The defined terms used in this Amended and Restated Mortgage, if not elsewhere defined herein, have the meanings set forth in Section 1. Neither the Grantor nor any partner of Grantor, by virtue of the execution and delivery of this Amended and Restated Mortgage, is undertaking any personal liability for the payment of the Note or performance of the provisions of the Loan Documents, except as set forth in the Interest Guaranty and Working Capital Guaranty. The Mortgaged Property shall be and remain subject to the lien of this Amended and Restated Mortgage, unless released pursuant to a specific provision hereof, and shall constitute security for the Note and the Indebtedness so long as any part of the Note or the Indebtedness shall remain outstanding. The Grantor is duly authorized to make the Note and to execute and deliver this Amended and Restated Mortgage and has taken all action required by law and all authorizing action and has obtained all necessary consent, approval and other authorization of any person.

Grantor and Mortgagee have previously entered into a Mortgage and Security Agreement dated as of November 7, 1989 and recorded in Real 265, Page 374 in the Probate Office of Shelby County, Alabama (the "Mortgage"), to secure the Indebtedness. Security Agreement (the "First Amendment") dated as of February 19, 1990 and recorded in Real 282, Page 85 in the Probate Office of Shelby County, Alabama, for the purpose of substituting portions of the Real Property encumbered by the lien of the Mortgage. Grantor and Mortgagee desire to hereby further amend, and to restate in its entirety, the Mortgage as previously modified and amended by the Partial Release and the First Amendment, for the purpose of subordinating the lien of the Mortgage and the rights of Mortgagee thereunder and under the other Loan Documents to the lien of the Golf Course Loan and the rights of the Golf Course Lender in connection therewith, as provided in Section 6(c)(vi), and for the purpose of making certain corrections to the Mortgage associated with such subordination, so that Mortgagee has a first lien on the Property and a second lien on the Golf Course. Grantor and Mortgagee intend that the Note remain in full force and effect, and that no novation of the Note occur because of this Amended and Restated Mortgage.

NOW, THEREFORE, the Grantor in consideration of the making of a loan by Mortgagee to Grantor in the amount of up to Fourteen Million Seven Hundred Seventy Three Thousand Dollars (\$14,773,000.00) (the "Loan"), evidenced by the Note (which calls for, among other things, the payment by Grantor of additional interest to Mortgagee upon the sale of portions of the Property) and the acceptance of the Note by the Mortgagee, and other good and valuable consideration, the receipt and sufficiency of which the Grantor hereby acknowledges, and in order to secure the payment of all sums payable on the Note (including, without limitation the additional interest), the performance of the obligations of the Grantor set forth in this Amended and Restated Mortgage, and all future indebtedness of Grantor to Mortgagee pursuant to this Amended and Restated Mortgage, has executed and delivered this Amended and Restated Mortgage and has Granted and by this Amended and Restated Mortgage does hereby irrevocably Grant, bargain, sell, alien, demise, release, confirm and convey unto the Mortgagee its successors and assigns, with right of entry and possession as provided herein, all of its estate, right, title and interest in all of the property described in the following Granting Clauses.

The Grantor has full power and lawful authority to grant the Mortgaged Property to the Mortgagee as set forth in this Amended and Restated Mortgage and shall preserve its title to the respective interests in the Mortgaged Property subject only to Permitted Exceptions. Grantor warrants generally and shall defend the title to the Mortgaged Property to the Mortgagee against all claims and demands by any person or entity. This Mortgage constitutes a valid first lien on the Mortgaged Property subject only to Permitted Exceptions. Grantor shall comply with all the terms, covenants and conditions of all agreements and instruments recorded in the relevant land records affecting the Mortgaged Property. Grantor waives to the extent permitted by law all rights of redemption, equitable and statutory in the Mortgaged Property.

The Grantor at its expense shall take all action necessary to give all further assurances reasonably required by the Mortgagee to Grant the Mortgaged Property hereby granted or to carry out the intention of this Amended and Restated Mortgage.

The Grantor shall cause this Amended and Restated Mortgage, each supplement and amendment to this Amended and Restated Mortgage and financing statements with respect thereto and each instrument of further assurance (collectively called the "Recordable Documents"), to be filed, registered and recorded as may be required by law and if required to publish notice and maintain the lien hereof upon the Mortgaged Property and to publish notice of and protect the validity of the Recordable Documents. The Grantor from time to time, shall perform any other act as required by law and shall execute any and all further instruments reasonably requested by the Mortgagee for such purposes. If the Grantor fails to comply with this Section, the Mortgagee shall be and is hereby irrevocably appointed the agent and attorney-in-fact of the Grantor to comply therewith. To the extent permitted by law, the Grantor shall pay recording taxes and fees incident thereto

and all expenses, taxes (except taxes occasioned by any sale or transfer of the Note by any holder thereof) and other governmental charges incident to or in connection with the preparation, execution, delivery or acknowledgment of the Recordable Documents, any instruments of further assurance and the Note.

The representations set forth in the Commitment are correct for Daniel Corporation and Grantor, as applicable, in all material respects as of the date of this Amended and Restated Mortgage.

3. Payment. Grantor shall pay the principal, interest and premium, if any, on the Note at the date and place and in the manner provided in the Note.

4. Impositions and Escrow. Grantor shall pay all Impositions when due and payable. Within thirty (30) days following the due date of each such Imposition, Grantor will forward to Mortgagee a copy of the paid receipted bill or such other evidence as is reasonably satisfactory to Mortgagee indicating payment of the required amount. If Mortgagee so requests, Grantor will deposit with Mortgagee on the day of each month on which a payment of interest is due under the Note, beginning with the month following such request, one-twelfth of the annual Impositions next due as reasonably estimated by Mortgagee plus one-twelfth of the annual premiums for fire, hazard, liability and other insurance required under this Amended and Restated Mortgage, such deposit to be held by the Mortgagee in trust in an interest-bearing account to pay the Impositions and insurance premiums. Any interest in such account shall accrue in favor of Grantor, and Grantor shall bear all costs in setting up such interest-bearing account. If payments of interest are due under the Note other than monthly, appropriate adjustment shall be made in the amount of the periodic deposits. If fewer than twelve months will elapse from the initiation of such periodic deposits, Grantor shall deposit with Mortgagee an amount which together with the periodic deposits will provide sufficient funds necessary to pay the Impositions and premiums when they come due. If the deposits should be insufficient to pay the Impositions and premiums in full, Grantor will deposit the deficiency before the Impositions and premiums become due.

