COUNTY OF SHELBY)

GRANT OF EASEMENT.
DECLARATION OF RESTRICTIONS AND IMPOSITION OF
MAINTENANCE OBLIGATIONS

KNOW ALL MEN BY THESE PRESENTS; That, Chelsea 240, an Alabama General Partnership, is the owner of the following described property located in Shelby County, Alabama, to-wit: North half of Southeast Quarter of Section 14; North half of Southwest Quarter and South half of Northwest Quarter of Section 13; all in Township 20 South, Range 1. West, Shelby County, Alabama (herein the "Property").

Access to the Property from Shelby County Road Number 333 is provided by sixty (60) foot easement for ingress, egress and utilities as described on Exhibit "A" attached hereto and incorporated by reference herein (the "Access Easement"). A non-exclusive easement is granted by this document and exists on the Property which is described on Exhibit "B" (the "Road").

WHEREAS, the undersigned, as owner of the Property, is desirous of placing the Property under certain restrictions granting an easement for the Road and to provide for the maintenance of the Access Easement, the Road and utilities.

NOW, THEREFORE, the undersigned hereby adopts the following restrictions and maintenance obligations to apply to the Property, such restrictions and obligations being adopted in order to provide for the uniform use of the Property, which restrictions and obligations shall run with the land and be

binding on all parties owning or acquiring any right, title or interest in the Property or any part thereof and shall be for the benefit of each owner of part(s) of the Property or interest therein and shall enure to the benefit of and bind the owners and their successors in interest.

ARTICLE I. LAND USE

The Property shall not be used for commercial uses of any nature. No mobile homes shall be allowed on the Property. No commercial cutting (clear cutting) of timber shall be allowed on the Property.

ARTICLE II. GRANT OF EASEMENT

The Road, as described on Exhibit "B", is a private road. The undersigned does hereby grant to all of the Property and each present or future owner of part(s) of the Property within the Property and each such owner shall enjoy as an appurtenant to ownership of part(s) of the Property a non-exclusive perpetual easement over the Road as described in Exhibit "B" for ingress, egress and utilities to benefit only the Property, which easement shall run with the land. The portion of the Property over which the above-established easement runs is hereby subject to such easement. By its execution of this document, J. C. Hearn Co., Inc. hereby expressly subordinates the mortgage it holds as recorded in Book 284, Page 135, in the Office of the Judge of Probate, Shelby County, Alabama to the easement herein granted.

The undersigned does hereby grant to the Property in perpetuity and running with the land over the Access Easement as

described on Exhibit "A" attached hereto and incorporated by reference herein a non-exclusive easement benefiting the Property for ingress, egress and utilities.

ARTICLE III. ROADWAY AND UTILITY MAINTENANCE

The Property consists of two hundred forty (240) acres, more or less. The owner(s) of the Property shall maintain the Access Easement, the Road and utilities and each owner of portions of the Property shall pay the percentage of such maintenance, which percentage is derived from the number of acres owned by each such owner and divided by the number of acres in the Property. Maintenance shall be required if the owner(s) of the majority of the acres within the Property affirmatively vote for such maintenance. This Article III is intended to require maintenance only to the level which the Road and Access Easement exist on the date of this document and does not apply to upgrading the Road or the Access Easement.

ARTICLE IV. ENFORCEMENT

In the event of a violation or breach of any of the restrictions by any owner of a portion of the Property, or the employee, agent or lessee of such owner, the owner(s) of any portion of the Property, their successors and assigns, or any party to whose benefit the restrictions enure shall have the right to proceed at law or in equity to compel compliance with the terms and conditions hereof, to prevent the violation or breach of the restrictions, to sue for and recover damages for any amounts required to be paid hereunder, or take all such

courses of action at the same time, or such other legal remedy deemed appropriate. No delay or failure on the part of an aggrieved party to initiate an available remedy set forth herein shall be held to be a waiver of that party or any other party to assert any right available to him upon the recurrence of continuation of said violation or the occurrence of different violations.

Any owner proceeding to enforce the restrictions hereinabove or the maintenance obligations hereinabove who succeeds in such enforcement against another owner within the Property shall be awarded a reasonable attorney's fee.

Owner(s) of portions of the Property shall have the right to place a recorded lien on any portion of the Property owned by an owner not complying with the restrictions or maintenance obligations herein for the purpose of securing payment of any amounts owing and any non-defaulting owner may enforce such lien in the same manner as foreclosure of a mortgage. It is expressly understood, however, that such lien shall be expressly subordinate to any mortgage appearing for record in the Office of the Judge of Probate, Shelby County, Alabama encumbering any portion of the Property.

IN WITNESS WHEREOF, the undersigned, as owner of the Property, has caused this document to be executed as of the 3rd day of May, 1990.
