FOR VALUE RECEIVED, the Assignor hereby grants, transfers, and assigns to the Assignee, its successors and assigns, all of the right, title and interest of the Assignor in and to all Leases, described in Schedule A to this Assignment, including a Master Lease to be entered into by and between Assignor, as Landlord, and Daniel Realty Corporation, an Alabama corporation, as tenant, covering all or part of the property (herein called the "Property") briefly described as a four and one-half story office building located on approximately 7.19 acres of land situated in Shelby County, Alabama and more particularly described in Schedule B attached hereto.

TOGETHER with any modifications, amendments, renewals and extensions of any of the leases, rents and profits from such leases, and any guarantees of the lessee's obligations under any of the leases (such leases, together with all such rents, profits, guarantees, modifications, amendments, renewals and extensions, being hereinafter severally referred to as the "Leases").

FOR THE PURPOSE OF SECURING:

1. Payment of the indebtedness evidenced by an Amended and Restated Promissory Note dated this date in the original aggregate principal amount of \$11,750,000.00 issued by the Assignor in favor of the Assignee (the "Note") secured by an Amended and Restated Indenture of Mortgage and Security Agreement from the Assignor to the Assignee dated this date (the "Mortgage");

2. Payment of all other sums with interest thereon becoming due and payable to the Assignee under the provisions hereof or under the provisions of the Note or the Mortgage; and

3. Performance and fulfillment of each and every term, covenant and condition set forth in the Note, the Mortgage, the Certificate and Agreement as defined in the Mortgage, this Assignment (the "Loan Documents") and the Master Lease, as defined in the Mortgage.

A. THE ASSIGNOR COVENANTS AND AGREES (JOINTLY AND SEVERALLY IF THERE BE MORE THAN ONE ASSIGNOR) WITH RESPECT TO EACH LEASE:

1. Performance of Leases. Assignor (a) shall faithfully abide by, perform and fulfill each and every term, covenant and condition of the Leases to be performed or fulfilled by the lessor; (b) at the sole cost and expense of Assignor, shall enforce or secure the performance of each and every material term, covenant and condition of the Leases to be performed or fulfilled by the lessee; (c) shall not materially modify, extend or in any way alter any term, covenant or condition of the Leases other than in the ordinary course of business; (d) shall not anticipate for more than one (1) month in advance the rents under the Leases or waive, excuse, condone or in any manner release or discharge the lessee thereunder of or from the terms, covenants or conditions by such lessee to be performed or fulfilled, including the obligation to pay the rental called for thereunder in the manner and at the place and time specified therein.

2. Defense of Actions. Assignor, at Assignor's sole cost and expense, shall appear in and defend any action or proceeding arising under, growing out of or in any manner connected with the Leases or the obligations, duties or liabilities of lessor, any lessee and any guarantor under the Leases or under any guaranty and, upon Assignor's failure to take such action within any applicable cure period set forth in Section 7.1 of the Mortgage, then Assignee may make or do such acts in such a manner and to such an extent as Assignee may deem necessary and Assignor shall pay all reasonable costs and expenses of the Assignee, including attorney's fees in a reasonable sum, in any action or proceeding in which the Assignee may appear.

3. Protection of Security. Should the Assignor fail to make any payment or to do any act as herein provided, then the Assignee, at Assignee's option and upon Assignor's failure to make such payment or perform such act within the cure period set forth in Section 7.1 of the Mortgage, and without releasing

BOOK 148 PAGE 758

Assignor from any obligation hereof, the Assignee may make or do such act in such manner and to such extent as the Assignee may deem necessary to protect the security hereof, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof or the rights, privileges or powers of the Assignee, and also the right to perform and discharge each and every term, covenant and condition of Assignor set forth in the Leases; and in exercising any such powers to pay reasonable costs and expenses, including attorney's fees.

4. Payment of Expenses. The Assignor shall pay immediately upon demand all sums expended by the Assignee under the authority hereof after the occurrence of an Event of Default (as defined in the Mortgage), together with interest thereon at the default rate as set forth in the Note.

B. THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. Assignor Collection of Rents. So long as there shall exist no Event of Default (as defined in the Mortgage), Assignor shall have the right to collect upon, but not prior to accrual, all rents, issues and profits from the Property and to retain, use and enjoy such rents, issues and profits, and to perform any other acts of lessor under the leases.