The Grantor, however, at its own expense, may contest any Imposition (in the case of any item involving more than \$1,000, after prior written notice to the Mortgagee) by an appropriate proceeding conducted in good faith and with due diligence, the amount or validity or application, in whole or in part, of any Imposition or lien therefor, provided that (i)

such proceeding shall suspend the collection thereof from the Mortgaged Property, any interest therein, or sums payable under the Leases or any portion of either thereof, (ii) neither the Mortgaged Property nor any interest therein, or sums payable under the Leases or any portion of either thereof, would be in any danger of sale, forfeiture or loss by reason of such proceedings, and (iii) Mortgagee receives a bond or other security acceptable to Mortgagee (however, if Grantor demonstrates to Mortgagee's satisfaction, that no such bond or security is necessary, Mortgagee will waive the requirement of such bond or other security).

5. Maintenance. Grantor (a) shall keep the Mortgaged Property in good order, condition and repair, and shall not permit or suffer any waste thereof; (b) shall make all necessary and proper renewals, replacements and additions to the Mortgaged Property; (c) shall permit Mortgagee or its designee to enter upon and inspect the Mortgaged Property at any time; (d) shall not alter or tear down the improvements made or to be made on the Real Property included in the Mortgaged Property or permit them to be altered or torn down, without the prior written consent of Mortgagee; and (e) except as described in the Development Loan Agreement, shall not make any improvements to or on the Mortgaged Property, without the prior written consent of Mortgagee, other than necessary and appropriate repairs and replacements.

6. Covenants of Grantor. (a) Grantor shall not sell (other than sales in the ordinary course of business as set forth in Section 6(d)), abandon, cease to own, Lease except pursuant to leases approved by Mortgagee, assign, encumber, transfer or dispose of the Mortgaged Property or any portion thereof, or any interest therein (except as may be permitted in the Certificate and Agreement), voluntarily or involuntarily without the prior written consent of Mortgagee.

(b) (i) Grantor shall not, except in accordance with the development plan attached as an exhibit to the Development Loan Agreement (the "Development Plan"), initiate or permit change of zoning or any other governmental agreement or control of any part of the Mortgaged Property, file subdivision or development plans or enter into any contract for the installation of roads, utilities, tree cutting or other work altering the Mortgaged Property without the prior approval of Mortgagee.

(ii) Within one hundred twenty (120) days after the Initial Disbursement Date (defined in Section 13(a)), and before the commencement of any work on the Mortgaged Property, Grantor shall furnish Mortgagee, for Mortgagee's approval,

soils reports and supporting engineering calculations to be used in obtaining all grading, environmental, land use, and any other permits, or approvals or licenses required for the construction of the infrastructure and use of the Mortgaged Property (including permits required for sediment control, dams and lakes), together with such permits if not provided before the Initial Disbursement Date, and design drawings, plans and specifications for construction of the improvements to the Mortgaged Property consistent with the Development Plan. All such items must conform to all applicable federal, state and local governmental rules, ordinances and regulations; including, without limitation, all applicable environmental protection laws. Neither the acceptance nor approval by Mortgagee of the plans and specifications, nor any subsequent inspections or approvals of the improvements during construction shall constitute a warranty or representation by Mortgagee as to the technical sufficiency, or adequacy or safety of the improvements or any component parts thereof, nor shall such approvals or inspections constitute such a warranty or representation as to the subsoil conditions involved in the project or any other physical condition or feature pertaining to the improvements. Mortgagee reserves the right to review and approve any material changes to the plans and specifications for the development of the Mortgaged Property. Mortgagee shall have fifteen (15) days following receipt of the complete set of the plans or specifications, or any modifications thereof, and the engineer's report (described in the immediately following paragraph), in which to review such items and, provided the transmittal letter to Mortgagee so indicates, failure to respond within such 15-day period shall be deemed approval.

(iii) Before Grantor commences any site work or construction of infrastructure or other improvements on the Mortgaged Property, Grantor shall furnish Mortgagee for Mortgagee's approval an engineering report with respect to the Mortgaged Property and all improvements existing or to be constructed thereon (and all the plans and specifications for such improvements) by an engineer satisfactory to Mortgagee. The engineering report shall be in form and substance satisfactory to Mortgagee. Grantor shall pay the costs of the engineering study. The engineer will confirm in its report that (A) the plans and specifications are full and complete in all material respects and conform to all applicable laws, (B) the improvements, if constructed substantially in accordance with the plans and specifications therefor, will comply with all applicable zoning, building, environmental and land use laws, statutes, codes and regulations, (C) all permits necessary for construction of the improvements have been or will be issued in the ordinary course of business, (D) all

permits necessary for occupancy and use of the Mortgaged Property have been or will be issued in the ordinary course of business, (E) adequate ingress and egress to the Mortgaged Property is available over public rights of way or validly existing easements, and (F) the Development Plan is feasible from all applicable engineering criteria and factors and the number of amenity and non-amenity lots available are consistent with the Development Plan.

(iv) Within one hundred twenty (120) days after the date of this Amended and Restated Mortgage, Grantor shall provide to Mortgagee for Mortgagee's approval and at Grantor's sole expense (A) an updated survey (the "updated survey") of the Real Property, conforming to the requirements of Section 12(ii) of the Commitment and reflecting all changes in the Real Property subject to the lien of this Amended and Restated Mortgage, including those effected by the Partial Release and the First Amendment; (B) an updated metes and bounds description of the Real Property (the "updated description") conforming to the updated survey; (C) an endorsement to Mortgagee's title insurance policy, conforming such policy to the updated survey and the updated description and containing only such additional exceptions to title as are acceptable to Mortgagee; and (D) a revision of the Development Plan, superimposing on the updated survey the Golf Course, proposed roads and lot lines and all other applicable items shown on the Development Plan, together with evidence satisfactory to Mortgagee of approval of such revised Development Plan by all governmental authorities having jurisdiction over the Development Plan.

