(d) Disbursement of Proceeds. If Secured Party elects pursuant to Section 3.07(b) or is required pursuant to Section 3.07(c) to apply insurance proceeds to restoration, (i) the proceeds may at Secured Party's election be disbursed in installments by Secured Party or by a disbursing agent ("Depository") selected by Secured Party and whose fees and expenses shall be paid by Debtor, (ii) Debtor shall upon demand by Secured Party from time to time deposit with Secured Party or a Depository, in a mutually acceptable interest-bearing account, the amount of any deductible under such insurance coverage and such amounts in excess of the amount from time to time on deposit as may be necessary to complete such restoration, and (iii) the insurance proceeds shall be disbursed from time to time as restoration progresses satisfactorily in Secured Party's reasonable judgment, based upon receipt of appropriate lien waivers and a certificate of the architect or engineer in charge of the work, the form and content of such certificate to be reasonably satisfactory to Secured Party, and title insurance protection against mechanic's and materialmen's liens. If an Event of Default occurs prior to full disbursement of the insurance proceeds, any undisbursed portion may, at Secured Party's option, be applied to the Obligations, whether or not then due and in any order of priority.

Section 3.08 Condemnation.

(a) Debtor's Obligations: Proceedings. Promptly upon obtaining knowledge of any pending or threatened institution of any proceedings for the condemnation of the Collateral, or any part or interest therein, or of any right of eminent domain, or of any other proceedings arising out of injury or damage to or decrease in the value of the Collateral (including any change in any street, whether as to grade, access or otherwise), or any part thereof or interest therein, Debtor will notify Secured Party of the threat or pendency thereof. Secured Party may participate in any such proceedings (but shall not be obligated to do so), and Debtor from time to time will execute and deliver to Secured Party all instruments requested by Secured Party or as may be required to permit such participation. Debtor shall, at its expense, diligently prosecute any such proceedings, shall deliver to Secured Party copies of all papers served in connection therewith and shall consult and cooperate with Secured Party, its attorneys and agents, in the carrying on and defense of any such proceedings; provided that no settlement of any such proceeding shall be made by Debtor without Secured Party's prior written consent.

(b) Secured Party's Rights to Proceeds. All proceeds of condemnation awards or proceeds of sale in lieu of condemnation, and all judgments, decrees and awards for injury or damage to the Collateral are hereby assigned and shall be paid to Secured Party. Debtor agrees to execute and deliver such further assignments thereof as Secured Party may request and authorizes Secured Party to collect and receive the same, to give receipts and acquittances therefor, and to appeal from any such judgment, decree or award. Secured

Party shall in no event be liable or responsible for failure to collect, or exercise diligence in the collection of, any of the same.

(c) Application of Proceeds. Secured Party shall have the right to apply any proceeds, judgments, decrees or awards referred to in subsection (b) of this Section, first, to reimburse Secured Party for all costs and expenses, including attorneys' fees and disbursements, incurred in connection with the proceeding in question and any appeal therefrom or in the collection of such amounts, and, second, subject to Section 3.08(d), to apply the remainder thereof as provided in Sections 3.07(b) and 3.07(d) for insurance proceeds held by Secured Party. In the event that Debtor shall have received all or any portion of such proceeds, judgments, decrees or awards, Debtor, upon demand from Secured Party, shall pay to Secured Party an amount equal to the amount so received by Debtor, to be applied as Secured Party shall have the right pursuant to this subsection. Notwithstanding anything herein or at law or in equity to the contrary, none of the proceeds, judgments, decrees or awards or payments in lieu thereof paid to Secured Party as herein provided shall be deemed trust funds and Secured Party shall be entitled to dispose of such proceeds as provided in this Section. Upon any application of condemnation award proceeds to any partial prepayment of the Obligations, Secured Party shall provide

