I have been familiar with the above described property for more than 40 years. In about 1946 I remember that the land was owned by Willie Earl Ray. The property has always been in the Ray Family and now the title is in the name of Eldred M. Ray, Sr., and Thelma Ray. They have used the land for agricultural purposes. It has been used for timberland, pasture-land and some of it has been cultivated for cotton.

I know of no one other than the owners named herein who has claimed title to the captioned property or used it since before 1946. It is my opinion that the owners named herein have held the captioned property

in actual, open hostile, exclusive, notorious and continuous possession since before 1946, and I do not know of any boundary line disputes over title to any of the property since before 1946.