(c) Grantor or an affiliate of Grantor shall develop the approximately 181 acres of the Real Property described in Exhibit B to this Amended and Restated Mortgage, and as further shown on the Development Plan, as a golf course (the "Golf Course") as follows:

(i) a developer approved by Mortgagee (the "Golf Course Developer") with written partnership or contractual relationships, each as approved by Mortgagee, with such parties as have been approved by Mortgagee in the Commitment, maintained throughout the development of the Golf Course, shall develop the Golf Course;

(ii) the Golf Course Developer shall submit all plans and specifications for development of the Golf Course to Mortgagee for Mortgagee's approval at least thirty (30) days before the date of the Golf Course Closing (defined below), and all material modifications thereof at least fifteen (15) days before commencing any of the work shown thereon;

(iii) Grantor shall lease the Golf Course to the Golf Course Developer for development and operation of the Golf Course pursuant to a ground lease approved by Mortgagee (the "Golf Course Ground Lease"). Simultaneously with the execution and delivery of the Golf Course Ground Lease and this Amended and Restated Mortgage, Grantor and the Golf Course Developer shall subordinate their interests under the Golf Course Ground Lease to the lien of the Golf Course Loan and the lien of this Amended and Restated Mortgage and all parties shall execute and deliver the Golf Course Loan Documents and all documents and items necessary to close the Golf Course Loan (the simultaneous events described in this Section 6(c)(iii) are collectively called the "Golf Course Closing");

(iv) the Golf Course Developer shall develop and operate the Golf Course in substantial accordance with plans and specifications approved by Mortgagee and the Golf Course Ground Lease;

(v) the Golf Course Developer shall submit to Mortgagee for Mortgagee's approval, at least fifteen (15) days before the execution thereof, a contract for the management and operation of the Golf Course acceptable to Mortgagee, including the identity of the proposed superintendent of the Golf Course;

(vi) until the Golf Course Loan has been paid and satisfied in full, and with respect only to the Golf Course, the lien and security interest of the Loan Documents and the Indebtedness, liabilities and obligations of Grantor to Mortgagee evidenced or secured thereby, shall be subject and subordinate to the lien and security interest of the Golf Course Loan Documents and principal indebtedness thereunder not to exceed \$7,000,000, and the liabilities and obligations of the Golf Course Developer to the Golf Course Lender evidenced or secured by the Golf Course Loan Documents, as if the Golf Course Loan Documents had been executed, delivered and filed for record in the public records of the Probate Office of Shelby County, Alabama or the Alabama Secretary of State, as the case may be, prior to the Loan Documents, without in any other manner releasing or affecting the first lien of the Loan Documents on the Mortgaged Property; and

(vii) Mortgagee shall release the Golf Course from the lien of the Loan Documents upon the closing of a sale of the Golf Course pursuant to the exercise of the groundlessee's option to purchase the Golf Course as set forth in the Golf Course Ground Lease, subject to covenants restricting the use of the Golf Course to the operation of a first-class golf and country club with related amenities, and for no other purpose.

(d) Mortgagee shall release the Property or any portion thereof from the lien of this Amended and Restated Mortgage upon (i) receipt or deposit into the Debt Service Reserve (as defined in the Note) of all proceeds due to Mortgagee from such sale pursuant to the Note and the other Loan Documents; (ii) approval of the sale price by Mortgagee; (iii) receipt of evidence satisfactory to Mortgagee of access of the remaining portions of the Property to public rights of way and to water and sewer service; and (iv) determination by Mortgagee in its reasonable discretion that such release will not adversely affect the land planning agreement concerning the infrastructure or marketability of the remaining portions of the Property. Sale prices which equal or exceed one hundred-fifty percent (150%) of the pro rata amortization amounts calculated in accordance with Exhibit D to this Amended and Restated Mortgage will be deemed to be approved by Mortgagee. All other sale prices must be specifically approved by Mortgagee after submission to Mortgagee of the applicable proposed contracts of sale. If, within fifteen (15) business days after receipt thereof, Mortgagee fails to respond to any such proposed contract of sale with notice to Mortgagee indicating that such failure to respond shall be deemed to be approval, then Mortgagee shall be deemed to have approved such contract of sale.

(e) After the maturity date of the Note, which is November 6, 1999, this Amended and Restated Mortgage shall remain in effect to secure payment of the continuing contractual obligation of Grantor to pay the additional interest (as more fully set forth in the Note) in net sales proceeds from the sales of portions of the Property; provided, however, that this Section 6(e) shall not apply if Mortgagee exercises its call option pursuant to the Note.

7. Encumbrances and Governmental Requirements. Grantor (a) shall keep the Mortgaged Property free from all liens and claims of every kind except for Permitted Exceptions, such non-monetary encumbrances as are approved in writing by Mortgagee and general real estate taxes and assessments, library district charges and fire district charges which are a lien on the Mortgaged Property and not yet delinquent and except that Grantor may contest Impositions as provided in Section 4, and (b) shall comply with all laws, regulations, judgments, orders and other governmental requirements applicable to the Mortgaged Property.

8. Insurance. Grantor shall at all times keep the Mortgaged Property other than the land constituting Real Property insured for the benefit of Mortgagee and Grantor, as their interests may appear, against loss or damage by fire by

"all risk" fire insurance and extended coverage insurance with broad form endorsements covering all improvements for the full replacement cost thereof with a waiver of subrogation, if available, and replacement cost agreed amount endorsements and against such other hazards, casualties and contingencies all as may be required from time to time by Mortgagee. Grantor will require annually the fire underwriters rating bureau, or equivalent organization acceptable to Mortgagee, to establish a value for the Mortgaged Property other than the land constituting Real Property and to furnish an executed copy thereof to Mortgagee. In each such policy Grantor shall have Mortgagee named as an additional insured and as loss payee, and Grantor will cause a standard New York mortgagee clause satisfactory to Mortgagee to be included in each such policy providing that all payments thereunder shall be made to the sole order of Mortgagee as its interest may appear, and a clause providing that such policy may not be cancelled or modified without thirty (30) days prior written notice to Mortgagee. During the construction, repair, restoration or replacement of improvements on the Real Property, Grantor shall obtain and keep in effect a standard builder's risk policy with extended coverage in the amount of one hundred percent (100%) of the value of the improvements, with a mortgagee clause and non-cancellation, non-modification clause as described above. Grantor shall not be required to furnish property insurance in excess of the full insurable value of the Mortgaged Property and all policies of such insurance shall have a deductible of not more than \$25,000.00.

Except as hereinafter provided, if Mortgagee receives any proceeds of the insurance described above, Mortgagee, at its option, may apply whatever sums are received either to the repair, restoration and replacement of the damaged or destroyed property, without obligation to see the sums are so applied, or to the payment of the Indebtedness other than additional interest in such manner or combination thereof, including inverse order of maturity of installments, if any, as Mortgagee, in its sole discretion, may elect. If a foreclosure sale of the Mortgaged Property or transfer in place of a foreclosure sale occurs, Mortgagee may cancel any of such policies and may apply any unearned premium returned to the payment of the Indebtedness.