(d) Application of Proceeds to Restoration. Anything in this Section 3.08 to the contrary notwithstanding, in the event of a limited, partial taking as hereinafter described, Secured Party shall permit the application of any condemnation award or other payment to restoration of the Collateral and all Improvements (including, but not limited to, parking, drives, sidewalks and landscaping) located thereon to substantially the same size and character as theretofore existed, and to as good or better condition, in accordance with plans and specifications approved by Secured Party in its reasonable discretion, if: (a) such taking involves less than 20% of the rentable square feet in the Improvements or less than 10% of the parking spaces, and does not affect access to the Collateral (or any part thereof) from any public right-of-way; (b) there is no Event of Default hereunder at the time of such application; (c) any and all lessees of the Premises whose leases permit termination thereof or abatement of rent as a result of such taking agree in writing to continue their leases without abatement of rent; (d) the remaining Collateral continues at all times to comply with all applicable building, zoning and other land use laws and regulations; and (e) in Secured Party's sole judgment, restoration is practicable and can be completed within one (1) year after the taking and at least ~~twelve (12)~~ months prior to the maturity of the Note. If Secured Party

Debtor with a revised schedule of monthly debt service payments as same have been reduced by such partial prepayment.

three (3) elects or is required to apply such proceeds to restoration, said application shall be made pursuant to the provisions of Section 3.07(d) hereunder.

(e) Effect on the Obligations. Notwithstanding any condemnation, taking or other proceeding referred to in this Section causing injury to or decrease in value of the Premises (including a change in any street, whether as to grade, access or otherwise), or any interest therein, Debtor shall continue to pay and perform the Obligations as provided herein. Any reduction in the Obligations resulting from such application shall be deemed to take effect only on the date of receipt by Secured Party of such proceeds, judgments, decrees or awards and application against the Obligations, provided that if prior to the receipt by Secured Party of such proceeds, judgments, decrees or awards, the Collateral shall have been sold on foreclosure of this Instrument (or pursuant to the power of sale granted hereunder), or shall have been transferred by deed in lieu of foreclosure, Secured Party shall have the right to receive the same to the extent of any deficiency found to be due upon such sale, with legal fees and disbursements incurred by Secured Party in connection with the collection thereof.

Section 3.09 Liens and Liabilities.

(a) Discharge of Liens. Debtor shall pay, bond or otherwise discharge, from time to time when the same shall become due, all claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in, or permit the creation

of, a lien or encumbrance on the Collateral, or on the revenues, rents, issues, income or profits arising therefrom and, in general, Debtor shall do, or cause to be done, at Debtor's sole cost and expense, everything necessary to fully preserve the lien and security interest created by this Instrument and the priority thereof.

(b) Creation of Liens. Debtor shall not, without Secured Party's prior written consent, create, place or permit to be created or placed, or through any act or failure to act, acquiesce in the placing of, or allow to remain, any deed of trust, mortgage, deed to secure debt, voluntary or involuntary lien, whether statutory, constitutional or contractual (except for Impositions which are not yet due and payable), security interest, encumbrance or charge, or conditional sale or other title retention document, against or covering the Collateral, prior to, on a parity with or subordinate to the lien of this Instrument, other than Permitted Encumbrances. (See "Rider" to the Instrument, which Rider is attached hereto and incorporated herein by reference).

(c) No Consent. Nothing in the Loan Documents shall be deemed or construed in any way as constituting the consent or request by Secured Party, express or implied, to any contractor, subcontractor, laborer, mechanic or materialman for the performance of any labor or the furnishing of any material for any improvement, construction, alteration or repair of the Collateral. Debtor further agrees that Secured Party does not stand in any fiduciary relationship to Debtor.

Section 3.10 Tax and Insurance Deposits.

an Event of

(a) Amount of Deposits. Secured Party may, at any time after a Default (whether or not subsequently cured), require for the balance of the term of the Note that Debtor deposit with Secured Party or any service or financial institution designated by Secured Party pursuant to Section 3.10(e) (collectively, a "Depository"), monthly, one-twelfth (1/12) of the annual ~~Impositions~~ and the premiums for insurance required under Section 3.06, and Debtor shall, accordingly, make such deposits. In addition, if required by Secured Party, Debtor shall also deposit with the Depository a sum of money which, together with the aforesaid monthly installments, will be sufficient to make each of said payments of ~~Impositions~~ and premiums at least sixty (60) days before such payments are due. If the amount of any such payments is not ascertainable at the time any such deposit is required to be made, the deposit shall be made on the basis of Secured Party's estimate thereof, and, when such amount is fixed for the then-current year, Debtor shall promptly deposit any deficiency with the Depository.

