This Mortgage is Made, however, subject to the following covenants, conditions, and agreements, that is to say:

- 2. Together with and in addition to the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee, on the first day of each month until said note is fully paid, the following sums:
- (a) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee) less all sums already paid therefore divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments; and
- (b) all payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:
- (I) ground rents, taxes, special assessments, fire and other hazard insurance premiums;
 - (II) interest on the note secured hereby;
 - (III) amortization of the principal of said note; and
 - (IV) late charge

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgage may collect a "late charge" not to exceed four cents (4c) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. If the total of the payments made by the Mortgagor under (a) of paragraph 2 preceding shall exceed the amount of the payments actually made by the Mortgagee for ground rents. taxes, assessments and insurance premiums, as the case may be, such excess, if the loan is current, at the option of the Mortgagor, shall be credited on the subsequent payments to be made. by the Mortgagor, or refunded to the Mortgagor. If, however, the monthly payments made by the Mortgagor under (a) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes, assessments, and insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor will pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any balance remaining in the funds accumulated under the provisions of (a) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered. horeby or if the Mortgagee acquired the property otherwise after

- 4. If the Mortgagee shall be made party to any suit involving the title to the property hereby conveyed and employs an attorney to represent it therein, or if the Mortgagee employs an attorney to assist in settling or removing any cloud on the title to the property hereby conveyed that purports to be superior to the lien of this mortgage in any respect, the Mortgagor will pay to the Mortgagee, when the same becomes due, such attorney's fee as may be reasonable for such services, and if such fee is paid or incurred by the Mortgagee the same shall be secured by the hen of this mortgage in addition to the indebtedness specially secured hereby and shall bear interest from the date it is paid or incurred and shall be at once due and payable.
- 5. - 6. The Mortgagor agrees to pay all taxes and assessments that may be assessed upon said property and all taxes except income taxes that may be assessed upon the Mortgagee's interest thereon or upon this mortgage or the moneys secured hereby, any law to the contrary notwithstanding. Upon any violation of this undertaking, or the passage of any law imposing upon the Mortgagee the payment of any part of the taxes aforesaid, or upon the rendition by any court of last resort of a decision that the undertaking to pay the taxes as aforesaid is legally inoperative, then, in any such event, the debt hereby secured shall at the Mortgagee's option, become immediately due and payable, without deduction, any law heretofore or hereafter enacted to the contrary notwithstanding.
- 7. That the Mortgagor will keep the improvements now existing or hereafter erected on the mortgaged property, insured as may be required from time to time by the Mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Mortgages and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made bereinbefore. All insurance shall be carried in companies approvi ed by the Mortgagee and the policies and renewals thereof shall. be held by the Mortgagee and have attached thereto loss payable. clauses in favor of and in form acceptable to the Mortgagee. - 9. - 10. As long as any of the indebtedness hereby secured shall remain unpaid the Mortgagor will neither commit nor permit waste. on the premises hereby conveyed; and upon the commission of any waste thereon the Mortgagee may, at its option, declare the entire indebtedness hereby secured to be at once due and payable. Nor will the Mortgagor remove any of the fixtures on the premises hereby conveyed so long as any of the indebtedness. hereby secured shall remain unpaid.
- If the Mortgagor shall make default in the payment of any of the indebtedness hereby secured, or in the performance of any of the terms or conditions hereby, all the rents, income, and profits from the premises are hereby transferred, assigned, set over, and conveyed to the Mortgagee, and the Mortgagee may proceed to collect the rent, income, and profits from the premises upon such default, either with or without the appointment of a receiver; but the Mortgagee shall not hereby become bound by the terms of any lease then existing on the premises by electing to collect the rants thereunder, but may at any time terminate the same. Any rents, income, and profits collected by the Mortgagee prior to foreclosure of this indebtedness, less the cost of collecting the same, including any real estate commission or attorney's fee incurred, shall be credited first, on the advances with interest thereon, then upon the interest, and the remainder, if any, upon the principal debt hereby secured.
- 12. That if the premises, or any part thereof, be condemned under any power of eminent domain, or acquired for a public use, the demages, proceeds, and the consideration for such acquisition, to the extent of the full amount of indebtedness upon this mortgage, and the note secured hereby remaining unpaid, are hereby assigned by the Mortgagor to the Mortgagee and shall be paid forthwith to the Mortgagee to be applied by it on account of the indebtedness secured hereby, whether due or not.
- 13. Notwithstanding the foregoing, this option may not be exercised by the Mortgagee when the ineligibility for insurance under the National Housing Act is due to the beneficiary's failure to remit the mortgage insurance premium to the Department of Housing and Urban Development.
- 17. Adjustable Rate Rider

This Adjustable Rate Rider is made this <u>12th</u> day of <u>October</u>		88
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust ("Mortgage"), of even date herewith, given by the undersigned ("Mortgagor") to secure Mortgagor's A	or Security Vajustable	Deed
Rate Note ("Note"), of even date herewith, to Norwest Mortgage, Inc.		
("Mortgagee"), covering the premises described in the Mortgage and located at 1214 Southwind Drive, Helena, AL 35080	··	_

