AFFIDAVIT OF REV. MARTIN MULLER

Before me, the undersigned, personally appeared Rev. Martin Muller, who after being first duly sworn, deposes and says that the following is true and accurate to the best of his knowledge, information and belief:

My name is Rev. Martin Muller. I am over the age of nineteen and have personal knowledge of the facts set forth herein. I am owner of property located in Shelby County east of Highway 51 and south of the Atlantic Coast Railroad track.

I purchased the above property from Dick Thompson in 1970. It was my understanding at the time that the north property line was located at the railroad right-of-way and was marked by a fence. This fence is in place today and has not been moved.

During the negotiations for the property, Dick Thompson and I discussed the property line. I was told by Mr. Thompson that the north property line was located at the railroad right-of-way and was marked by a fence. In addition, Mr. Thompson gave me an aerial photograph taken by the Agriculture Soil and Conservation Service, a division of the U. S. Government. On this photograph, Dick Thompson marked the north property line as a straight line all the way down the railroad track. A true and correct copy of this photograph is attached to my affidavit as Exhibit A.