(b) Use of Deposits. All funds so deposited shall, until so applied, constitute additional security for the Obligations, shall be held by the Depository without interest, may be commingled with other funds of the Depository, and, provided that no Event of Default (as defined in Section 6.01) shall have occurred and be continuing hereunder, shall be applied in payment of the aforesaid amounts prior to their becoming delinquent, but only to the extent that the Depository shall have such funds on hand, provided that the Depository shall have no obligation to use said funds to pay (i) any installment of ~~Impositions~~ prior to the last day on which payment thereof may be made without penalty or interest or to pay any insurance premium prior to the due date thereof, or (ii) any of the aforesaid amounts unless Debtor shall have furnished the Depository with the bills or invoices therefor in sufficient time to pay the same before any penalty or interest attaches and before said policies of insurance lapse, as the case may be. If an Event of Default shall have occurred and be continuing hereunder, or if the Obligations shall be accelerated as herein provided, all funds so deposited may, at Secured Party's option, be applied to the Obligations in the order determined by Secured Party or to cure said Event of Default or as provided in this Section. In no event shall Debtor claim any credit against the principal and interest due hereunder for any payment or deposit for taxes or insurance.

(c) Transfer of Instrument. Upon an assignment or other transfer of this Instrument, the Depository shall have the right to pay over the balance of such deposits in its possession to the assignee or other successor, and the Depository shall thereupon be completely released from all liability with respect to such deposits and Debtor or the owner of the Collateral shall look solely to the assignee or transferee with respect thereto. This provision shall apply to every transfer of such deposits to a new assignee or transferee.

(d) Transfer of the Premises. Subject to Article V hereof, transfer of record title to the Premises and any other Collateral shall automatically transfer to the new owner the beneficial interest in any deposits under this Section. Upon full payment and satisfaction of this Instrument or, at Secured Party's option, at any prior time, the balance of amounts deposited in the Depository's possession shall be paid over to the record owner of the Premises and such other Collateral, and no other party shall have any right or claim thereto in any event.

(e) Designated Depository. At Secured Party's request, Debtor agrees to make the aforesaid deposits with such service or financial institution as Secured Party may from time to time designate in lieu of Secured Party, and the fees and costs of such services of such institution shall be borne by Debtor.

(f) Tax Monitoring Service. Secured Party may, at its option, retain the services of a firm or other person to monitor the payment by Debtor of all real estate taxes and assessments on or relating to the Collateral or any part thereof, and the fees and costs of such firm or other person shall be borne by Debtor; provided, however that such fee shall not exceed \$1,000.00 per year.

Section 3.11 ERISA. (See "Rider" to this Instrument)

~~(a) Debtor will not engage in any transaction which would cause any Obligation (or the exercise by Secured Party of any of its rights under the Loan Documents) to be a nonexempt (under a class exemption(s)) prohibited transaction under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). To that end, at least thirty (30) days prior to engaging in any such transaction, Debtor covenants and agrees to provide Secured Party with a written certification, supported by such evidence as Secured Party may request, that any such transaction will not constitute such a nonexempt prohibited transaction. If Secured Party gives Debtor written notice, at least five (5) days prior to the date for consummation of the proposed transaction, that Secured Party believes such transaction would constitute a nonexempt prohibited transaction, then Debtor covenants and agrees that it will not engage in such transaction unless and until it obtains, at its expense, an individual ERISA exemption permitting such transaction (and the exercise by Secured Party of any of its rights under the Loan Documents) in form and substance satisfactory to Secured Party in Secured Party's sole and absolute discretion. In addition, Debtor represents and warrants that it currently complies, and will continue to comply, with ERISA and the provisions of any such class exemption(s).~~

(b) The (i) failure of any such representation or warranty to be true and correct in all respects, (ii) failure to timely provide Secured Party with the written certification and evidence referred to above, or (iii) consummation of a transaction which would constitute such a nonexempt prohibited transaction shall constitute a material default under this Instrument entitling Secured Party to exercise any and all remedies to which it may be entitled under the Loan Documents. Debtor shall indemnify Secured Party and defend and hold Secured Party harmless from and against all loss, liability, damage, claim, judgment, cost and expense (including, without limitation, attorneys' fees and costs incurred in the investigation, defense and settlement of claims and in obtaining any individual ERISA exemption that may be required, in Secured Party's sole and absolute discretion) that

~~Secured Party may incur, directly or indirectly, as a result of any such material default. This Indemnity shall survive repayment of the Note and any termination, satisfaction or foreclosure of this Instrument and shall not be subject to the limitation of personal liability described in Article VIII hereof.~~