2. Rights of Assignee to Property. Upon or at any time after the occurrence of an Event of Default as defined in Section 7.1 of the Mortgage and the expiration of any applicable cure period set forth therein, the Assignee may (a) declare all sums secured hereby immediately due and payable, and may, at its option, without any further notice, and without any further regard to the adequacy of security for the indebtedness hereby secured, either in person or by agent with or without bringing any action or proceeding, or by a receiver to be appointed by a court, enter upon, take possession of, manage and operate the Property or any part thereof; (b) make and enter into new Leases or, subject to the terms and conditions of any of the existing Leases cancel, enforce or modify such Leases; (c) subject to the terms and conditions of the Leases obtain and evict tenants, and fix or modify rents; and (d) do any acts which the Assignee deems reasonably proper to protect the security hereof, and either with or without taking possession of the Property, in its own name sue for or otherwise collect and receive such rents, issues and profits, including those past due and unpaid, and apply such rents, less costs and expenses of operation and collection, including just and reasonable compensation for all its employees and other agents (including, without limitation, reasonable attorney's fees and management and rental commissions), upon any

BOOK 148 PAGE 759

indebtedness secured hereby, and in such order as the Assignee may determine. The entering upon and taking possession of the Property, the collection of such rents, issues and profits and the application thereof as stated, shall not cure or waive any Event of Default, or waive, modify or effect notice of an Event of Default under the Mortgage, or invalidate any act done pursuant to such notice, and the Assignee may continue to so possess and collect even after any such Event of Default has been cured. Assignee may exercise its right and event of privileges under this Assignment as often as any Event of Default shall occur under the Loan Documents or the Master Lease.

The Assignee is not obligated to maintain or repair the Property but it is entitled to do so to the extent it believes necessary or appropriate, in its reasonable discretion. Such maintenance or repair shall include, without limitation, the purchase of machinery, equipment and other personal property reasonably necessary for the operation, maintenance, repair, management and leasing of the Property and the costs thereof including all taxes imposed thereon or therefor shall be part of the costs and expenses of operation.

BOOK 148 PAGE 760
The Assignee may act upon any notice, request, consent, demand, statement, note or other paper or document believed by it to be genuine and to have been signed by the party or parties purporting to sign the same. The Assignee shall not be liable for any error of judgment, or for any act done or step taken or omitted, or for any mistake of law or fact, or for anything which it may do or refrain from doing in good faith. Assignee shall not have any accountability hereunder except for its own willful misconduct. The entering upon and taking possession of the Property, the collection of such rents, issues and profits and the application thereof and other acts under this Assignment, shall not cure or waive any Event of Default or waive, modify or affect any notice of an Event of Default under the Mortgage or invalidate any act done pursuant to such notice.

Any default by Assignor in the performance of any term, covenant or condition herein contained and not cured within any applicable cure period provided in the Mortgage or the Notes which it secures shall constitute and be deemed to be an Event of Default under the terms of the Mortgage entitling the Assignee to every and all rights, privileges and remedies set forth therein.

3. Indemnity. The Assignee shall not be obligated to perform or fulfill, nor does it hereby undertake to perform or fulfill, any term, condition or covenant under the Leases, or

under or by reason of this Assignment. Assignor hereby agrees to indemnify and to hold the Assignee harmless (a) of and from any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment and (b) of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertaking on its part to perform or discharge any of the terms, covenants or conditions contained in the Leases; provided, however, that the foregoing indemnification shall not extend to acts or omissions of Assignee involving gross negligence or wilful misconduct. Should the Assignee incur any such liability, loss or damage under the Leases or under or by reason of this Assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorney's fees, shall be secured hereby, and the Assignor shall reimburse the Assignee immediately upon demand, with interest at the default rate as set forth in the Notes. Upon the failure of Assignor to so reimburse, the Assignee may declare all sums secured hereby immediately due and payable.

4. Rental and Subsequent Agreements. Until the indebtedness secured hereby shall have been paid in full and the Mortgage released of record, Assignor shall use its best efforts to lease all available space at the Property at a good and sufficient rental and shall assign to the Assignee all subsequent leases upon all or any part of the Property upon the same or substantially the same terms and conditions as are set forth in the Assignment. Assignor shall make, execute and deliver to the Assignee, upon demand, any and all instruments that may be reasonably necessary therefor.

