Honorable Thomas A. Snowden
Judge of Probate-Shelby County
P. O. Box 825
Columbiana, AL 35051

Dear Judge Snowden:

The State of Alabama will not henceforth provide individual bonds for those who are commissioned Notaries Public. There is attached a blanket bond which covers all state employees who are required by law to be bonded in an amount set by the Code of Alabama. This should be efficient to comply with Sections 36-20-3 and 36-20-31 of the 1975 Code of Alabama.

The bond in question will protect all notaries who function within the line and scope of their employment. Those employees who desire to function beyond this limitation must provide an individual bond at their own expense.

All other provisions of Sections 36-20-1 et seq. must be followed.

Very truly yours,

G. Robin Swift, Jr.