Section 3.12 Environmental Matters

(a) Hazardous Waste. At its sole cost and expense, Debtor shall comply with all federal, state and local laws, rules, regulations and orders with respect to the discharge, generation, removal, transportation, storage and handling of hazardous or toxic wastes or substances, pay immediately when due the cost of removal of any such wastes or substances, and keep the Collateral free of any lien imposed pursuant to such laws, rules, regulations and orders. In the event Debtor fails to do so, Secured Party may declare this Instrument to be in default. In addition, Debtor hereby grants Secured Party and its employees and agents an irrevocable and non-exclusive license, subject to the rights of tenants, to enter the Premises and the Improvements to inspect, conduct testing and, upon expiration of the applicable cure period under this Instrument, to remove the hazardous wastes or substances. The costs of such testing and removal shall immediately become due to Secured Party and shall be secured by this Instrument. Debtor shall indemnify Secured Party and hold Secured Party harmless from and against all loss, liability, damage, claim, judgment, cost and expense (including, without limitation, attorneys' fees and costs incurred in the investigation, defense and settlement of claims) that Secured Party may incur as a result of or in connection with the assertion against Secured Party of any claim ~~in~~ relating to the presence or removal of any hazardous waste or substance referred to in this paragraph, or compliance with any federal, state or local laws, rules, regulations or orders relating thereto. ~~or failure to comply~~ suffer or from the Premises or Improvements or toxic materials, contaminants

(b) Asbestos. Debtor shall not install or permit to be installed on the Premises or the Improvements friable asbestos or any substance containing asbestos and deemed hazardous by federal, state or local laws, rules, regulations or orders respecting such material. With respect to any such material currently present on the Premises or the Improvements, Debtor shall promptly comply with such federal, state or local laws, rules, regulations or orders, at Debtor's expense. If Debtor shall fail to so comply, Secured Party may declare this Instrument to be in default. In addition, Debtor hereby grants Secured Party and its employees and agents an irrevocable and non-exclusive license, subject to the rights of tenants, to enter the Premises and the Improvements to inspect, conduct testing and, upon expiration of the applicable cure period under this Instrument, to remove friable asbestos or any substance containing asbestos and deemed hazardous by federal, state or local laws, rules, regulations or orders respecting such material. The costs of such inspection, testing and removal shall immediately become due to Secured Party and shall be secured by this Instrument. Debtor shall indemnify Secured Party and hold Secured Party harmless from and against all loss, liability, damage, claim, judgment, cost and expense (including, without limitation, attorneys' fees and costs incurred in the investigation, defense and settlement of claims) that Secured Party may incur as a result of or in connection with the assertion against Secured Party of any claim relating to the presence or removal of any asbestos substance referred to in this paragraph, or compliance with any federal, state or local laws, rules, regulations or orders relating thereto. ~~or failure to comply~~

(c) Recourse Obligation. Anything herein to the contrary notwithstanding, the indemnification obligations of Debtor under paragraphs (a) and (b) of this Section 3.12 shall be full recourse obligations of Debtor and shall survive repayment of the Note and any termination, satisfaction or foreclosure of this Instrument.

Section 3.13 ~~Note Payment Facility.~~ All payments of principal, premium (if any) and interest on the Note shall be made by Debtor by electronic funds transfer from a bank account established and maintained by Debtor for this purpose. Debtor hereby covenants and agrees to establish and maintain such an account for so long as the Note and the indebtedness evidenced thereby shall be outstanding and further agrees to direct in writing the depository of such account to so transmit such payments on or before their respective due dates to the account of Secured Party as shall be designated in writing by Secured Party.

Section 3.14 Inspection. Debtor shall allow Secured Party and its authorized representatives to enter upon and inspect the Collateral or any part thereof at all reasonable times and shall assist Secured Party and such representatives in effecting said inspection.

Section 3.15 Records, Reports and Audits.

(a) Maintenance of Records. Debtor shall keep and maintain, in accordance with sound accounting principles, complete and accurate books and records in which full and correct entries shall be made with respect to all operations of or transactions involving the Collateral.