If, however, any loss or damage to the Mortgaged Property occurs, the Mortgagee shall make the insurance proceeds received by the Mortgagee available for the restoration of the improvements affected by such loss or damage, subject to the following conditions:

(a) There shall be no Event of Default under any of the terms, covenants and conditions of the Note or this Amended and Restated Mortgage;

(b) All existing leases of the Mortgaged Property affected by such loss or damage shall continue in full force and effect, or such leases, after restoration is complete, shall be readily replaceable by leases having economic terms at least as favorable as those replaced;

(c) The Mortgagee shall first be given satisfactory proof that such improvements have been fully repaired, rebuilt, or otherwise restored or that by application of such proceeds they will be fully restored, free and clear of all liens, except the lien of this Amended and Restated Mortgage;

(d) If such proceeds shall be insufficient to restore the improvements, Grantor either shall deposit promptly with the Mortgagee funds which, together with such proceeds, shall be sufficient to restore the improvements, or shall provide other assurance satisfactory to Mortgagee that the funds necessary to such restoration will be available;

(e) If Grantor shall fail within a reasonable time, subject to delays beyond its control, other than lack of funds, to restore the improvements, the Mortgagee, at its option, may restore the improvements for and on behalf of Grantor and may do any act or thing as agent of Grantor necessary or appropriate to that end;

(f) Mortgagee shall hold the proceeds in escrow and disburse the funds in accordance with a construction draw schedule reasonably acceptable to Mortgagee, subject to (i) Mortgagee's approval of the plans, specifications, and contracts for the restoration, (ii) receipt of evidence reasonably satisfactory to Mortgagee that the amounts to be disbursed

are due and owing for work performed, and
(iii) receipt of paid invoices and lien
waivers for amounts previously paid;

(g) Any insurer under any policy of insurance who claims that no liability exists as to any insured under such policy shall waive any right it may have to be subrogated, in whole or in part, to any right or power of the Mortgagee under this Amended and Restated Mortgage or to the lien of this Amended and Restated Mortgage;

(h) the marketability, utility, and value of the Mortgaged Property as established by the Mortgagee is not so adversely affected by the casualty that the ratio, as established by the Mortgagee, of the then unpaid principal balance of the Note, as reduced by any excess proceeds applied to the Note, to the value of the remaining Mortgaged Property together with improvements if they were to be restored would be increased to a ratio higher than the ratio as established by the Mortgagee of the original principal balance of the Note to the original appraised value of the Mortgaged Property; and

(i) The excess of insurance proceeds over the amount necessary to complete restoration shall be applied as a credit upon any portion of the Indebtedness (other than additional interest) selected by the Mortgagee.

Grantor at all times shall maintain rental interruption insurance with respect to the business operated at the Mortgaged Property in such amounts as Mortgagee reasonably shall request, but in no event shall such rental interruption coverage exceed the actual rental income from the Mortgaged Property for a 12-month period.

Grantor at all times shall keep itself insured against liability for damages arising from any accident or casualty in or upon the Mortgaged Property by maintaining comprehensive general public liability insurance, the limits of which shall be at least five million dollars (\$5,000,000) single limit coverage.

BOOK 312 PAGE 225

If on the date of this Amended and Restated Mortgage, part or all of the Mortgaged Property is in an area that the Secretary of the United States Department of Housing and Urban Development has identified as having special flood or mud slide hazards, and in which the sale of flood insurance is available under the National Flood Insurance Act of 1968, 42 U.S.C.A. §4001 et seq., Grantor shall obtain and maintain a flood insurance policy satisfactory to Mortgagee in an amount equal to the balance due under the Note or to the limit of governmental assistance, whichever is less.

Grantor shall deliver to Mortgagee upon request the original of each policy or a certificate providing the Mortgagee the same protection under the mortgage clause as if the Mortgagee held the original policy and a copy of such policy, and shall deliver a renewal of each such policy at least thirty (30) days in advance of its expiration and evidence satisfactory to Mortgagee that the premium for such insurance is paid in full. Grantor shall notify Mortgagee orally or in writing of any casualty or loss within twenty-four (24) hours after Grantor has knowledge thereof. During the construction, repair, restoration or replacement of improvements on the land included in the Mortgaged Property, Grantor shall cause all contractors and subcontractors, including Grantor if it acts as a contractor, to obtain and keep in effect workmen's compensation insurance to the full extent required by applicable law.

All insurance required under this Amended and Restated Mortgage shall be written in such manner and by such companies as reasonably approved by Mortgagee.

The Grantor shall not take out any separate insurance concurrent in form or contributing in the event of loss with that required to be maintained under this Amended and Restated Mortgage unless the Mortgagee is included therein as a named insured, with loss payable to Mortgagee. The Grantor shall immediately notify the Mortgagee whenever any such separate insurance is taken out, specifying the insurer and full particulars as to such policies, and shall deliver to the Mortgagee certificates of insurers evidencing such insurance.

9. Accounts and Records; Financial Statements. Not later than March 31 of each calendar year after the year in which the Initial Disbursement Date (as defined in Section 13(a)) occurs, Grantor shall deliver to Mortgagee (A) an audited written statement prepared by an independent certified public accountant paid by Grantor and reasonably acceptable to Mortgagee (the "Final Statement") setting forth (1) the actual Net Sales Proceeds (as defined in the Note) for the preceding

calendar year, or portion thereof, (2) the amount of Net Sales Proceeds (as defined in the Note) to be paid to Mortgagee and to Grantor during such calendar year based on the actual amount of Net Sales Proceeds, and (3) the amount of principal repaid or to be repaid to Mortgagee pursuant to the Note; and (B) an audited financial statement of the Grantor for the preceding calendar year. Not later than ten (10) days after the end of each month, commencing with the month in which the Initial Disbursement Date occurs, Grantor shall prepare and deliver to Mortgagee (A) a written report (the "Status Report") on the status of the subdivision, development and sale of all remaining lots or portions of the Property as of the end of such month and (B) monthly income and expense statements.

Grantor shall deliver to Mortgagee, for Mortgagee's approval, thirty (30) days before commencement of any Phase (defined below) described in the operating and capital budget approved by Mortgagee pursuant to the last paragraph of this Section 9, a sales plan (the "Sales Plan") for such Phase setting forth a proposed sale price, proposed calculation of pro rata repayment of principal in accordance with the Note and proposed calculation of prorated costs of development and operation in accordance with the Note for each lot or other portion of the Phase. Grantor shall not commence development of any Phase until Mortgagee has approved the Sales Plan for such Phase.

