- 1. Payments. I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or for my benefit will be applied first to any amounts I owe you on the secured debt (exclusive of interest or principal), second, to interest and then to principal. If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any subsequently scheduled payment until the secured debt is paid in full.
- 2. Claims against Title. I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.
- 3. Insurance. I will keep the property insured under terms acceptable to you at my expense and for your benefit. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.
- 4. Property, I will keep the property in good condition and make all repairs reasonably necessary.
- 5. Expenses. I agree to pay all your expenses, including reasonable attorneys' fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. Attorneys' fees include those awarded by an appellate court. I will pay these amounts to you as provided in Covenant 10 of this mortgage.
- 6. Default and Acceleration. If I fall to make any payments when due, or break any covenants under this mortgage or any obligations secured by this mortgage, or sell or transfer the property without your prior written consent, you are authorized to take possession of the mortgaged property, and with or without taking possession of said property after advertising the time, place and terms of sale, for three successive weeks immediately prior to sale thereof in some newspaper published in the county in which the property is situated, proceed to sell the property covered by this mortgage in lots or parcels or en masses as you, your agents or assigns deem best, at the counthouse door in the county in which the mortgaged property or a part thereof is situated. If the mortgaged property is situated in Jefferson County, Alabama the sale will be conducted at the door of the courthouse of the Jefferson County, Alabama, in Birmingham, 21st Street entrance, at public outcry, to the highest bedder for cash, the proceeds of sale to be applied first to the payment of any liens for taxes, assessments or other prior charges against the property and second to the payment of expenses of sale, including the costs of advertising and reasonable attorney's fees, together with the cost of executing and recording deeds to the purchaser. Thirdly, any balance shall be applied to the payment of the indebtedness owed you and secured by this mortgage. You are hereby authorized to bid for and become the purchaser of the property at any such sale, and we do hereby authorize your attorney making the sale to execute deed to the purchaser of the property covered by this mortgage.
- 7. Assignment of Rents and Profits. I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
- Waiver of Homestead. I hereby waive all right of homestead exemption in the property.

If I fail to perform any of my duties under this mortgage, you may perform the duties of participation of the property of pause them to be performed. This may include completing the construction.
  - Your failure to perform will not preclude you from exercising any of your other rights under the law or this mortgage.
  - Any amounts paid by you to protect your security interest will be secured by this mortgage. Such amounts will be due on demand and will be are interest from the date of the payment until paid in full at the interest rate in effect on the secured debt.

  - 12. Condemnation. I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.