(b) Reports; Audits. Debtor shall prepare and deliver to Secured Party such reports at such times as Secured Party shall from time to time request and, if so requested by Secured Party or otherwise required hereunder, certified by an independent certified public accountant approved by Secured Party. Without limiting the foregoing, Debtor shall prepare and deliver to Secured Party, within ninety (90) days of the close of each fiscal year of Debtor, (i) audited income and financial statements of Debtor for such fiscal year, and (ii) a statement of the income and expenses of the Collateral for such fiscal year (including an annual rents schedule and a schedule showing gross sales of each tenant paying percentage rent), such statements to be prepared in accordance with generally accepted accounting principles, consistently applied, and certified by an independent certified public accountant approved by Secured Party, and containing such additional information as Secured Party may request. Within three (3) years after Secured Party's receipt of any such statement, Secured Party may, upon at least five (5) days' prior written notice to Debtor, inspect and make copies of Debtor's books, records and income tax returns with respect to the Collateral, for the purpose of verifying such statement.

(c) Inspection of Records. Debtor shall allow Secured Party or its authorized representatives to examine and make copies of all such books and records and all supporting data therefor at Debtor's principal place of business or at such other place where such books, records and data may be located. Debtor shall assist Secured Party or such representative in effecting such examination.

Section 3.16 Debtor's Certificates. Debtor, within ten (10) days after Secured Party's request, shall furnish to Secured Party a written statement, duly acknowledged, certifying to Secured Party and/or any proposed assignee of this Instrument, as to (a) the amount of the Obligations then owing under this Instrument, (b) the terms of payment and maturity date of the Obligations, (c) the date to which interest has been paid under the Note, (d) whether any offsets or defenses exist against the Obligations and, if any are alleged to exist, a detailed description thereof, (e) that all Leases are in full force and effect and have not been modified (or if modified, setting forth all modifications), (f) the date to which the rent, additional rent and other charges thereunder have been paid, (g) whether or not, to the best knowledge of Debtor, any of the lessees under the Leases are in default under the Leases, and, if any of the lessees are in default, setting forth the

specific nature of all such defaults, and (h) as to any other matters reasonably requested by Secured Party and reasonably related to the Leases, the Obligations, the Collateral or this Instrument.

Section 3.17 Full Performance Required: Survival of Warranties. All representations, warranties and covenants of Debtor contained in any loan application or made to Secured Party in connection with the Obligations secured hereby or contained in this Instrument or any other Loan Document, or incorporated by reference herein or therein, shall survive the execution and delivery of this Instrument and, except as and to the extent otherwise provided in Sections 3.11 and 3.12, shall remain continuing obligations, warranties and representations of Debtor so long as any portion of the Obligations remains outstanding; and Debtor shall fully and faithfully satisfy and perform all such Obligations, representations, warranties and covenants.

Section 3.18 Additional Security. No other security now existing, or hereafter taken, to secure the Obligations shall be impaired or affected by the execution of this Instrument; and all additional security shall be taken, considered and held as cumulative. The taking of additional security, execution of partial releases of the security, or any extension of the time of payment of the indebtedness shall not diminish the force, effect or lien of this Instrument and shall not affect or impair the liability of any maker, surety, guarantor or endorser for the payment of said indebtedness. Neither the acceptance of this Instrument nor its enforcement, whether by court action or pursuant to the power of sale or other powers herein contained, shall prejudice or in any manner affect Secured Party's right to realize upon or enforce any other security now or hereafter held by Secured Party, it being agreed that Secured Party shall be entitled to enforce this Instrument and any other security now or hereafter held by Secured Party in such order and manner as it may in its absolute discretion determine.