The Quarterly Statements (as defined in the Note) and Final Statement shall show all items relative to the calculation of Net Sales Proceeds (as set forth in the Note), and be certified by the general partner of Grantor as being true and correct at the time made. Grantor shall keep books and records setting forth the annual Net Sales Proceeds and quarterly Net Sales Proceeds in reasonable detail in accordance with generally accepted accounting principles. Mortgagee, through its authorized agent, representative or public accounting firm selected by Mortgagee, may, at its expense, inspect the books and records of Grantor for the purpose of verifying information contained in each Quarterly Statement, Final Statement, audited financial statement of the Grantor or Status Report.

Commencing on the Initial Disbursement Date, Grantor shall provide to Mortgagee within thirty (30) days after the end of each calendar month a monthly income and expense statement prepared in accordance with generally accepted accounting principles showing the monthly income and expenses in detail by line item sufficient for Mortgagee to be able to review the financial status of the Property.

Grantor shall submit to Mortgagee no later than October 15 of each year preceding the budget year an operating and capital budget prepared by Grantor which will provide for the development of the Property for the subsequent calendar year, define phases of development of the Property (herein referred to individually as a "Phase") set forth the number of lots and corresponding infrastructure proposed for development in each Phase and line item costs of development and operation of the Property for each Phase. Mortgagee shall have thirty (30) days following its receipt of the budget to approve such budget, and if Mortgagee fails to approve or specify its objections in writing within such thirty (30) day period the budget shall be deemed approved. Mortgagee has approved the initial operating and capital budget attached as an exhibit to the Development Loan Agreement.

Grantor shall also deliver to Mortgagee copies of all reports, disbursement requests, financial or other statements, cost breakdowns, estoppel affidavits and notices simultaneously with the delivery of such items to the Golf Course Lender pursuant to the Golf Course Loan Documents.

10. Leases and Management. Grantor shall carry out all of its obligations as lessor set forth in any Lease and not permit a lien or other encumbrance superior to any Lease other than this Amended and Restated Mortgage and the other Loan Documents. Grantor shall furnish Mortgagee a copy of each executed Lease immediately upon its execution. Grantor shall execute an assignment of any present or future Lease and the rents due under such Lease in the form provided by Mortgagee. No such assignment shall be construed as a consent by Mortgagee to any Lease or to impose on the Mortgagee any obligation with respect to such Lease.

If, after an Event of Default by Grantor, any lessee fails to pay rent to the Mortgagee pursuant to such assignment, any rent collected by Grantor shall be deemed to constitute a trust fund for the benefit of the Mortgagee and be held by Grantor as a trustee for Mortgagee.

Grantor shall not make any other assignment, hypothecation or pledge of any rents under any Lease, nor modify, cancel, terminate or accept a surrender of any Lease other than in the ordinary course of business, nor accept a prepayment of rent other than the usual prepayment as would result from the acceptance by lessor on each regular rental installment period of any Lease without the prior written approval of Mortgagee. The holder of any subordinate lien shall not have any right to modify or terminate any Lease affecting the Mortgaged Property whether or not such Lease is

subordinate to this Amended and Restated Mortgage. Subject to the rights of the lessees therein, Grantor may use such payments in the ordinary course of Grantor's business, until an Event of Default shall occur.

Grantor hereby assigns to Mortgagee, as further security for the payment of the Indebtedness, the rents, security deposits, issues and profits of the Mortgaged Property, together with all Leases and other documents evidencing such rents, issues and profits now or hereafter in effect and any and all deposits held as security under said Leases. Nothing contained in the foregoing sentence shall be construed to bind Mortgagee to the performance of any of the covenants, conditions or provisions contained in any such Leases, or other document or otherwise to impose any obligation on Mortgagee (including, without limitation, any liability under the covenant of quiet enjoyment contained in any Lease or in any law of any applicable state in the event that any tenant shall have been joined as a party defendant in any action to foreclose this Amended and Restated Mortgage and shall have been barred and foreclosed thereby of all right, title and interest and equity of redemption in the Mortgaged Property), except that Mortgagee shall be accountable for any money actually received pursuant to such assignment. Grantor hereby further grants to Mortgagee the right if an Event of Default has occurred and is continuing (i) to enter upon and take possession of the Mortgaged Property for the purpose of collecting the said rents, issues and profits, (ii) to dispossess by the usual summary proceedings any tenant defaulting in the payment thereof to Mortgagee, (iii) to let the Mortgaged Property, or any part thereof, and (iv) to apply said rents, issues and profits, after payment of all necessary charges and expenses, on account of said Indebtedness. Such assignment and grant shall continue in effect until the Indebtedness is paid, the execution of this Amended and Restated Mortgage constituting and evidencing the irrevocable consent of Grantor to the entry upon and taking possession of the Mortgaged Property by Mortgagee pursuant to such grant, whether foreclosure has been instituted or not and without applying for a receiver. Until the occurrence of an Event of Default, Grantor shall be entitled to collect and receive said rents, issues and profits. Grantor agrees to use said rents, issues and profits in payment of principal and interest becoming due under this Amended and Restated Mortgage and in payment of taxes, assessments, water rates, sewer rents and carrying charges becoming due against the Mortgaged Property. Such right of Grantor to collect and receive such rents, issues and profits may be revoked by Mortgagee upon the occurrence of an Event of Default by giving written notice of such revocation, served personally upon or sent by registered or certified mail to the tenants of the Mortgaged Property.

BOOK 312 PAGE 228

Grantor shall not change the development manager of the Property without the prior written consent of the Mortgagee, except that Mortgagee shall permit a change if the new manager is owned and controlled by the same persons or entities, and to the same extent, as is the existing manager.

11. Advances. If (a) Grantor shall fail to perform any of Grantor's obligations under this Amended and Restated Mortgage and an Event of Default shall have occurred and be continuing, Mortgagee shall have the option to make advances or payments to perform or satisfy such obligations; or (b) Grantor or the Golf Course Developer shall fail to perform any of their obligations under the Golf Course Loan Documents, and Mortgagee shall elect to make advances to cure such defaults pursuant to the Inter-Creditor Agreement, Mortgagee shall have the option to make such advances. All sums so advanced or paid shall (c) be deemed to have been made to protect the security for the Note; (d) be at once repayable by Grantor and shall bear interest at the default rate as set forth in the Note, from the date such amounts shall become due and payable until the date paid; and (e) become, with interest as stated, a part of the Indebtedness, which Indebtedness is intended to be secured by this Amended and Restated Mortgage.

