ADJUSTABLE RATE RIDER
(TO BE ATTACHED TO MORTGAGES)

This Adjustable Rate Rider is made this 29th day of August, 1988, and is incorporated and shall be deemed to amend and supplement the Mortgage (the Security Instrument) of the same date given by the undersigned (the Borrower), to secure the Borrower's Adjustable Rate Note to _____ (the Lender), of same date (the Note) and covering the property described in the Security Instrument and located at: Montevallo, Alabama _____ (property address).

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND ~~THE MONTHLY PAYMENTS AND/OR~~ INCREASES IN THE TERM OF SAID OBLIGATION. CT 344 555 1008

Additional Covenants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The note provides for an Initial Rate of Interest of 10.00 % and the note provides for changes in the interest rate and monthly payment, as follows:

(a) Change dates

Beginning in 19 88, the rate of interest I will pay may change ~~xxxxxxx~~ daily. Each date on which the rate of interest could change is called a "change date".

(b) The base rate

Any changes in the rate of interest will be based on changes in the base rate. The base is New York Prime Interest Rate, the same being the New York Prime Interest Rate as published in The Wall Street Journal from day to day.

If the base is no longer available, the Note Holder will choose a new index or base which is based upon comparable information. The Note Holder will give the notice of this choice.

The base figure for this note is 10.00 %. It is called the (original base).

The most recently available base figure as of the date of change or (change date) is called the (current base).

(c) Calculation of changes

Before each change date, the Note Holder will determine any change in my rate of interest. The Note Holder will calculate the amount of the difference, if any, between the current base and the original base. If the current base is higher than the original base, the Note Holder will add the difference to the initial base of interest. If the current base is lower than the original base, the Note Holder will then round the result of this addition or subtraction to the nearest one-eighth percentage point (0.125%). This rounded amount will be the new rate of interest I am required to pay.

The Note Holder will then determine the new amount of my monthly payment that would be sufficient to repay the outstanding principal balance in full on the maturity date at my new rate of interest in substantially equal payments. The result of this calculation is called the "full payment amount", and it will be the new amount of my monthly payment, unless I choose the amount permitted by Section (d) below.

(d) Borrower's Right to Defer payment of certain amounts

I may choose to have my monthly payments remain the same and pay the remaining balance owing on the final maturity date of my said loan []; or extend the term of my loan so that my monthly payments will remain the same but extend the number of monthly payments to cover any increased amount due to changes in the interest rate [].

The limited payment amount I choose could be less than the amount of the interest portion of the full payment amount I would have paid after the (change date). If so, the Note Holder will subtract the limited payment amount from the amount of interest I would have paid and will add the difference to the outstanding principal balance of my loan each month until the next (change date). The Note Holder will also add interest on the amount of this difference to my outstanding principal balance each month. Until the next change date, when the Note Holder determines my new rate of interest on my then outstanding principal balance, the rate of interest on the interest added to principal will be the rate determined and the method for determining the same as set forth above for the period I am paying the limited payment amount.

(e) The new rate of interest will become effective on each change date. I will pay the new amount of my monthly payment each month beginning on the first monthly payment date after the (change date) until the amount of my monthly payment is again changed or I have fully repaid the loan.

(f) Notice of Change

The Note Holder will mail or deliver to me a notice of my changes and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who can answer any question I may have regarding the notice.

Except for any notice required under applicable law to be given in another manner,

- (a) Any notice to Borrower provided for in this security instrument, shall be given by delivering it or by mailing it by first class mail, addressed to Borrower at the property address or at such other address that the Borrower may designate by notice to Lender as provided herein, and
- (b) Any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

B. SEVERABILITY

In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect the provisions of this Security Instrument or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Note are declared to be severable.

C. LEGISLATION

If, after the date hereof, enactment or expiration of applicable laws have the effect either of rendering the provisions of the Note, the Security Instrument or this Adjustable Rate Rider (other than this paragraph C), unenforceable according to their terms, or all or any part of the sums secured hereby uncollectable, as otherwise provided in the Security Instrument and Adjustable Rate Rider, or of diminishing the value of Lenders Security, then Lender, at Lender's option, may declare all sums secured by the Security Instrument to be immediately due and payable. In such event, Borrower shall not have the right to reinstate this loan.

In witness whereof, Borrower has executed this Adjustable Rate Rider in duplicate on the day and date above.
