## **ADDITIONAL TERMS**

PREPAYMENT AND ACCRUAL OF THE FINANCE CHARGE: Even though I do not have to pay more than the regular scheduled monthly payment, I have the right to prepay the whole amount owing to you in full at any time or in part from time to time. If the lending institution or bank that buys my contract computes the finance charge on a simple interest (daily) basis, I know my finance charge will be less if I make an early payment, and it will be higher if I pay late; I also recognize that any necessary adjustment to my total finance charge will be reflected in my final bill; I also know that the amounts shown on the reverse side for the Finance Charge, Total of Payments, and the Total Sale Price are estimates based on the assumption that you will receive each of the payments exactly on its due date; and I know that there will be no refund if I prepay because there is nothing to refund if I am charged on a daily basis. If the lending institution or bank does not compute the finance charge daily, and if I prepay the whole amount, you will refund to me the unearned portion of the finance charge (interest) by application of the Rule of 78's; and the amount of my rebate will be figured on the scheduled dates and amounts of my monthly payment and not on the actual dates and amounts of the prepayments that I pay to you. I know that a refund of less than \$1.00 will not be made.

## IMPORTANT NOTICE ABOUT WARRANTIES:

(a) We as SELLER HEREBY DISCLAIM ALL WARRANTIES, EXPRESSED OR IMPLIED, OF MERCHANTA-BILITY AND FITNESS FOR A PARTICULAR PURPOSE ON ALL GOODS AND SERVICES UNLESS SELLER FURNISHES BUYER WITH A SEPARATE WRITTEN LIMITED WARRANTY OR SERVICE CONTRACT MADE BY SELLER ON ITS OWN BEHALF (WHICH, IF MADE, ACCOMPANIES THIS CONTRACT).

(b) I have read, in detail, the separate "LIMITED WARRANTY" which accompanies this contract. It explains the conditions and circumstances in which the manufactured products will be repaired or replaced. I take notice of the limitations on the warranty, and I particularly recognize that any implied warranty which applies to the goods lasts only as long as the warranty or service contract.

SPECIAL-ORDER GOODS: I know that you have measured my house and its openings so that you can make the products to fit my particular house. I take notice that the goods that are manufactured for my specific house probably will not fit any other houses, and under such conditions, I know that I cannot cancel this contract at any time after the period of time given to me, by law, in which to cancel. After that legal period of time, I know that I have the obligation to pay you in full the amount owed.

OBLIGATIONS PERTAINING TO PROPERTY INSURANCE AND MY REAL ESTATE: 1. I promise to keep my house in good repair and to keep it insured for at least 80% of its replacement value by buying a fire and extended coverage insurance policy. The insurance company must be approved by you, and the policy must have a beneficiary clause which says that you are to be paid if there is a loss. The insurance company must agree that it will not cancel my policy without first telling you. I authorize the insurance company to pay you directly for any loss. You can choose to use this insurance payment to either repay any amounts I owe you or to repair my house. I have the option of providing property insurance through an existing policy or through a policy independently obtained and paid for by me. 2. I also promise that I will not allow anyone else to place any liens on my real estate without your written permission. 3. I promise to pay all taxes, assessments and other charges on my real estate when due. 4. I promise to timely make all payments on my prior loans secured by my real estate. I also promise that I will not extend, renew or change prior loans without your written permission. 5. If I do not insure my house or fulfill my other obligations to my real estate, then you can do it for me if you want (but you do not have to). If you do pay any of these obligations for me, I agree to pay you back on demand plus interest at the highest lawful contract rate of interest. Until I pay you back, these amounts will be added to my debt to you which is secured by my real estate and house. I know that if you decide to buy insurance for me that you do not have to obtain any homeowner or liability insurance.

SALE OF MY HOUSE: I promise not to sell, lease or give my house to anyone until I have fully repaid my debt to you.

DUE ON SALE: If I sell, lease or give my house to anyone before I have fully paid all I owe under this contract, you can declare all that I owe under this contract payable at once and I agree to immediately pay you that amount.

DEFAULT: I will be in default under this contract if:

- 1. I don't make a payment when due; or
- 2. I break any promise I made to you in this contract; or
- 3. Something else happens which causes you to believe in good faith that I do not intend to pay you as promised; or
- 4. I default on any obligations for which I am using my home as collateral; or
- 5. Something happens to my house which threatens your rights, if any, in it.

IF I AM IN DEFAULT: I understand that you have the right to foreclose the Mortgage I have given to you and have my house sold to repay any amounts I owe you if am in default under this contract. Before my house is sold, you will do everything that the law requires. If the amount financed is more than \$300.00 and you hire an attorney to assist you to sell my house, or, to sue me, or, to protect your rights, I agree to pay you for your reasonable attorneys' fees not exceeding 15% of the amount due and for other related expenses such as court costs, title searches and money you expended to protect my house, if you are allowed to collect such amounts by law.

OTHER RIGHTS: We can choose not to enforce any of the rights under this contract as often as we want without losing them. Or, we can delay enforcing any of the rights without losing them. We can also use any rights now or in the future given to us by law.

DELAYS: I know that you will use your best efforts to install the products I am purchasing on my house, but I also understand that in some situations you may encounter delays that are caused by strikes, weather conditions, delays you have in obtaining materials, or for other reasons that are beyond your control. I understand that you will not be liable for such delays.

SALVAGE VALUE: I know that the windows, woodwork, and other materials that have to be removed by you for this installation have NO salvage value. When you remove them, you can have them for whatever purpose you want.

SPECIAL SITUATIONS: Due to the uniqueness of some of the products that you sell, I understand that in special situations that your Regional Office may have to review and accept this contract. ## NOTICE OF PROPOSED INSURANCE

I take notice that either Credit Life or Credit Accident and Health Insurance, or both, will be applicable to this Sales Contract on the reverse side only if I have chosen it by signing the request for such insurance. This insurance will only cover the person signing the request at the cost for each type of insurance shown. Subject to acceptance by the insurance company, the insurance will be effective as of today and will continue only for the number of months after the effective date equal to the number of monthly payments. I understand that this particular insurance may not provide coverage for my last few payments, and that during that period of time I will not have any insurance coverage. All benefits and proceeds of the insurance will be paid to you or to a financial institution or a bank if it purchases the Sales Contract to the extent of its interests and any balance will be payable to me. The initial amount of Credit Life Insurance is the amount required to repay the Total of Payments; thereafter, the insurance decreases by the amount of each monthly payment on a scheduled 30 day basis. If I am jointly obligated on the Sales Contract with a Co-Buyer, and we have both signed the request for Credit Life Insurance, death benefits will be payable only with respect to the first one of us to die. Subject to exclusions, eliminations or waiting period stated in the insurance policy or certificate. Credit Accident and Health Insurance is for the benefit amount of 1/30th of each month's payment for each day that I am totally disabled due to an injury or sickness while I owe any payment to you; however, I understand that I have to be prevented from working due to such total disability for more than fourteen (14) consecutive days before the insurance benefit is paid back to the first day of my total disability. I also know that I cannot obtain any insurance from you if I am over 65 years of age today, and I also know that the insurance coverage provided to me may contain a maximum amount of coverage which will not pay in some cases, the entire amount that I owe you. Due to the maximum amount of coverage stated in the insurance policy, I know that any unpaid amount in excess of the insurance coverage will still have to be paid. If the Sales Contract is prepaid in full prior to the last payment date, any unearned insurance premiums will be refunded to me in the manher prescribed by law. Within thirty (30) days, I will receive the certificate of insurance more fully describing my insurance coverage. If the insurance is not accepted by
