereunder are to be issued, authenticated and delivered, and all said premises, property, franchises and rights hereby and by the Indenture, as supplemented and amended, conveyed, assigned, pledged or mortgaged, or intended so to be (including all the right, title and interest of

the Company in and to any and all premises, property, franchises and rights of every kind and description, real, personal and mixed, tangible and intangible, acquired by the Company after the execution and delivery of the Indenture and whether or not specifically described in the Indenture or in any indenture supplemental thereto, except any therein expressly excepted), are to be dealt with and disposed of, under, upon and subject to the terms, conditions, stipulations, covenants, agreements, trusts, uses and purposes expressed in the Indenture, as supplemented and amended, and it is hereby agreed as follows:

SECTION 1. There is hereby created a series of bonds designated as hereinbefore set forth (said bonds being sometimes hereinafter referred to as the "Second 1986 Series") and the form thereof shall be substantially as hereinbefore set forth. Bonds of the Second 1986 Series shall mature on the date specified in the form thereof hereinbefore set forth, and the definitive bonds of such series may be issued only as registered bonds without coupons. Bonds of the Second 1986 Series shall be in such denominations as the Board of Directors shall approve, and the execution and delivery to the Trustee for authentication shall be conclusive evidence of such approval. The serial numbers of bonds of the Second 1986 Series shall be such as may be approved by any officer of the Company, the execution thereof by any such officer to be conclusive evidence of such approval.

Bonds of the Second 1986 Series, until the principal thereof shall have become due and payable, shall bear interest only from the initial interest accrual date (hereinbelow defined) at the annual rate specified therein, payable on the date fixed for Demand Redemption pursuant hereto. Bonds of the Second 1986 Series shall be dated the date of authentication.

The principal of and the interest, if any, on the bonds of the Second 1986 Series shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts, at the office or agency of the Company in the Borough of Manhattan, The City of New York, designated for that purpose.

The transfer of bonds of the Second 1986 Series may be registered at the principal office of the Trustee, in the Borough of Manhattan, The City of New York. Bonds of the Second 1986 Series shall be exchangeable for other bonds of the same series, in the manner and upon the conditions prescribed in the Indenture, upon the surrender of such bonds at said principal office of the Trustee. However, notwithstanding the provisions of Section 2.05 of the

Indenture, no charge shall be made upon any registration of transfer or exchange of bonds of said series other than for any tax or taxes or other governmental charge required to be paid by the Company.

Any or all of the bonds of the Second 1986 Series shall be redeemable by the Company, at any time and from time to time, prior to maturity, upon notice given by mailing the same, by first class mail postage prepaid, not less than thirty nor more than forty-five days prior to the date fixed for redemption to each registered holder of a bond to be redeemed (in whole or in part) at the last address of such holder appearing on the registry books, at the principal amount thereof and accrued interest thereon, if any, to the date fixed for redemption, if redeemed by the operation of Section 7.07 of the Indenture, of Section 3 of the Supplemental Indenture dated as of May 1, 1957 or Section 4 of the Supplemental Indenture dated as of October 1, 1981 or of the sinking or improvement fund or maintenance and/or replacement provisions of any other Supplemental Indenture or by the use of proceeds of released property, as defined in the Indenture.

Bonds of the Second 1986 Series shall also be redeemable in whole upon receipt by the Trustee of a written demand for the redemption of the bonds of the Second 1986 Series (hereinafter called "Redemption Demand") from the escrow agent under the Escrow Agreement dated as of August 14, 1986, between the Company, Alabama Municipal Electric Authority ("AMEA") and Central Bank of the South, (the "Escrow Agent") (the "Escrow Agreement") stating that the principal amount of all the Liquidated Damages Note then outstanding has been declared immediately due and payable pursuant to the provisions of Article 7 of that certain Firm Power Purchase Contract between the Company and AMEA dated as of March 29, 1986, specifying the date from which unpaid interest on the Liquidated Damages Note has then accrued, stating that such declaration of maturity has not been rescinded and stating the date of the redemption notice received from AMEA pursuant to the Escrow Agreement. The Trustee shall within 10 days of receiving the Redemption Demand mail a copy thereof to the Company stamped or otherwise marked to indicate the date of receipt by the Trustee. The Company shall fix a redemption date for the redemption so demanded (herein called the "Demand Redemption") and shall mail to the Trustee notice of such date at least 60 days prior thereto. The date fixed for Demand Redemption may be any day not more than 180 days after the date of the redemption notice specified in the Redemption

