COVENANTS

1. Payments. I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or for my benefit will be applied first to any amounts I owe you on the secured debt (exclusive of interest or principal), second, to interest and then to principal. If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any scheduled payment until the secured debt is paid in full.

2. Claims against Title. I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.

3. Insurance. I will keep the property insured under terms acceptable to you at my expense and for your benefit. All insurance policies shall include a standard mortgage clause in favor of you. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.

4. Property. I will keep the property in good condition and make all repairs reasonably necessary.

5. Expenses. I agree to pay all your expenses, including reasonable attorneys' fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. Attorneys' fees include those awarded by an appellate court. I will pay these amounts to you as provided in Covenant 10 of this mortgage.

6. Default and Acceleration. If I fail to make any payment when due or break any covenants under this mortgage, any prior mortgage or any obligation secured by this mortgage, you may accelerate the maturity of the secured debt and demand immediate payment and exercise any other remedy available to you. This mortgage gives you the power of sale, which you may also invoke under the circumstances described in the previous sentence. If you invoke the power of sale, you will give notice of the sale by publication once a week for three successive weeks in some newspaper published in the county in which the property or any portion of it is located. This notice will give the time, place and terms of the sale, and a description of the property. After this notice is given, the property will be sold to the highest bidder at public auction at the front door of the County Courthouse of the county in which the notice of sale was published.

7. Assignment of Rents and Profits. I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.

8. Waiver of Homestead. I hereby waive all right of homestead exemption in the property.

9. Leaseholds; Condominiums; Planned Unit Developments. I agree to comply with the provisions of any lease if this mortgage is on a leasehold. If this mortgage is on a unit in a condominium or a planned unit development, I will perform all of my duties under the covenants, by-laws, or regulations of the condominium or planned unit development.

10. Authority of Mortgages to Perform for Mortgagor. If I fail to perform any of my duties under this mortgage, you may perform the duties or cause them to be performed. You may sign my name or pay any amount if necessary for performance. If any construction on the property is discontinued or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.

Your failure to perform will not preclude you from exercising any of your other rights under the law or this mortgage.

Any amounts paid by you to protect your security interest will be secured by this mortgage. Such amounts will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect on the secured debt.

11. Inspection. You may enter the property to inspect if you give me notice beforehand. The notice must state the reasonable cause for your inspection.

12. Condemnation. I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.

13. Waiver. By exercising any remedy available to you, you do not give up your rights to later use any other remedy. By not exercising any remedy, if I default, you do not waive your right to later consider the event a default if it happens again.

14. Joint and Several Liability; Co-signers; Successors and Assigns Bound. All duties under this mortgage are joint and several. If I co-sign this mortgage but do not co-sign the underlying debt I do so only to mortgage my interest in the property under the terms of this mortgage. I also agree that you and any party to this mortgage may extend, modify or make any other changes in the terms of this mortgage or the secured debt without my consent. Such a change will not release me from the terms of this mortgage.

The duties and benefits of this mortgage shall bind and benefit the successors and assigns of either or both of us.

15. Notice. Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by certified mail addressed to me at the Property Address or any other address that I tell you. I will give any notice to you by certified mail to your address on the front side of this mortgage, or to any other address which you have designated.

Any notice shall be deemed to have been given to either of us when given in the manner stated above.

16. Transfer of the Property or a Beneficial Interest in the Mortgagor. If all or any part of the property or any interest in it is sold or transferred without your prior written consent, you may demand immediate payment of the secured debt. You may also demand immediate payment if the mortgagor is not a natural person and a beneficial interest in the mortgagor is sold or transferred. However, you may not demand payment in the above situations if it is prohibited by federal law as of the date of this mortgage.

17. Release. When I have paid the secured debt in full and all underlying agreements have been terminated, this mortgage will become null and void and you will release this mortgage.

GENERALLY: When we use the term "loan account balance" in this agreement, we mean the sum of the unpaid principal of loans made under this plan, plus unpaid finance charges which have accrued, plus credit insurance premiums which are due. The term "transaction account" means the account you have with us, the account number of which is listed at the top of the form on the line labeled "Trans. Acct. #". The term "Line of Credit" means the maximum amount we will ordinarily allow the unpaid principal of your loan account balance to be at any one time. If any term in this agreement violates any law or for some other reason is not enforceable, that term will not be a part of this agreement. The other terms in this agreement will remain effective, however. This agreement is subject to the laws of the state where we are located.

REQUESTING A LOAN: You request a loan under this plan whenever you:
• write a check for at least the minimum advance listed above using one of the special checks you have for that purpose.

HOW THE LOAN IS ADVANCED: When you request a loan by one of these methods, we will advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed above. We will make the advance by depositing the amount in your transaction account, by advancing the money directly to you, or by paying a designated third person or account, depending on how we agree to make the advance. We will record the amount as a loan in your loan account.

If your request is for less than the minimum advance, we may, at our option, grant the request. However, granting the request does not mean we will be required to grant requests for less than the minimum advance in the future. We always have the option to deny any such request.