Notwithstanding anything to the contrary set forth in the Mortgage, Mortgagor and Mortgagee hereby agree to the following:

- 1. Under the Note, the initial stated interest rate of Nine & one-half per centum per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, as that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
- 3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on the United States Treasury Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H. 15 (519)). As of each Closing Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:
 - (a) The amount of the Index will be determined, using the most recently available figure, 30 (thirty) days before the Change Date ("Current Index").
 - (b) Two and no/100 percentage points (the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest 0.125 (one-eighth of one) percentage point. The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
 - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
 - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the Interest rate will not change.
 - (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to 1.00 (one) percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of 5.00 (five) percentage points, in either direction from the Initial Interest Rate, herein called the "5 Percent Cap").
 - (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than 1.00 (one) percentage point, the new adjusted interest rate will be equal to 1.00 (one) percentage point higher than the Existing Interest Rate (subject to the 5 Percent Cap).
 - (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than 1.00 (one) percentage point, the new adjusted interest rate will be equal to 1.00 (one) percentage point less than the Existing Interest Rate (subject to the 5 Percent Cap).
 - (d) Notwithstanding anything contained in the Adjustable Rate Rider, in no event will any new adjusted interest rate be more than 5.00 (five) percentage points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest to exceed the 5 Percent Cap, the new adjusted rate will be limited to 5.00 (five) percentage points higher or lower, whichever is applicable, than the Initial Interest Rate.
 - (e) Mortgage will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted interest rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.
 - (f) The method set forth in this Paragraph 3 of this Adjustable Rate Rider, for determining whether or not an adjustment must be made to the Existing Interest Rate, incorporates the effects of the provisions of 24 CFR 203.49(e)(1) and 234.79(e)(1) which require that changes in the index in excess of 1.00 (one) percentage point must be carried over for inclusion in adjustments to the Existing Interest Rate in subsequent years.
 - (g) If the Index is no longer available, Mortgagee will be required to use any index prescribed by the Department of Housing and Urban Development. Mortgagee will notify Mortgagor in writing of any such substitute index (giving all necessary information for Mortgagor to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.

- 4. (a) If the Existing Interest Rate changes on any Change Date, Mortgage will recalculate the monthly installment payments of principal and interest to determine the amount which would be necessary to repay in full, on the maturity date, the unpaid principal balance (which unpaid principal balance will be deemed to be the amount due on such Change Date assuming there has been no default in any payment on the Note, but that all prepayments on the Note have been taken into account), at the new Existing Interest Rate, in equal monthly payments. On or before the Change Date, Mortgagee will give Mortgagor written notice ("Adjustment Notice") of any change in the Existing Interest Rate and of the revised amount of the monthly installment payments of principal and interest, calculated as provided above. Each Adjustment Notice will set forth (I) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change Date, (iv) the amount of the adjusted monthly installment payments, calculated as provided above, (v) the Current Index, (vi) the method of calculating the adjustment to the monthly installment payments, and (vii) any other Information which may be required by law from time to time.
 - (b) Mortgagor agrees to pay the adjusted monthly installment amount beginning on the first payment date which occurs at least 30 (thirty) days after Mortgagee has given the Adjustment Notice to Mortgagor. Mortgagor will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Mortgagee to Mortgagor until the first payment date which occurs at least 30 (thirty) days after Mortgagee has given a further Adjustment Notice to Mortgagor. Notwithstanding anything to the contrary contained in this Adjustable Rate Rider or the Mortgage, Mortgagor will be relieved of any obligation to pay, and Mortgagee will have forfeited its right to collect, any increase in the monthly installment amount (caused by the recalculation of such amount under Subparagraph 4(a)) for any payment date occurring less than 30 (thirty) days after Mortgagee has given the applicable Adjustment Notice to Mortgagor.
 - (c) Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced on a Change Date, and (ii) Mortgagee falled to give the Adjustment Notice when required, and (iii) Mortgagor consequently has made any monthly installment payments in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payments"), then Mortgagor, at Mortgagor's sole option, may either (1) demand the return from Mortgagee (who for the purposes of this sentence will be deemed to be the mortgagee, or mortgagees, who received such Excess Payments, whether or not any such mortgagee subsequently assigned the Mortgage) of all or any portion of such Excess Payments, with interest thereon at a rate equal to the Index on the Change Date when the Existing interest Rate was so reduced, from the date each such Excess Payment was made by Mortgagor to repayment, or (2) request that all or any portion of such Excess Payments, together with all interest thereon calculated as provided above, be applied as payments against principal.
- Nothing contained in this Adjustable Rate Rider will permit Mortgagee to accomplish an interest rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing interest Rate may only be reflected through adjustment to Mortgagor's monthly installment payments of principal and interest, as provided for herein.

BY SIGNING BELOW, Mortge	agor accepts and agrees to the terms and covenants contained in	this Adjustable
Rate Rider.