12. Condemnation. Should the grade of any street be altered or all or any part of the Mortgaged Property be condemned or taken through eminent domain proceedings or transfer in place or in anticipation thereof, then except as hereinafter provided, all or such part of any award or proceeds derived therefrom, as Mortgagee in its sole discretion may determine in writing, shall be paid to Mortgagee and applied to the payment of the Indebtedness other than additional interest, in such manner or combination thereof, including inverse order of maturity of installments of principal, if any, as Mortgagee, in its sole discretion, may elect.

If, however, part of the Mortgaged Property is condemned or taken through eminent domain proceedings, the Mortgagee shall make the condemnation proceeds received by the Mortgagee available for the restoration of the improvements affected by such loss or damage, subject to the following conditions:

(a) satisfaction of the conditions (a), (d), (e), (f), (h), (i) and (j) of Section 8 as if such paragraphs referred to condemnation proceeds;

(b) all existing leases of the Mortgaged Property affected by such loss or damage shall

continue in full force and affect except as to the area taken and except to the extent of a reduction in rent in direct proportion to the floor area taken; and

(c) the Mortgagee shall first be given satisfactory proof that such improvements have been restored to an integrated whole or that by application of such proceeds they will be restored to an integrated whole, free and clear of all liens, except the lien of this Amended and Restated Mortgage.

13. Funding. Mortgagee shall disburse funds to Grantor under the conditions set forth in this Section 13:

(a) the sum of \$12,843,837.41 has been disbursed to the Grantor on November 7, 1989 (the "Initial Disbursement Date").

(b) Mortgagee has retained the sum of \$1,929,162.59 (the "Contingency Reserve"), of which \$1,463,397.18 has been disbursed to Grantor as of this date, to disburse to Grantor on a quarterly basis for any unforeseen, unbudgeted costs of marketing, construction of infrastructure, administration, contingencies and closing costs in connection with the Property and not covered by the Working Capital Reserve (as defined in the Development Loan Agreement) and approved by Mortgagee upon

(1) satisfaction of the conditions set forth in the Commitment and the Loan Documents, including, without limitation, the disbursement contemplated by Section 13(a);

(2) issuance by the title insurer of an appropriate endorsement to the Mortgagee's title policy satisfactory to Mortgagee covering such disbursement and showing no adverse change in the title to the remaining portions of the Mortgaged Property since the Initial Disbursement Date, other than non-monetary encumbrances approved by Mortgagee;

(3) receipt by Mortgagee of evidence reasonably satisfactory to Mortgagee of the costs of the items for which such disbursement has been requested;

(4) receipt by Mortgagee of evidence reasonably satisfactory to Mortgagee of the approval (if required) by appropriate governmental authorities having jurisdiction over the Property of the plans and specifications with respect to the work for which such disbursement has been requested;

(5) receipt by Mortgagee of executed lien waivers from all parties entitled to claim mechanics' or materialmen's liens for such work and an architect's or engineer's certificate stating that such work has been substantially completed in accordance with the plans and specifications, all applicable building codes, laws, statutes and regulations and, if available, a certificate of occupancy issued by the appropriate governmental authorities having jurisdiction over the Property); and

(6) for any disbursement requested during the term of the Interest Guaranty, delivery to Mortgagee of a letter of credit based on the amount requested to be disbursed and calculated on the same terms and conditions as set forth in the Interest Guaranty.

Disbursements made from the Contingency Reserve shall be in the amount of the actual costs to Grantor of the items for which such disbursements are requested. Grantor must meet the requirements for the disbursement of the Contingency Reserve within twenty-four (24) months after the Initial Disbursement Date. After such twenty-four month period, Mortgagee shall have no further obligation to disburse to Grantee any portion of the Contingency Reserve.

(c) Mortgagee shall make no disbursement pursuant to this Section 13 if Grantor shall be in default under the Commitment, any of the Loan Documents or the joint venture commitment (as defined in paragraph 12 (xviii) of the Commitment) or an event shall have occurred but for the giving of notice or passage of time would constitute a default under the Commitment, any of the Loan Documents, or the joint venture commitment.

14. Defaults. Each of the following events shall constitute a default ("Event of Default") under this Amended and Restated Mortgage:

(a) default shall be made in any payment of the principal, interest or premium, if any, on the Note when and as such payment shall become due and payable as provided in the Note;

(b) default shall be made in the observance or performance of one or more of the other terms, covenants or other obligations on the part of Grantor set forth in the Note, this Amended and Restated Mortgage or the other Loan Documents (other than those set forth below) and the failure to perform such obligation is not cured within thirty (30) days after written notice thereof specifying such default. Grantor shall have for each such default under this Section 14(b) up to two (2) additional 60-day periods to cure a non-monetary default if Grantor is proceeding with due diligence to correct such default, and by its nature such default cannot be cured within the applicable time period, and such default is reasonably likely to be cured within the applicable 60-day period;

(c) any representations or warranty of the Grantor set forth in this Amended and Restated Mortgage, the Note, or any document executed in connection with the Loan shall prove to be incorrect in any material respect as of the time when made;

(d) any court of competent jurisdiction shall sign an order (i) adjudicating Grantor bankrupt, (ii) appointing a trustee or receiver of the Mortgaged Property or of a substantial part of the property of Grantor, or (iii) approving a petition for, or effecting an arrangement or reorganization in bankruptcy, or any other judicial modification or alteration of the rights of Mortgagee or of other creditors of Grantor; or if Grantor shall file any petition, consent to any action, or seek relief under any laws affecting creditor's rights; or if Grantor shall make an assignment for the benefit of creditors or shall admit in

writing inability to pay debts generally as they become due, except that Grantor shall have sixty (60) days within which to dismiss an involuntary proceeding brought against Grantor;

(e) if Grantor dissolves or permits the dissolution of Grantor or of its general partner;

(f) a default occurs in the Certificate and Agreement;

(g) if the Grantor violates Section 6, Section 7, or fails to pay any Imposition as required by Section 4 of this Amended and Restated Mortgage;

(h) if final judgment for the payment of money is entered against the Grantor and the Grantor shall not discharge such judgment by payment or bond within thirty (30) days following the entry thereof;

(i) if Grantor engages in any business unrelated to the operation of the Mortgaged Property and any other real estate adjacent to or in close proximity with the Mortgaged Property and owned by Grantor;

(j) if a default occurs under either the Interest Guaranty or the Working Capital Guaranty;

(k) failure of any of the events or matters described in Section 6 of this Amended and Restated Mortgage.

(l) if Grantor or the Golf Course Developer defaults in their obligations under the Golf Course Loan Documents and such default is not cured by any party other than Mortgagee within any applicable cure period specified in the Golf Course Loan Documents; or

(m) if Grantor defaults in its obligations under the Golf Course Ground Lease and such default is not cured by any

party other than Mortgagee within any applicable cure period specified in the Golf Course Ground Lease.