However, we will not ordinarily grant any request for a loan which would cause the unpaid principal of your loan account balance to be greater than the Line of Credit listed above. We may, at our option, grant such a request without obligating ourselves to do so in the future.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge for a billing cycle, we apply a daily periodic rate of finance charge to the "average daily balance" of your loan account for the billing cycle. We then multiply that figure by the number of days in the billing cycle. The average daily balance is computed as follows: First, we take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) that are due. Next, we subtract the portion of any payments or credits received that day which apply to the repayment of your loans. (A portion of each payment you make is applied to finance charges and credit insurance premiums (if any).) Then we add any new loans made that day. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

The periodic rate of **FINANCE CHARGE** is .0329 % which is equal to an **ANNUAL PERCENTAGE RATE** of 12.0 %.

If, during a billing cycle, you have any outstanding principal balance at all and if the finance charge computed above is less than \$.50, you will be charged a minimum **FINANCE CHARGE** of \$.50 for that billing cycle.

VARIABLE RATE: The annual percentage rate may change, and will always be 1.5% greater than the following "base rate": Union State Bank, Birmingham, Alabama, base rate as determined by the Lender.

The interest rate is not to exceed 17.0%.

The annual percentage rate may increase if this "base rate" increases. An increase will take effect on June 1st and December 1st. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will increase semi-annually. A decrease will have the opposite effect of an increase disclosed above.

If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day we adjust the annual percentage rate to determine the new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between annual percentage rate adjustments.

The annual percentage rate will not at any time exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

HOW YOU REPAY YOUR LOANS: On or before each payment date (see top of form) you must make a minimum payment to reduce your debt. The minimum amount is 2% of your loan account balance on the last day of the billing cycle or \$100.00, whichever is greater. If your loan account balance on a payment date is less than the minimum amount, you must pay only the amount of your loan account balance.

If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan.

You can pay off all or any part of what you owe at any time. However, so long as you owe any amount you must continue to make your periodic minimum payment.

The amounts you pay will first reduce the amount owed (if any) for credit insurance, then will reduce the finance charges, and finally will reduce the amount of unpaid loans.

☐ You authorize us to automatically withdraw your payment from your transaction account on each payment date (see top of form).

SECURITY: To secure the payment of what you owe, we have the right of set-off. This means we can pay the amount you owe us out of money that we are required to pay you (such as money in your savings or checking account). However, we cannot use in this way money in your IRA or other tax-deferred retirement account. State law may further limit our right of set-off.

However, we will have no right of set-off against your loan account balance if you can obtain credit under this plan by using a debit or a credit card.

We have also secured your obligations under this plan by taking a security interest (by way of a separate security agreement, mortgage or other instrument dated Sept. 26, 19 89) in the following property, described by item or type:

Lot 2720, according to the Survey of Riverchase Country Club, 27th Addition as recorded in Map Book 11, pages 56 A & B in the Probate Office of Shelby County, Alabama.

☐ If checked, collateral securing other loans you have with us shall also secure loans under this agreement. Filing fees \$ 39.00

You may buy property insurance from anyone you want who is acceptable to us, or you may provide the insurance through an existing policy. If you buy the insurance from or through us, your premium will be _____.

CHANGING THE TERMS OF THIS AGREEMENT: We reserve the right to change any term in this agreement. However, no change will be effective until at least 15 days after we send written notice to you of the change. We will send the notice to your address listed above. (You should inform us of any change in address.)

This agreement can be ended by you or us at any time, upon giving notice. However, you must still pay all you owe under this agreement even if it is ended. We also reserve the right to call due at certain times your entire loan account balance. We can only exercise this right during a 30-day period following the dates listed below. If we exercise this right, we will send you notice specifying the date on which payment is due.

Call option dates: September 26, 1994
Whether we exercise the above option or not, and regardless of the repayment system contracted for elsewhere, your entire loan account balance will be due on September 26, 2004.

ADDITIONAL FEES: You agree to pay the following additional fees:

• The following closing costs: appraisal fee \$ _____; title search fee \$ _____; documentation fees \$ _____; official fees \$ _____; property survey \$ _____; title insurance \$ 100.00
(other) _____ of the loan of \$100,000.00 at _____ % of the amount which is on or over this loan.

• A fee of \$ 50.00 per year in order to participate in this plan. We will add this amount to your loan account balance on an annual basis.

ATTORNEY'S FEES: If you default on this agreement and if we are required to hire a lawyer to collect what you owe under this agreement, you agree to pay our reasonable attorney's fees not exceeding 15% of the unpaid debt after default. However, if the unpaid debt does not exceed \$300.00, you do not agree to pay our reasonable attorney's fees.

NOTICE: See the reverse side for additional terms and for information about your rights in the event of a billing error.

SIGNATURES: By signing below, you agree to the terms on both sides of this agreement and you promise to pay any amounts you owe under this agreement. You also state that you received a completed copy of the agreement on today's date.

CAUTION - IT IS IMPORTANT THAT YOU THOROUGHLY READ THE CONTRACT BEFORE YOU SIGN IT.

YOUR BILLING RIGHTS KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your bill automatically from your savings, checking or other account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur.

Your Rights and Our Responsibilities After We Receive Your Written Notice

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.

Special Rule for Credit Card Purchases

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

- (a) You must have made the purchase in your home state or, if not within your home state within 100 miles of your current mailing address; and
- (b) The purchase price must have been more than \$50.

These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.

LIABILITY FOR UNAUTHORIZED USE OF A CREDIT CARD

You may be liable for the unauthorized use of your credit card. You will not be liable for unauthorized use that occurs after you notify us at the address on the other side of this form, orally or in writing, of the loss, theft, or possible unauthorized use. In any case, your liability will not exceed \$50.
