

AFFIDAVIT

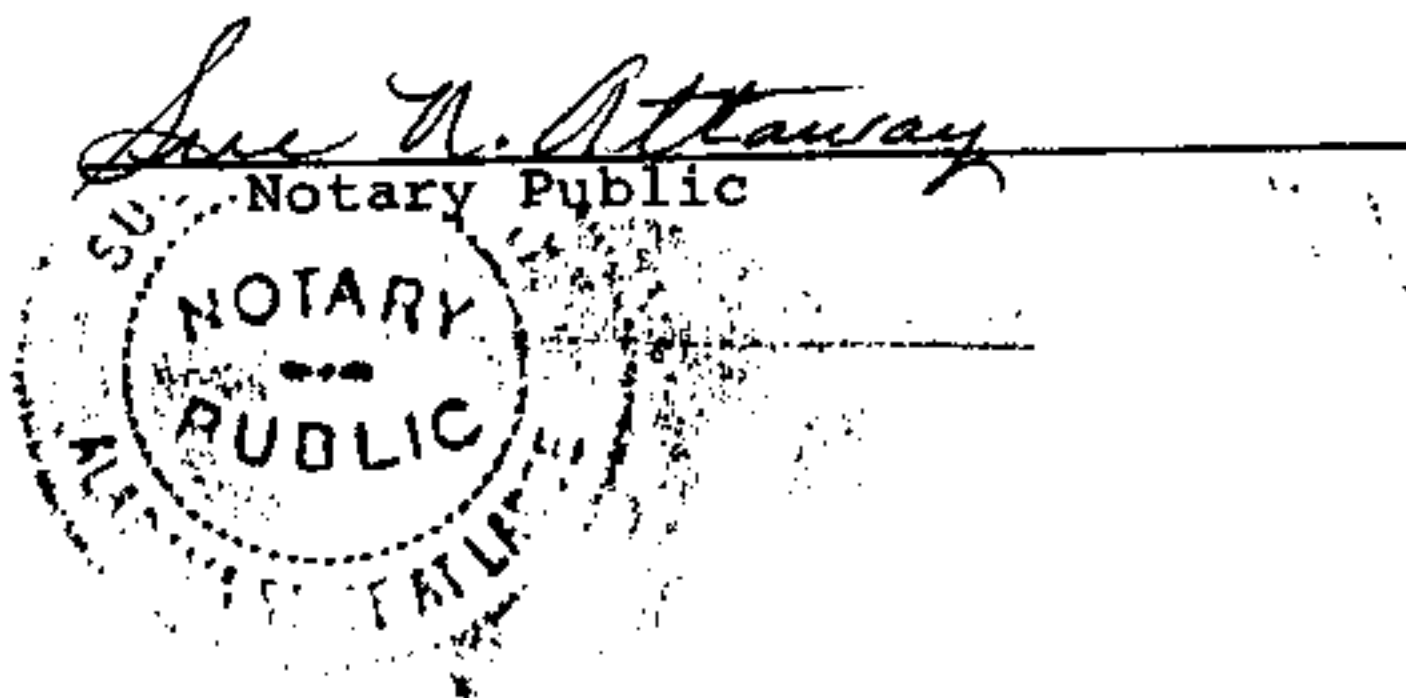

STATE OF ALABAMA
SHELBY COUNTY

Before me, the undersigned authority, a Notary Public in and for said county, in said State, personally appeared the undersigned affiant, who, after being by me first duly sworn to speak the truth, deposes and says as follows:

My name is Thomas A. Snowden, Jr. and I am Judge of Probate of Shelby County, Alabama. This affidavit is made for the purpose of allowing the records in the Probate Office of Shelby County, Alabama to reflect the true time and date of recording of various documents hereinafter identified which show an incorrect filing time and, in some cases, incorrect filing date. The records in question deal only with those recorded in Real Property Book 107, between Page 105 and Page 963. All recordings, in that period of time took place on December 30, 1986 and December 31, 1986. The document which appears at Page 107, page 105 correctly shows that it was recorded on December 30, 1986 at 9:14 A.M. Subsequent to that time and prior to the recording of the next instrument, the marking time clock incorrectly switched to show recordings being made in the P.M. as opposed to A.M. Thus, when the next document was recorded at 9:42 A.M. on December 30, 1986, which is the document recorded in Real Book 107, page 106, said date incorrectly showed it was recorded in the afternoon as opposed to the morning. This error continued through all documents until the error was discovered at the time of the recording of the document recorded in Real Book 107, page 963, which last mentioned document was actually recorded on December 31, 1986 at 3:05 P.M.