5. Termination. Upon the payment in full of all indebtedness secured hereby and the release of record of the Mortgage, this Assignment shall become and be void and of no effect. The affidavit of the Assignee or any officer of the Assignee showing any part of such indebtedness to remain unpaid shall be and constitute conclusive evidence of the validity, effectiveness and continuing force of this Assignment. Any person may and is hereby authorized to rely on such affidavit.

6. Warranty. Assignor covenants, warrants and represents that as of the date hereof (a) no rent or other payments under the Leases have been made by the lessees thereunder for more than one (1) month in advance.; (b) to the best of its knowledge, it has not breached any term, covenant or condition of the Leases; and (c) no lessee under the Leases has a right of counterclaim or set-off under the Leases.

7. Notice. Any notice or demand upon Assignor which may be given or made hereunder or with reference to this Assignment shall be a sufficient notice or demand if deposited in any United States Government mail receptacle enclosed in a postpaid envelope, certified or registered mail, return receipt requested, addressed to Assignor, at its address above or at such address as may be designated by Assignor to Assignee from time to time in writing. Mailed notices shall be considered to have been given upon the earlier of receipt or five days following the time they are deposited. In any event, any notice or demand upon Assignor, in fact received, shall be sufficient notice or demand.

8. Miscellaneous. The rights, powers, privileges and discretions specifically granted to the Assignee are not in limitation of but in addition to those to which the Assignee is entitled under any present or future general or local law relating to such assignments in the State of Alabama. The rights, powers, privileges and discretions (hereinafter collectively called the "rights") to which the Assignee may be entitled shall inure to the benefit of its successors and assigns. All the rights of the Assignee are cumulative and not alternative and may be enforced successively or concurrently. Failure of the Assignee to exercise any of its rights shall not impair any of its rights nor be deemed a waiver of such rights. No waiver of any of its rights shall be deemed to apply to any other such rights. No waiver by the Assignee shall be effective unless in writing and signed by the Assignee.

148 PAGE 762
The terms and conditions agreed to by Assignor and the covenants of Assignor shall be binding upon the successors and permitted assigns of Assignor. The consent of Assignee to an assignment shall not be consent to any further assignment, each of which must be specifically obtained in writing.

BOOK The following paragraph shall only be applicable after the Assignment Date (as defined in the Mortgage):

No recourse shall be had for the payment of the principal of or interest or premium, if any, on the Notes, or the performance of any term, condition or other covenant set forth in the Loan Documents against (i) the Assignor or any partner of the Assignor or any incorporator or any past, present or future subscriber to the capital stock, stockholder, officer or director of any corporate partner thereof, together with any predecessor or successor corporation; (ii) any legal representative, heir, estate, successor or assign of any thereof; or (iii) any corporation (or any officer, director or shareholder thereof), partnership (or any partner thereof), individual or entity to which the Mortgaged Estate (as defined

in the Mortgage) or any part thereof shall have been transferred (or any legal representative, heir, estate, successor or assignee of any thereof); in each case, for any deficiency or any other sum owing on, arising under or with respect to the Notes or the Loan Documents. The foregoing provisions of this paragraph shall not prevent recourse to the Mortgaged Estate or constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by the Loan Documents but the Notes shall continue until paid or discharged, and provided, further, that the foregoing provisions of this paragraph shall not limit the right of any person to name the Assignor or any transferee of any interest in the Mortgaged Estate as a party defendant in any action or suit for a judicial foreclosure of or in the exercise of any other remedy under the Notes or the Loan Documents, so long as no judgment in the nature of a deficiency or personal money judgment or seeking personal liability shall be asked for or (if obtained) enforced against the Assignor, or against such transferee. The immunity from liability set forth in this paragraph does not affect or mitigate the obligation of Daniel Realty Corporation, an Alabama corporation, as tenant under the Master Lease (as defined in the Mortgage).

Prior to the Assignment Date the Assignor shall be liable in the manner and to the extent specified in Article I of the Note.

Any terms used in this Assignment and not defined herein shall have the meanings indicated in Article 1 of the Mortgage.
