AND the Borrower covenants and agrees with the Lender as follows:

ARTICLE I

1.01 Performance of Mortgage, Note and Loan Documents. The Borrower will perform, observe and comply with all provisions hereof, and of the Note, and of the Loan Documents, and of the Other Indebtedness Instruments, and will duly and punctually pay to the Lender the sum of money expressed in the Note, with interest thereon, and all other sums required to be paid by the Borrower pursuant to the provisions of this Mortgage, of the Loan Documents, and of the Other Indebtedness Instruments, all without any deductions or credit for taxes or other similar charges paid by the Borrower.

1.02 Warranty of Title. Borrower hereby warrants that, subject to any exceptions described above or in Exhibit A, it is lawfully seized of an indefeasible estate in fee simple in the land and real property hereby mortgaged, or is lawfully seized of such other estate or interest as is described above or in Exhibit A, and has good and absolute title to all existing personal property hereby mortgaged and has good right, full power and lawful authority to sell, convey and mortgage the same in the manner and form aforesaid; that the same is free and clear of all liens, charges, and encumbrances whatsoever, including, as to the personal property and fixtures, conditional sales contracts, chattel mortgages, security agreements, financing statements, and anything of a similar nature, and that Borrower shall and will warrant and forever defend the title thereto and the quiet use and enjoyment thereof unto the Lender, its successors and assigns, against the lawful claims of all persons whomsoever.

1.03 Future Advances, Revolving and Open-End Loans, and other Debts. It is expressly understood that this Mortgage is intended to and does secure, not only the Loan, but also future advances and any and all Other Indebtedness, obligations and liabilities, direct or contingent, of said Borrower to said Lender, whether now existing or hereafter arising, and any and all extensions, renewals, modifications and refinancings of same, or any part thereof, existing at any time before actual cancellation of this instrument on the probate records of the county or counties where the Mortgaged Property is located, and whether the same be evidenced by note, open account, assignment, endorsement, guaranty, pledge or otherwise. The Loan and the Other Indebtedness may, if provided in the applicable loan instruments, provide for revolving or open-end loans and advances, all of which shall be secured by this Mortgage.

1.04 Monthly Tax Deposit. If required by Lender, Borrower will pay on the first day of each month one-twelfth (1/12) of the yearly taxes on the Mortgaged Property, as estimated by Lender, in addition to each regular installment of principal and interest. Such sums shall not draw interest, and shall not be, nor be deemed to be, trust funds, but may be commingled with the general funds of Lender. Borrower agrees to pay Lender the amount of any deficiency necessary to enable Lender to pay such taxes when due. Such sums may be applied by the Lender to the reduction of the amount of any deficiency necessary to enable Lender to pay such taxes when due. Such sums may be applied by the Lender to the reduction of the indebtedness secured hereby in the event of a default under this Mortgage, the Note, the Loan Documents, or the Other Indebtedness Instruments.

1.05 Other Taxes, Utilities and Liens. (a) The Borrower will pay promptly, when and as due, and, if requested, will exhibit promptly to the Lender receipts for the payment of all taxes, assessments, water rates, utility charges, dues, charges, fines, penalties, costs and other expenses incurred, and impositions of every nature whatsoever imposed, levied or assessed or to be imposed, levied or assessed upon or against the Mortgaged Property or any part thereof, or upon the interest of the Lender in the Mortgaged Property (other than any of the same for which provision has been made in Paragraph 1.04 of this Article I), or any charge which, if unpaid, would become a lien or charge upon the Mortgaged Property prior to or equal to the lien of this Mortgage for any amounts secured hereby or would have priority or equality with this Mortgage in distribution of the proceeds of any foreclosure sale of the Mortgaged Property or any part thereof.

(b) The Borrower promptly shall pay and will not suffer any mechanic's, laborer's, statutory or other lien which might or could be prior to or equal to the lien of this Mortgage to be created or to remain outstanding upon any of the Mortgaged Property.

(c) In the event of the passage of any state, federal, municipal or other governmental law, order, rule or regulation, subsequent to the date hereof, in any manner changing or modifying the laws now in force governing the taxation of mortgages or debts secured by mortgages or the manner of collecting taxes, then Borrower immediately shall pay any increased taxes if allowed by law, and if Borrower fails to pay such additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower is prohibited from paying such taxes, or if Lender in any way is adversely affected by such law, order, rule or additional taxes, or if Borrower

1.06 Insurance. The Borrower will procure for, deliver to, and maintain for the benefit of the Lender during the life of this Mortgage, insurance policies in such amounts as the Lender shall require, insuring the Mortgaged Property against fire, extended coverage, war damage (if available), and such other insurable hazards, casualties and contingencies as the Lender may require. The form of such policies and the companies issuing them shall be acceptable to the Lender. All policies shall contain a New York standard, non-contributory mortgage endorsement making losses payable to the Lender. At least fifteen (15) days prior to the expiration date of all such policies, renewals thereof satisfactory to the Lender shall be delivered to the Lender. The Borrower shall deliver to the Lender receipts evidencing the payment of all such insurance policies and renewals. In the event of the foreclosure of this Mortgage or any transfer of title to the Mortgaged Property in partial or full extinguishment of the indebtedness secured hereby, all right, title and interest of the Borrower in and to all insurance policies then in force shall pass to the purchaser or grantee.

The Lender is hereby authorized and empowered, at its option, to adjust or compromise any loss under any insurance policies on the Mortgaged Property, and to collect and receive the proceeds from any such policy or policies. Each insurance company is hereby authorized and directed to make payment for all such losses directly to the Lender instead of to the Borrower and Lender jointly. After deducting from said insurance proceeds any expenses incurred by Lender in the collection or handling of said fund, the Lender may apply the net proceeds, at its option, either toward restoring the improvements on the Mortgaged Property, or as a credit on any portion of the Borrower's indebtedness selected by Lender, whether then matured or to mature in the future, or at the option of the Lender, such sums either wholly or in part may be paid over to the Borrower to be used to repair such improvements, or to build new improvements in their place or for any other purpose satisfactory to the Lender, all without affecting the lien of this Mortgage for the full amount secured hereby before such payment took place. Lender shall not be held responsible for any failure to collect any insurance proceeds due under the terms of any policy regardless of the cause of such failure.

If required by the Lender, the Borrower will pay on the first day of each month, in addition to the regular installment of principal and interest and monthly tax deposit (as provided by Paragraph 1.04 of Article I herein), one-twelfth (1/12) of the yearly premiums for insurance. Such amount shall be used by Lender to pay such insurance premiums when due. Such added payments shall not be, nor be deemed to be, trust funds, but may be commingled with the general funds of the Lender, and no interest shall be payable in respect thereof. Upon demand of the Lender, the Borrower agrees to deliver to the Lender such additional moneys as are necessary to make up any deficiencies in the amounts necessary to enable the Lender to pay such insurance premiums when due. In the event of a default by Borrower under this Mortgage, the Note, the Loan Documents, or the Other Indebtedness Instruments, the Lender may apply such sums to the reduction of the indebtedness secured hereby.

1.07 Condemnation. If all or any part of the Mortgaged Property shall be damaged or taken through condemnation (which term when used in this Mortgage shall include any damage or taking by any governmental or private authority, and any transfer by private sale in lieu thereof), either temporarily or permanently, the entire indebtedness secured hereby shall at the option of the Lender become immediately due and payable, either temporarily or permanently, the entire indebtedness secured hereby shall at the option of the Lender become immediately due and payable.