15. Remedies. In every such case upon the occurrence of an Event of Default, the Mortgagee may do the following:

(a) The Mortgagee, by notice to the Grantor may, declare the entire unpaid principal amount of the Note (if not then due and payable) and all accrued and unpaid interest thereon and any premiums to be due and payable immediately.

(b) The Mortgagee or its agents may enter upon the Mortgaged Property and may exclude the Grantor and any other occupant therefrom; and, at the expense of the Mortgaged Property, may use, operate, manage and control the Mortgaged Property and conduct the business thereof, may maintain and restore the Mortgaged Property and may make all necessary or proper repairs and replacements and any useful alterations, additions and improvements thereto. The Mortgagee shall be entitled to collect and receive all earnings, rents and other revenues of the Mortgaged Property and the Grantor hereby assigns such revenues to the Mortgagee. After deducting the expenses of conducting the business thereof and of all maintenance and improvements and of prior or other charges upon the Mortgaged Property, including reasonable compensation for the services of all attorneys and agents employed by the Mortgagee, the Mortgagee shall apply the moneys from the Mortgaged Property in the following order of priority: (i) to the payment of the amount then owing on the Note for interest; (ii) to the payment of any other sums secured by this Amended and Restated Mortgage; (iii) to the payment of the amount then owing on the Note for principal; and (iv) to the payment of the surplus, if any, to whomever is entitled thereto.

(c) The Mortgagee by its agents or attorneys, may:

(1) bring a court action at law or in equity (i) to foreclose this Amended and Restated Mortgage, or (ii) to enforce its provisions or any of the indebtedness or obligations secured by this Amended and Restated Mortgage, either or both, concurrently or otherwise, and one action or suit shall not abate or be a bar to or waiver of Mortgagee's right to institute or maintain the other, provided that Mortgagee shall have only one payment and satisfaction of the indebtedness;

(2) cause any or all of the Mortgaged Property to be sold under the power of sale granted by this Amended and Restated Mortgage in any manner permitted by applicable law;

(3) exercise any other right or remedy available under law or in equity;

(4) sell the Mortgaged Property at public outcry to the highest bidder for cash in front of the Court House door in the County where the Mortgaged Property is located, either in person or by auctioneer, after having first given notice of the time, place and terms of sale by publication once a week for three (3) successive weeks prior to such sale in some newspaper published in such county, and, upon payment of the purchase money, Mortgagee or any person conducting the sale for Mortgagee, is authorized to execute to the purchaser at such sale a deed to the property so purchased. Mortgagee may bid at such sale and purchase the Mortgaged Property, or any part thereof, if the highest bidder therefor. At the foreclosure sale the Mortgaged Property may be offered for sale and sold as a whole without first offering it in any other manner or may be offered for sale and sold in any other manner Mortgagee may elect in its sole discretion.

(d) At the option of the Mortgagee, this Amended and Restated Mortgage may be foreclosed as provided by law or in equity, in which event a reasonable attorney's fee shall, among other costs and expenses, be allowed and paid, out of the proceeds of the sale. In the event Mortgagee exercises its option to foreclose this Amended and Restated Mortgage in equity, Mortgagee may, at its option, foreclose this Amended and Restated Mortgage subject to the rights of any tenants of the Mortgaged Property, and the failure to make any such tenants parties defendant to any such foreclosure proceeding and to foreclose their rights will not be, nor be asserted to be by the Grantor, a defense to any proceedings instituted by the Mortgagee to collect the sums secured hereby.

(e) The Mortgagee shall have all rights and remedies provided to a secured party by the Alabama Uniform Commercial Code with respect to such property in the Mortgaged Estate, if any, as the Alabama Uniform Commercial Code governs.

16. Sale of Property, Application of Proceeds. (a) To the extent permitted by law, the Mortgagee may postpone, one or more times, any sale of all or any part of the Mortgaged Property by public announcement at the time and place of such sale.

(b) Upon the completion of any sale by the Mortgagee under this Section 16, the Mortgagee shall execute and deliver to the purchaser sufficient deeds and other instruments transferring all their right, title and interest in and to the property and rights sold. The Grantor hereby irrevocably

appoints the Mortgagee the true and lawful attorney of the Grantor to make, in its own name and stead or in the name of the Grantor, all necessary conveyances, assignments, transfers and deliveries of the property and rights so sold, and for that purpose the Mortgagee may execute all necessary deeds and instruments of assignment and transfer and may substitute persons with like power, the Grantor hereby ratifying and confirming all that such attorneys or substitutes shall lawfully do by virtue hereof. Any sale made under or by virtue of this Section 16, shall divest all the estate and any right of the Grantor and any person claiming from, through or under the Grantor to the property and rights so sold, and shall be a perpetual bar against the Grantor and the respective successors and assigns.

(c) The receipt of the Mortgagee for the purchase money paid as a result of any such sale shall be sufficient discharge therefor to any purchaser of the Mortgaged Property sold as aforesaid. No such purchaser or its assigns shall be bound to see to the application of such purchase money upon or for any purpose hereof, shall be answerable in any manner whatsoever for any loss or misapplication of any of such purchase money or shall be bound to inquire as to the regularity of any such sale.

(d) If any sale under this Section 16 occurs, the entire principal of and interest on the Note and all other sums required to be paid by the Grantor pursuant hereto, if not previously due and payable, shall immediately become due and payable.

(e) The Mortgagee shall apply the purchase money or proceeds of any sale made under this Section 16, and any other amounts which the Mortgagee then may hold as part of the Mortgaged Property, in the following order: (i) to the payment of the costs and expenses of such sale including, but not limited to, reasonable legal fees and disbursements, title charges and transfer taxes, and payment of all expenses liabilities and advances of the Mortgagee under this Amended and Restated Mortgage together with interest at the rate provided under the Note on all advances made by the Mortgagee; (ii) payment of all sums expended by the Mortgagee under the terms of this Amended and Restated Mortgage and not yet repaid together with interest on such sums at the rate provided with the Note; (iii) payment of the indebtedness and obligations of the Grantor secured by this Amended and Restated Mortgage in any order that the Mortgagee chooses; (iv) the remainder, if any, to the person or persons appearing of record to be the owner of the Mortgaged Property.

