Modifications. In addition to the covenants and agreements made in the Mortgage, Borrower and Alabama Telco Credit Union further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of 9.25 per cent. The Note interest rate may be increased or decreased on the first day of the month beginning on July 1 , 19 87, and on that day of the month every six (6) months thereafter. The amount of my payments may be increased or decreased on the first day of the month beginning on January 1 , 1988, and on that day of the month every twelve (12) months thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the prime rate as announced by SOUTHTRUST BANK of Birmingham, Alabama. The interest rate will not increase above xxxxhteenxx(x13x) per cent per annum.

sixteen (16)

If the interest rate changes, the amount of Borrower's payments will as provided in the Note. Increases in the interest rate may result in higher payments. Decreases in the interest rate may result in lower payments.

B. LOAN CHARGES

It could be that the loan secured by the Mortgage is subject to a law which sets maximum loan charges and that law is interpreted so that interest or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. If this is the case, then: (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Alabama Telco Credit Union may choose to make this refund by reducing the principal owed under the note or by making a direct payment to Borrower.

	By signing this, Borrower agrees to all of the above.
