All replacements of or additions to the property described in paragraphs (B) through (F) and paragraph (H) of this section. BORROWER'S RIGHT TO MORTGAGE THE PROPERTY AND BORROWER'S OBLIGATION TO DEFEND OWNERSHIP OF THE PROPERTY

I promise that except for the "exceptions" listed in the description of the Property: (A) I lawfully own the Property; (B) I have the right to mortgage, grant and convey the Property to Lender; and (C) there are no outstanding claims or charges against the Property. I give a general warranty of title to Lender. This means that I will be fully responsible for any losses which Lender suffers because someone other than myself has some of the rights in the Property which I promise that I have. I promise that I will defend my ownership of the Property against any claims of such rights.

I promise and I agree with Lender as follows:

BORROWER'S PROMISE TO PAY PRINCIPAL AND INTEREST UNDER THE NOTE AND TO FULFILL OTHER PAYMENT OBLIGATIONS I will promptly pay to Lender when due: principal and interest under the Note; late charges and prepayment charges as stated in the Note; principal and interest on Future Advances that I may receive under Paragraph 7 below; any amounts expended by Lender under this Mortgage; and all Other Debts.

LENDER'S APPLICATION OF BORROWER'S PAYMENTS

Unless the law requires otherwise, Lender will apply each of my payments under the Note and under Paragraph 1 above in the following order and for the following purposes:

(A) First to pay interest then due under the Note; and

(8) Next, to late charges, if any; and

(C) Next, to lenders costs and expenses, if any; and

(D) Next, to pay principal then due under the Note.

BORROWER'S OBLIGATION TO PAY CHARGES AND ASSESSMENTS AND TO SATISFY CLAIMS AGAINST THE PROPERTY

I will pay all taxes, assessments, and any other charges and fines that may be imposed on the Property and that may be superior to this Mortgage. I will also make payments due under my lease if I am a tenant on the Property and I will pay ground rents (If any) due on the Property. I will do this by making payments, when they are due, directly to the persons entitled to them. (In this Mortgage, the word "person" means any person, organization, governmental authority, or other party.) Upon request, I will give Lender a receipt which shows that I have made these payments.

Any claim, demand or charge that is made against property because an obligation has not been fulfilled is known as a "lien." I will promptly pay or satisfy all liens against the Property that may be superior to this Mortgage. However, this Mortgage does not require me to satisfy a superior lien if: (A) I agree, in writing, to pay the obligation which gave rise to the superior lien and Lender approves the way in which I agree to pay that obligation; or (B) I, in good faith, argue or defend against the superior lien in a lawsuit so that, during the lawsuit, the superior lien may not be enforced and no part of the Property must be given up.

Condominimum Assessments

If the Property includes a unit in a Condominium Project, I will promptly pay when they are due, all assessments imposed by the owners association or other organization that governs the Condominium Project. That association or organization will be called the "Owners Association."

BORROWER'S OBLIGATION TO OBTAIN AND TO KEEP HAZARD INSURANCE ON THE PROPERTY

(A) Generally

Project. 💸

98

A Contraction of the

I will obtain hazard insurance to cover all buildings and other improvements that now are or in the future will be located on the Property. The insurance must cover loss or damage caused by fire, hazards normally covered by "extended coverage" hazard insurance policies, and other hazards for which Lender requires coverage. The insurance must be in the amounts and for the periods of time required by Lender. Lender may not require me to obtain an amount of coverage that is more than the value of all buildings and other improvements on the Property.

I may choose the insurance company, but my choice is subject to Lender's approval. Lender may not refuse to approve my choice unless the refusal is reasonable. All of the insurance policies and renewals of those policies must include what is known as a "standard mortgage clause" to protect Lender. The form of all policies and the form of all renewals must be acceptable to Lender.

Lender will have the right to hold the policies and renewals. I will pay the premiums on the insurance policies by paying the insurance company directly when the premium payments are due. If Lender requires, I will promptly give Lender all receipts of paid premiums and all renewal notices that I receive.

If there is a loss or damage to the Property, I will promptly notify the Insurance company and Lender. If I do not promptly prove to the insurance company that the loss or damage occurred, then Lender may do so.

The amount paid by the insurance company is called "proceeds." The proceeds will be used to reduce the amount that I owe to Lender under the Note and this Mortgage, unless Lender and I have agreed to use the proceeds for repairs, restoration or otherwise.

The Lender has the authority to settle any claim for insurance benefits and to collect the proceeds. Lender then may use the proceeds to reduce the amount that I owe to Lender under the Note and under this Mortgage or to repair or restore the Property as Lender

if any proceeds are used to reduce the amount of principal which. I owe to Lender under the Note, that use will not delay the due date or change the amount of any of my monthly payments under the Note and this Mortgage. However, Lender and I may agree in writing to those delays or changes.