Section 3.19 Further Acts. Debtor shall do and perform all acts necessary to keep valid and effective the charges and lien hereof, to carry into effect its objective and purposes, and to protect the lawful owner of the Note and the other Obligations. Promptly upon request by Secured Party and at Debtor's expense, Debtor shall execute, acknowledge and deliver to Secured Party such other and further instruments and do such other acts as in the reasonable opinion of Secured Party may be necessary or desirable to (a) grant to Secured Party the highest available perfected lien on all of the Collateral, (b) grant to Secured Party, to the fullest extent permitted by applicable law, the right to foreclose on the Collateral nonjudicially, (c) correct any defect, error or omission which may be discovered in the contents of this Instrument or any other Loan Document, (d) identify more fully and subject to the liens, encumbrances and security interests and assignments created hereby any property intended by the terms hereof to be covered hereby (including, without limitation, any renewals, additions, substitutions, replacements or appurtenances to the Collateral), (e) assure the highest priority hereof and thereof, and (f) otherwise effect the intent of this Instrument. Without limiting the generality of the foregoing, Debtor shall promptly and, insofar as not contrary to applicable law, at Debtor's own expense, record, rerecord, file and refile in such offices, at such times and as often as may be necessary, this Instrument, additional mortgages and deeds of trust, and every other instrument in addition or supplemental hereto, including applicable financing statements, as may be necessary to create, perfect, maintain and preserve the liens, encumbrances and security interests intended to be created hereby and the rights and remedies of Secured Party hereunder. Upon request by the Secured Party, Debtor shall supply evidence of fulfillment of each of the covenants herein contained concerning which a request for such evidence has been made.

ARTICLE IV

Additional Advances: Expenses: Indemnity

Section 4.01 Additional Advances and Disbursements. Debtor agrees that, if Debtor shall default in any of its Obligations to pay any amount or to perform any action, including its obligation under Section 3.03 to pay Impositions and under Section 3.06 to procure, maintain and pay premiums on the insurance policies referred to therein, then Secured Party shall have the right, but not the obligation, in Debtor's name or in its own name, and without notice to Debtor, to advance all or any part of such amounts or to perform any or all such actions, and, for such purpose, Debtor expressly grants to Secured Party, in addition and without prejudice to any other rights and remedies hereunder, the right to enter upon and take possession of the Collateral to such extent and as often as it may deem necessary or desirable to prevent or remedy any such default. No such advance or performance shall be deemed to have cured such default by Debtor or any Event of Default with respect thereto. All sums advanced and all expenses incurred by Secured Party in connection with such advances or actions, and all other sums advanced or expenses incurred by Secured Party hereunder or under applicable law (whether required or optional and whether indemnified hereunder or not) shall be part of the Obligations, shall bear interest at the rate stated in the Note for payments from and after maturity (the "Default Rate") and shall be secured by this Instrument. Secured Party, upon making any such advance, shall be subrogated to all of the rights of the person receiving such advance.

Section 4.02 Other Expenses.

(a) Debtor shall pay or, on demand, reimburse Secured Party for the payment of, all appraisal fees, recording and filing fees, taxes, brokerage fees and commissions, abstract fees, title insurance premiums and fees, Uniform Commercial Code search fees, escrow fees, attorneys' fees and disbursements and all other costs and expenses of every character incurred by Debtor or Secured Party in connection with the granting, administration, enforcement and closing (including the preparation of the Loan Documents) of the transactions contemplated hereunder or under the other Loan Documents, or otherwise attributable or chargeable to Debtor as owner of the Collateral.

(b) Debtor shall pay or, on demand, reimburse Secured Party for the payment of any costs or expenses (including attorneys' fees and disbursements) incurred or expended in connection with or incidental to (i) any default or Event of Default by Debtor hereunder or (ii) the exercise or enforcement by or on behalf of Secured Party of any of its rights or remedies or Debtor's obligations under this Instrument or under the other Loan Documents, including the enforcement, compromise or settlement of this Instrument or the Obligations or the defense, assertion of the rights and claims of Secured Party hereunder in respect thereof, by litigation or otherwise.

Section 4.03 Indemnity.

(a) Debtor agrees to indemnify and hold harmless Secured Party and Prudential from and against any and all losses, liabilities, suits, obligations, fines, damages, judgments, penalties, claims, charges, costs and expenses (including attorneys' fees and disbursements) which may be imposed on, incurred or paid by or asserted against Secured Party or Prudential by reason or on account of, or in connection with, (i) any default or Event of Default by Debtor hereunder or under the other Loan Documents, (ii) Secured Party's exercise of any of its rights and remedies, or the performance of any of its duties, hereunder or under the other Loan Documents to which Debtor is a party, (iii) the construction, reconstruction or alteration of the Collateral or any part thereof, (iv) any

negligence or willful misconduct of Debtor, any lessee of the Premises, or any of their respective agents, contractors, subcontractors, servants, employees, licensees or invitees, (v) any accident, injury, death or damage to any person or property occurring in, on or about the Premises or the Improvements or any street, drive, sidewalk, curb or passageway adjacent thereto, or (vi) any other transaction arising out of or in any way connected with the Collateral (or any part thereof) or the Loan Documents, except for the willful misconduct or gross negligence of the indemnified person. Any amount payable to Secured Party under this Section shall be deemed a demand obligation, shall be part of the Obligations, shall bear interest at the Default Rate and shall be secured by this Instrument.

