- 2. Claims against Title. I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.
- 3. Insurance. I will keep the property insured under terms acceptable to you at my expense and for your benefit. All insurance policies shall include a standard mortgage clause in favor of you. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.
- 4. Property, I will keep the property in good condition and make all repairs reasonably necessary.
- 5. Expenses. I agree to pay all your expenses, including reasonable attorneys' fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. Attorneys' fees include those awarded by an appellate court. I will pay these amounts to you as provided in Covenant 10 of this mortgage.
- 6. Default and Acceleration. If I fail to make any payment when due or break any covenants under this mortgage, any prior mortgage or any obligation secured by this mortgage, you may accelerate the maturity of the secured debt and demand immediate payment and exercise any other remedy available to you. This mortgage gives you the power of sale, which you may also invoke under the circumstances described in the previous sentence. If you invoke the power of sale, you will give notice of the sale by publication once a week for three successive weeks in some newspaper published in the county in which the property or any portion of it is located. This notice will give the time, place and terms of the sale, and a description of the property. After this notice is given, the property will be sold to the highest bidder at public auction at the front door of the County Courthouse of the county in which the notice of sale was published.
- 7. Assignment of Rents and Profits. I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
- 8. Waiver of Homestead. I hereby waive all right of homestead exemption in the property.
- 9. Leaseholds; Condominiums; Planned Unit Developments. I agree to comply with the provisions of any lease if this mortgage is on a leasehold. If this mortgage is on a unit in a condominium or a planned unit development, I will perform all of my duties under the covenants, by-laws, or regulations of the condominium or planned unit development.
- 10. Authority of Mortgages to Perform for Mortgagor. If I fail to perform any of my duties under this mortgage, you may perform the duties or cause them to be performed. You may sign my name or pay any amount if necessary for performance. If any construction on the property is discontinued or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.
  - Your failure to perform will not preclude you from exercising any of your other rights under the law or this mortgage.

Any amounts paid by you to protect your security interest will be secured by this mortgage. Such amounts will be due on demand and will be ar interest from the date of the payment until paid in full at the interest rate in effect on the secured debt.

- Inspection. You may enter the property to inspect if you give me notice beforehand. The notice must state the reasonable cause for your inspection.
- 12. Condemnation, I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or C, J any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security
- agreement. Waiver. By exercising any remedy available to you, you do not give up your rights to later use any other remedy. By not exercising any remedy, if I default, you do not waive your right to later consider the event a default if it happens again.
  - 14. Joint and Several Liability; Co-signers; Successors and Assigns Bound. All duties under this mortgage are joint and several. If I co-sign this mortgage but do not co-sign the underlying debt I do so only to mortgage my interest in the property under the terms of this mortgage. I also agree that you and any party to this mortgage may extend, modify or make any other changes in the terms of this mortgage or the secured debt without my consent. Such a change will not release me from the terms of this mortgage.

The duties and benefits of this mortgage shall bind and benefit the successors and assigns of either or both of us.

15. Notice. Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by certified mail addressed to me at the Property Address or any other address that I tell you. I will give any notice to you by certified mail to your address on the front side of this mortgage, or to any other address which you have designated.

Any notice shall be deemed to have been given to either of us when given in the manner stated above.

- 16. Transfer of the Property or a Beneficial Interest in the Mortgagor. If all or any part of the property or any interest in it is sold or transferred without your prior written consent, you may demand immediate payment of the secured debt. You may also demand immediate payment if the mortgagor is not a natural person and a beneficial interest in the mortgagor is sold or transferred. However, you may not demand payment in the above situations if it is prohibited by federal law as of the date of this mortgage.
- 17. Release. When I have paid the secured debt in full and all underlying agreements have been terminated, this mortgage will become null and void and you will release this mortgage.

DEFAULT AND REMEDIES: You will be in default on this agreement if any of the following occur:

(1) You engage in fraud or material misrepresentation, by your actions or failure to act, in connection with any phase of this home equity line of credit;

(2) Subject to any right to cure you may have, you do not meet the repayment terms; (3) Your action or inaction adversely affects the collateral or our rights in the collateral, including but not limited to: (a) failure to maintain required insurance on the collateral or our rights in the property or lise of it in a destructive manner: (d) commission of waste; (e) failure to pay dwelling; (b) your transfer of the property; (c) failure to maintain the property or use of it in a destructive manner; (d) commission of waste; (e) failure to pay taxes on the property or otherwise fail to act and thereby cause a lien to be filed against the property that is senior to our lien; (f) death; (g) the property is taken through eminent domain; (h) a judgment is filed against you and subjects you and the property to action that adversely affects our interest; or (i) a prior lien holder forecloses on the property and as a result, our interest is adversely affected.

We may terminate your account, require you to pay the entire outstanding balance in one payment and charge you a termination fee (if provided for on the other side of this agreement), and fees related to the collection of the amount owing, if you are in default in any manner described above. In that instance, we may take other action short of termination, such as charging you a fee if you fail to maintain required property insurance and we purchase insurance. If we elect to

terminate and accelerate the amounts owing on your account, we may use our right to set-off, unless prohibited.

Even if we choose not to use one of our remedies when you default, we do not forfeit our right to do so if you default again. If we do not use a remedy when

you default, we can still consider your actions as a default in the future. In addition, we may temporarily prohibit you from obtaining additional extensions of credit, or reduce your credit limit if:

) The value of the dwelling securing this home equity line of credit declines significantly below its appraised value for purposes of this line; (2) We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances; (3) You are in default of a material obligation of this agreement, which shall include, but is not limited to, your ongoing obligation to supply us with information we

feel we need to assess your financial condition;

(4) A governmental action prevents us from imposing the annual percentage rate provided for in this agreement;

(5) A governmental body adversely effects our security interest to the extent that the value of the security interest is less than 120% of the home equity line; (6) The annual percentage rate corresponding to the periodic rate reaches the maximum rate allowed under this plan (if provided for on the other side of this agreement); or

(7) A regulatory agency has notified us that continued advances would constitute an unsafe business practice.

In the event that we suspend your right to additional advances or reduce your credit line, we will send you notice of our decision at the address listed on the front of this agreement. (You should inform us of any change in your address.) If we have based our decision to suspend or reduce your credit privileges on an assessment of your financial condition or performance under this plan, and you believe that your situation has changed, you must request that we re-evaluate your situation, and reinstate your credit privileges.

CREDIT INFORMATION: You agree to supply us with whatever information we reasonably feel we need to decide whether to continue this plan. We agree to make requests for this information without undue frequency, and to give you reasonable time in which to supply the information.

You authorize us to make or have made any credit inquiries we feel are necessary. You also authorize the persons or agencies to whom we make these Imquiries to supply us with the information we request.