If Lender acquires the Property by purchase at foreclosure sale, all of my rights in the insurance policies will belong to Lender. Also, all of my rights in any proceeds which are paid because of damage that occurred before the Property is acquired by Lender will belong to Lender. However, Lender's rights in those proceeds will not be greater than the amount that I owe to Lender under the Note and under this Mortgage.

(B) Agreements that Apply to Condominiums

- (i) If the Property includes a unit in a Condominium Project, the Owners Association may maintain a hazard insurance policy which covers the entire Condominium Project. That policy will be called the "master policy." So long as the master policy remains in effect and meets the requirements stated in this Paragraph 4: (a) my obligation to obtain and to keep hazard insurance on the Property Is satisfied; and (b) if there is a conflict, concerning the use of proceeds, between (1) the terms of this Paragraph 4, and (2) the law or the terms of the declaration, by-laws, regulations or other documents creating or governing the Condominium Project, then that law or the terms of those documents will govern the use of proceeds. I will promptly give Lender notice if the master policy is interrupted or terminated. During any time that the master policy is not in effect, the terms of (a) and (b) of this subparagraph 4(B) (i)
- (ii) If the Property includes a unit in a Condominium Project, it is possible that proceeds will be paid to me instead of being used to repair or to restore the Property. I give Lender my rights to those proceeds. All of the proceeds described in this subparagraph 4(B) (ii) will be paid to Lender and will be used to reduce the amount that I owe to Lender under the Note and under this Mortgage. If any of those proceeds remain after the amount that I owe to Lender has been paid in full, the remaining proceeds will be paid to me. The use of proceeds to reduce the amount that I owe to Lender will not be a prepayment that is subject to the prepayment charge provisions, if any, under the Note.

BORROWER'S OBLIGATION TO MAINTAIN THE PROPERTY AND TO FULFILL OBLIGATIONS IN LEASE, AND AGREEMENTS ABOUT CONDOMINIUMS

(A) Agreements about Maintaining the Property and Keeping Promises in Lease I will keep the Property in good repair. I will not destroy or substantially change the Property, and I will not allow the Property to deteriorate. If I do not own but am a tenant on the Property, I will fulfill my obligations under my lease.

(B) Agreements that Apply to Condominiums If the Property is a unit in a Condominium Project, I will fulfill any of my obligations under the declaration, by-laws, regulations and other documents that create or govern the Condominium Project. Also, I will not divide the Property into smaller parts that may be owned separately (known as "partition or subdivision"). I will not consent to certain actions unless I have first given Lender notice

and obtained Lender's consent in writing. Those actions are: (a) The abandonment or termination of the Condominium Project unless the abandonment or termination is required by law;

(b) Any significant change to the declaration, by-laws or regulations of the Owners Association, trust agreement, articles of Incorporation, or other documents that create or govern the Condominium Project, Including, for example, a change in the percentage of

ownership rights held by unit owners in the Condominium Project; and (c) A designation to the Condominium (c) A designation to the Condominium

