limited to the free right of ingress and egress over said right-of-way and real estate and over any property which is owned by the Grantor and is adjacent to said real estate, together with the right, from time to time, in connection with the enjoyment of the privileges herein conveyed, to cut and keep clear all trees, brush, undergrowth and other obstructions, whether located upon or near said right-of-way, to the extent necessary to permit the full enjoyment of the rights and privileges herein conveyed, and the protection of the Pipelines. The Grantee's rights of ingress and egress over the real estate and property which is owned by the Grantor and is adjacent to said right-of-way shall be limited to those times when the Grantee requires access to and from the right-of-way for the purposes of laying, constructing, installing, maintaining, operating, renewing, repairing, changing the size of, relocating, removing and/or replacing the Pipelines within such right-of-way and such appurtenances, appliances, fixtures and equipment, whether above or beneath the surface of the ground, which the Grantee deems to be necessary or useful in connection with the Pipelines.

The rights and privileges herein conveyed are given granted and accepted upon the following conditions and subject to the following stipulations:

1. The Grantor hereby covenants with the Grantee that the Grantor is lawfully seized in fee simple of said premises, that they are free from all encumbrances and that it has a good right to grant to the Grantee the right-of-way granted hereby and that it will warrant against all claims, liens and encumbrances, except the lien for current real estate ad valorem taxes which are not delinquent, and any other liens or encumbrances which are approved in writing by the Grantee.

2. The Grantor reserves the right to use said real estate for any purpose and in a manner which will not unreasonably endanger or interfere with the

Pipelines or the use or enjoyment of the rights and estates granted to the Grantee by this instrument. The Grantor further agrees not to construct, cause to be constructed, or permit to be constructed, on said right-of-way any lake or pond or any building or structure of any kind which would prevent ready access to the Pipelines for any of the purposes hereinabove set forth, except that the Grantor may erect a fence, provided that such fence has a gate and that the Grantee shall be given a key to the lock if the gate is locked.

3. The Grantee agrees that the water pipeline or pipelines placed within said right-of-way shall be buried so that the top thereof shall be not less than thirty inches (30") below the surface of the ground, and further agrees that following the construction, repair, relocation or removal of any such pipeline, Grantee will cause the surface of the ground to be restored as nearly as practicable to its former condition.

4. The Grantee shall have the right to lease, sell, assign, transfer and/or convey to others, in whole or in part, and to encumber, in whole or in part, the right-of-way, easement, estate, interests, rights and privileges granted to it by this instrument.

5. No delay of the Grantee in establishing the location of the right-of-way hereby conveyed, or in the use of any other right or easement hereby granted or in laying or installing the Pipelines in or along said right-of-way shall result in the loss, limitation or abandonment of any right, title, interest, easement or estate granted hereby.

6. This instrument states the entire agreement between the Grantor and the Grantee and merges in this instrument all statements, representations and covenants heretofore made and any agreements not included in this instrument are void and of no force and effect. This instrument may be modified only by a written instrument signed by the Grantor and Grantee.