Demand. If the Trustee does not receive such notice from the Company within 120 days after the date of such redemption notice, the date for Demand Redemption shall be deemed fixed at the 180th day after the date of such redemption notice. The Trustee shall mail notice of the date fixed for Demand Redemption (hereinafter called the "Demand Redemption Notice") to the Escrow Agent not more than 10 nor less than 5 days prior to the date fixed for Demand Redemption, provided, however, that the Trustee shall mail no Demand Redemption Notice (and no Demand Redemption shall be made) if prior to the mailing of the Demand Redemption Notice the Trustee shall have received written notice of rescission of the Redemption Demand or that the declaration of maturity of the Liquidated Damages Note has been rescinded from the Escrow Agent. Demand Redemption of the bonds of the Second 1986 Series shall be at the principal amount thereof, plus accrued interest thereon to the date fixed for redemption and such amount shall become and be due and payable on the date fixed for Demand Redemption as above provided. Upon mailing by the Trustee of the Demand Redemption Notice the date from which unpaid interest on the Liquidated Damages Note has then accrued as specified in the Redemption Demand shall become "the initial interest accrual date" with respect to the bonds of the Second 1986 Series. Anything in this paragraph contained to the contrary notwithstanding, if, after mailing of the Demand Redemption Notice and prior to the date fixed for Demand Redemption, the Trustee shall have been advised in writing by the Escrow Agent that the Redemption Demand has been rescinded or that the declaration of maturity of the Liquidated Damages Note has been rescinded, the Demand Redemption Notice shall thereupon, without further act of the Trustee or the Company, be rescinded and become null and void for all purposes hereunder (including the fixing of the initial interest accrual date as provided in the preceding sentence) and no redemption of the bonds of the Second 1986 Series and no payments in respect thereof as specified in the Demand Redemption Notice shall be effected or required.

SECTION 2. The Company covenants that the provisions of Section 4 of the Supplemental Indenture dated as of October 1, 1981, which are to remain in effect so long as any bonds of the 18½% Series due October 1, 1989 shall be outstanding under the Indenture, shall remain in full force and effect so long as any bonds of the Second 1986 Series shall be outstanding under the Indenture.

SECTION 3. As supplemented by this Supplemental Indenture, the Indenture is in all respects ratified and confirmed, and the Indenture and this Supplemental Indenture shall be read, taken and construed as one and the same instrument.

SECTION 4. Nothing in this Supplemental Indenture contained shall, or shall be construed to, confer upon any person other than a holder of bonds issued under the Indenture, as supplemented and amended, the Company and the Trustee any right or interest to avail himself of any benefit under any provision of the Indenture or of this Supplemental Indenture.

SECTION 5. The Trustee assumes no responsibility for or in respect of the validity or sufficiency of this Supplemental Indenture or the due execution hereof by the Company or for or in respect of the recitals and statements contained herein, all of which recitals and statements are made solely by the Company.

SECTION 6. This Supplemental Indenture may be executed in several counterparts and all such counterparts executed and delivered, each as an original, shall constitute but one and the same instrument.

IN WITNESS WHEREOF, said Alabama Power Company has caused this Supplemental Indenture to be executed in its corporate name by its President or one of its Vice Presidents and its corporate seal to be hereunto affixed and to be attested by its Secretary or one of its Assistant Secretaries, and said Chemical Bank, to evidence its acceptance hereof, has caused this Supplemental Indenture to be executed in its corporate name by one of its Vice Presidents or Trust Officers and its corporate seal to be hereunto affixed and to be attested by one of its Trust Officers, in several counterparts, all as of the day and year first above written.