THIS INSTRUMENT PREPARED BY: (Name) _____ Rodney S. McCraw, Loan Processor 1789 Montgomery HWY, Birmingham, AL <u>35244</u> (Address) ___ **ADJUSTABLE RATE** STATE OF ALABAMA MORTGAGE AMENDMENT COUNTY OF Shelby NOTICE: THE MORTGAGE AND THIS AMENDMENT SECURE AN ADJUSTABLE RATE NOTE WHICH CONTAINS PRO-VISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE MAY RESULT IN HIGHER PAYMENTS OR A LARGER FINAL PAYMENT. DECREASES IN THE INTEREST RATE MAY RESULT IN LOWER PAYMENTS, A SMALLER FINAL PAYMENT, OR AN ADJUSTMENT OF THE MATURITY DATE. ____ (the "Lender"): (X) to which this May 18, 1988 , which I gave to Central Bank of the South Amendment is attached. () which is recorded in the office of the Judge of Probate of ____Shelby_ bama, in Real ______ Page ______. This Amendment covers the Property described in the Mortgage. The word "Note" used in the Mortgage and this Amendment shall include an "Adjustable Rate Note." An Adjustable Rate Note is a note containing provisions allowing Lender to change the interest rate and the monthly payment amounts, and to increase the amount of principal to be repaid as a result of changes in an interest rate index. ADJUSTABLE RATE MORTGAGE AMENDMENT In addition to the promises and agreements I make in the Mortgage, I promise and agree with Lender as follows: (A) Interest Rate Adjustments The Note provides for an adjustable interest rate which will be increased or decreased on the Interest Adjustment Dates as interest rate will correspond directly to changes in the Index Rate and, if applicable, to the graduated interest scale described below. There are no limitations on changes in the interest rate, except that the interest rate may be subject to a ceiling or floor rate. The Index Rate is the auction rate for United States Treasury Bills with maturities of 26 weeks, as established at the most recent auction immediately prior to the date of the Note and each subsequent Interest Adjustment Date. The beginning Index Rate in the Note is __6.50 __ percent. GRADUATED INTEREST SCALE (check if applicable) The Note provides for a graduated interest scale whereby the number of percentage points added to the index Rate is increased at established intervals. The interest rate payable under the Note during the first year is _____ percentage points above the Index Rate; during the second year is _____ percentage points above the Index Rate; and in the third and subsequent years is _____ percentage points above the Index Rate. (B) Monthly Payment Adjustments If the rate of interest changes, the amount of my payment will change as provided in the Note. Any increase in my monthly payment amount will be limited to ten percent (10%) of the previously scheduled payment amount. The limitation on Increases in my monthly payment amount does not apply at the time of the final payment adjustment, or if the balance due under the Note exceeds 115% of the original principal sum as set out in the Note. My monthly payment amount will decrease if the interest rate applicable to the Note decreases. However, my monthly payment amount will never decrease below the beginning monthly payment as set out in the Note. (C) Increases in Principal Balance; Future Advances The Note provides that the principal amount I owe Lender may increase from time to time. In the event that I make a pay-Oment that is insufficient to pay all interest which has been earned since my last payment, Lender will advance an amount equal to the interest earned by Lender but unpaid after application of my payment. The amount advanced by Lender will be added to the principal of the Note and I will pay interest at the Note rate on the amount advanced. The total principal amount secured by the Mortgage will not exceed 115% of the original principal sum as set out in the Note, plus any advances made under the Mortgage. 歪(D) Loan Charges In the event a law which applies to the Note secured by the Mortgage and which sets maximum loan charges is interpreted so that the interest or other loan charges collected or to be collected in connection with the Note would exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. (E) Monthly Payments for Taxes and insurance Under paragraphs 3 and 4 of the Mortgage, Borrower is required to pay all taxes, assessments and hazard insurance premiums and upon request of Lender furnish receipts for such payments. As an alternative to the payment of such amounts directly by Borrower, Lender may at its option require Borrower at any time to make monthly payments to Lender for taxes and insurance. (1) BORROWER'S OBLIGATION TO MAKE MONTHLY PAYMENTS TO LENDER FOR TAXES AND INSURANCE I will pay to Lender all amounts necessary to pay for taxes, assessments, ground rents (if any), and hazard insurance on the Property and mortgage insurance (if any). I will pay those amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless the law requires otherwise. I will make those payments on the same day that my monthly payments are due un-

The amount of each of my payments under this Paragraph E will be the sum of the following:

(iii) One-twelfth of the estimated yearly premium for mortgage insurance (if any).

(ii) One-twelfth of the estimated yearly premium for hazard insurance covering the Property; plus

(i) One-twelfth of the estimated yearly taxes, assessments and ground rents (if any) on the Property which under the law may

99/32-233

be superior to this Mortgage; plus

der the Note.

Lender will determine from time to time my estimated yearly taxes, assessments, ground rents and insurance premiums based upon existing assessments and bills, and reasonable estimates of future assessments and bills. (Taxes, assessments, ground rents and insurance premiums will be called "taxes and insurance.") The amounts that I pay to Lender for taxes and insurance under this Paragraph E will be called the "Funds."

If, when payments of taxes and insurance are due, Lender has not received enough Funds from me to make those payments, I will pay to Lender whatever additional amount is necessary to pay the taxes and insurance in full. I must pay that additional amount in one or more payments as Lender may require.

(2) LENDER'S OBLIGATIONS CONCERNING BORROWER'S MONTHLY PAYMENTS FOR TAXES AND INSURANCE

Lender will keep the Funds in a savings or banking institution. If Lender is such an institution then Lender may hold the Funds. Except as described in this Paragraph E. Lender will use the Funds to pay taxes and insurance. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds on deposit, for using the Funds to pay taxes and insurance, for analyzing my payments of Funds, or for receiving, verifying and totalling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest on the Funds unless Lender agrees in writing to pay interest on the Funds.

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay under this Paragraph E will be too large. If this happens at a time when I am keeping all of my promises and agreements made in the Mortgage, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future monthly payments of Funds. There will be excess amounts if, at any time, the sum of (a) the amount of Funds which Lender is holding or keeping on deposit, plus (b) the amount of the monthly payments of Funds which I still must pay between that time and the due dates of taxes and insurance, is greater than the amount necessary to pay the taxes and insurance when they are due.

When I have paid all of the amounts due under the Note and under the Mortgage, Lender will promptly refund to me any Funds that are then being held or kept on deposit by Lender. If, under the provisions of the Mortgage, either Lender acquires the Property or the Property is sold, then immediately before the acquisition or sale, Lender will use any Funds which Lender is holding or has on deposit at that time to reduce the amount that I owe to Lender under the Note and under the Mortgage.

(F) Conflict in Loan Documents

In the event of conflict between any of the terms of the Mortgage and this Amendment, the terms of this Amendment shall apply. In the event of conflict between any of the terms of this Amendment and the Note, the terms of the Note shall apply.