(f) Upon any sale made under this Section 16, to the extent permitted by applicable law, the Mortgagee, may bid for and acquire the Mortgaged Property and, instead of paying cash therefor, may settle for the purchase price by crediting upon the indebtedness of the Grantor secured by this Amended and Restated Mortgage the net proceeds of sale after deduction of all costs and other charges payable therefrom under this Amended and Restated Mortgage. The person making such sale shall accept such settlement without requiring the production of any of the Note, and shall credit thereon the proportionate share of the net proceeds of sale ascertained pursuant to this Amended and Restated Mortgage. The Mortgagee, upon so acquiring the Mortgaged Property or any part thereof may deal with such property in any manner provided by applicable laws.

(g) In case of proceedings against or involving the Grantor in insolvency or bankruptcy (including any proceedings under any federal or state bankruptcy or insolvency statute or similar law) or any proceedings for its reorganization or involving the liquidation of its assets, the Mortgagee shall be entitled to prove the whole amount of principal, interest and premium, if any, due upon the Note to the full amount thereof and all other payments and costs due under this Amended and Restated Mortgage without deducting therefrom any proceeds obtained from the sale of the whole or any part of the Mortgaged Property; provided, however, that in no case shall the Mortgagee receive a greater amount than such principal and interest and such other payments and costs from the aggregate amount of the proceeds of all sales of the Mortgaged Property.

17. Voluntary Appearance; Receivers. Upon the occurrence of an Event of Default and immediately upon the commencement of any proceeding by the Mortgagee to obtain judgment for any indebtedness due hereunder or the Note, the Grantor, to the extent not prohibited by law, will (a) enter its voluntary appearance in such proceeding, and (b) if required by the Mortgagee, consent to the appointment of receivers of the Mortgaged Property and of all the revenues thereof. After an Event of Default the Mortgagee shall be entitled forthwith, as a matter of right and if it shall so elect, without the giving of notice to any other party (except as provided by the Inter-Creditor Agreement) and without regard to the adequacy or inadequacy of the security of the Mortgaged Property either before or after declaring the unpaid principal balance of the Note to be due and payable, to the appointment of such receivers. Any such receiver shall have such powers as the court making the appointment shall confer and all of the powers which Mortgagee is authorized to exercise by the provisions of Section 15.

18. Suits by Mortgagee. The Mortgagee may enforce all rights of action under this Amended and Restated Mortgage or under the Note without the possession of the Note and without the production thereof at any trial or other proceeding relative thereto. A copy of the Note shall constitute conclusive evidence of all matters that could be proven by production of the original of the Note in any proceeding relative thereto. The Mortgagee shall bring any such proceeding in its name.

19. Waiver of Default. The Mortgagee may waive any default hereunder and its consequences, except a default (a) in the payment or prepayment of the principal of or interest on the Note when and as such amount becomes due and payable, (b) depriving the Mortgagee of a lien upon the Mortgaged Property, or (c) in the due performance or observance of the covenants and obligations of the Grantor set forth in Section 4. In case of any such waiver or in case of discontinuance or determination adverse to the Mortgagee of any proceeding taken on account of any such default, then the Mortgagee shall be restored to its former positions and rights hereunder respectively. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

20. Remedies Cumulative. No remedy herein conferred upon the Mortgagee shall be exclusive of any other remedy. Each remedy shall be cumulative and shall be in addition to every other remedy given hereunder. No delay or omission of the Mortgagee to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy of the Mortgagee may be exercised from time to time and as often as may be deemed expedient.

21. Waiver of Rights. The Grantor will not (a) claim or take any benefit of any stay, extension or moratorium law which may affect the terms of this Amended and Restated Mortgage; (b) claim or take any benefit of any law providing for the valuation or appraisal of the Mortgaged Property; or (c) exercise any statutory or equitable right to redeem the property so sold. The Grantor waives all right to have the Mortgaged Property marshaled upon any foreclosure hereof. The Grantor waives all rights of exemption pertaining to real or personal property as to any indebtedness secured by or that may be secured by this Amended and Restated Mortgage and Grantor waives the benefit of any statute requiring that the owner of the Mortgaged Property be set off against any part of the indebtedness secured hereby.

22. Indemnity. Mortgagee shall not be obligated to perform or discharge any obligation or duty to be performed or discharged by Grantor under any Lease. Grantor shall indemnify Mortgagee for and save Mortgagee harmless from any and all liability arising from any Lease or assignment of a Lease as security under this Amended and Restated Mortgage unless resulting from Mortgagee's negligence or willful misconduct. Mortgagee shall not have any responsibility for the control, care, management or repair of the Mortgaged Property or be liable for any negligence (other than Mortgagee's) in the management, operation, upkeep, repair or control of the Mortgaged Property resulting in loss or injury or death to any lessee or any other entity.

23. Expenses. Grantor shall pay all costs, charges and expenses, including attorneys' fees which Mortgagee may incur with respect to the settlement of this loan transaction or with respect to defending or enforcing the validity or priority of the lien of this Amended and Restated Mortgage, or any term, covenant or condition hereof, in collecting any sum secured hereby, in protecting the security of the Mortgagee, or, if an Event of Default shall occur, in administering and executing the Mortgage hereby created and performing its powers, privileges and duties hereunder.

24. Waivers and Modifications. Mortgagee may (a) extend the time for payment of the Indebtedness, or any part thereof, or interest thereon, (b) waive, modify or amend any of the terms, covenants or conditions in the Note, this Amended and Restated Mortgage or any other paper or document executed in connection with the Loan, in whole or in part, either at the request of Grantor or of any person having an interest in the Mortgaged Property, (c) accept one or more notes in replacement or substitution of the Note, (d) consent to the release of all or any part of the Mortgaged Property from the lien of this Amended and Restated Mortgage, (e) take or release other security, (f) release any party primarily or secondarily liable on the Note or under this Amended and Restated Mortgage or on such other security, (g) grant extensions, renewals or indulgences under the Note or this Amended and Restated Mortgage, (h) apply to the payment of the principal and interest and premium, if any, of the Indebtedness any part or all of the proceeds obtained by sale or otherwise as provided herein, without resort or regard to other security, or resort to any one or more of the securities or remedies which Mortgagee may have and which in its absolute discretion it may pursue for the payment of all or any part of the Indebtedness, in such order and in such manner as it may determine, all without in any way releasing Grantor or any party secondarily liable from any of the terms, covenants or conditions of the

Note, this Amended and Restated Mortgage, or other document executed in connection with the Loan, or relieving the unreleased Mortgaged Property from the lien of this Amended and Restated Mortgage for any amounts owing under the Note and this Amended and Restated Mortgage.

25. No Other Security Interests.
