Dear Ms. Myers:

You may present this letter to interested parties as evidence that the Water Works and Sewer Board of the City of Birmingham does not have any facilities within the 15 foot easement along the lot line between Lots 51 and 52 of the survey of River Estates in the Northwest 1/4 of the Northwest 1/4 of Section 3; Township 19, South; Range 2, West as recorded in the Office of the Judge of Probate of Shelby County, Alabama.

The Water Works Board does not have any plans to install any facility along this easement at this time or in the future. Therefore, we have no objection to the vacation of this easement.

Very truly yours,

J. L. Herren
