I, Clemmie Lee Davis, a resident of Shelby County, Alabama, have been familiar with the following described property for 30 years:

Lots 1 thru 8 and Lots 25 thru 32, Block 44, according to DUNSTAN'S Map of the Town of Calera, Alabama.

W. H. Crawford purchased this property on or about 1939. He and Maggie Pearl Crawford have been in actual continuous adverse and open possession of caption lands since that time. I know of no person, corporation or other parties which claim an interest thereto.

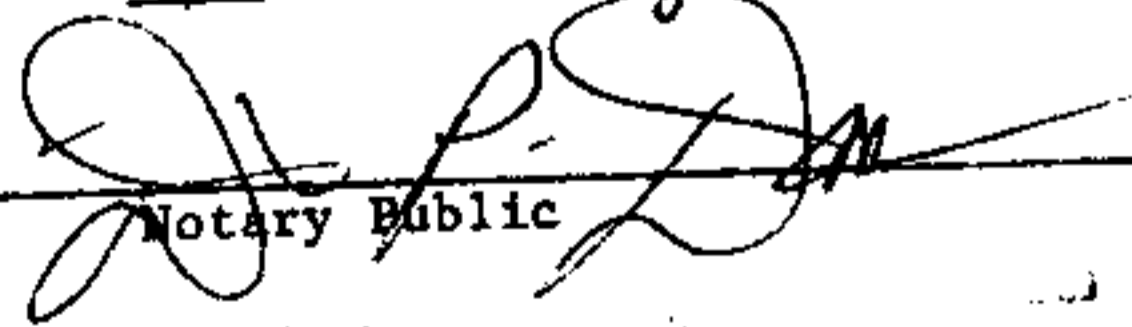

Caption lands do not comprise any of the property to which W. H. Crawford referred in his Will as being "the home in which we now live and the garage in which I now occupy". As of W. H. Crawford's date of death, caption lands were not within the above-referenced property. To the best of my knowledge, no one has challenged Maggie Pearl Crawford's ownership or possession of caption lands since she received the property under the Will of W. H. Crawford.

I am specifically aware that the Church of God of Prophecy is not located on caption lands; nor do they claim any of caption lands.