(b) Debtor's obligations under this Section shall not be affected by the absence or unavailability of insurance covering the same or by the failure or refusal by any insurance carrier to perform any obligation on its part under any such policy of covering insurance. If any claim, action or proceeding is made or brought against Secured Party or Prudential which is subject to the indemnity set forth in this Section, Debtor shall resist or defend against the same, if necessary in the name of Secured Party, by attorneys for Debtor's insurance carrier (if the same is covered by insurance) or otherwise by attorneys approved by Secured Party. Notwithstanding the foregoing, Secured Party, in its discretion, may engage its own attorneys to resist or defend, or assist therein, and Debtor shall pay, or, on demand, shall reimburse Secured Party for the payment of, the fees and disbursements of said attorneys.

Section 4.04 Interest After Default. Except as otherwise expressly provided in any Loan Document, if any payment due hereunder or under any other Loan Document is not paid in full when due, whether on any stated due date, any accelerated due date or on demand or any other time specified under any of the provisions hereof or thereof, then the same shall bear interest hereunder at the Default Rate from the due date until paid, and such interest shall be added to and become a part of the Obligations and shall be secured hereby.

ARTICLE V

Sale, Transfer or Encumbrance of the Collateral

Section 5.01 Due on Sale or Encumbrance. In the event that Debtor, without the prior written consent of Secured Party (which consent may be withheld for any reason or for no reason including, but not limited to, the failure of the prospective transferee of the Collateral to reach an agreement in writing with Secured Party increasing the interest payable on the Obligations to such rate or changing any other terms of the Obligations as Secured Party shall request), shall sell, convey, assign, transfer or otherwise dispose of or be divested of its title to, or, shall mortgage, convey security title to, or otherwise encumber or caused to be encumbered, the Collateral or any part thereof or any interest therein in any manner or way, whether voluntary or involuntary, or in the event of (a) any merger, consolidation or dissolution involving, or the sale or transfer of all or substantially all of the assets of, Debtor or any general partner of Debtor, (b) the transfer (at one time or over any period of time) of 10% or more of the voting stock of (i) a corporate Debtor, (ii) any corporate general partner of Debtor, or (iii) any corporation which is the direct or indirect owner of 10% or more of the voting stock of Debtor or any general partner of Debtor, (c) the transfer of any general partnership interest in Debtor or in any partnership which is a direct or indirect general partner of Debtor, or (d) the conversion of any such general partnership interest to a limited partnership interest, then the entire balance of the Obligations, together with any other sums secured hereby, shall become immediately including the prepayment premium,

due and payable at the option of Secured Party. This provision shall not apply to transfers of title or interest under any will or testament or applicable law of descent. (See "Rider" to this Instrument for additional provisions).

ARTICLE VI

Defaults and Remedies

Section 6.01 Events of Default. The term "Event of Default", as used in this Instrument, shall mean the occurrence of any of the following events:

(a) if Debtor shall fail to pay, within five (5) days after the date when the same shall become due and payable, any sum required to be paid under the Note, hereunder or under any other Loan Document, whether of principal, interest, premium, fees or otherwise; *provided*, however, that if Debtor, within any twelve (12) month period, shall fail to make more than one (1) such payment by its due date, said five (5) day grace period shall become null and void and of no further force and effect. Debtor shall be entitled to two (2) such notices in any twelve (12) month period; thereafter any failure to pay, when due, of any sum required to be paid under the Note, this Instrument or the Loan Documents shall constitute an Event of Default.

(b) except as provided in subsections (d), (e) and (f) hereof, if default shall be made in the performance or observance of any other provision contained in the Loan Documents, beyond the applicable grace period therefor or, if no such grace period is applicable, if the default has not been remedied within thirty (30) days after written notice thereof shall have been given to Debtor; *provided*, however, that if the default is, in Secured Party's reasonable judgment, of such a nature that it cannot reasonably be cured within said thirty (30) day period, Debtor shall have such additional time for cure as Secured Party may, in its sole discretion, approve in writing after receipt by Secured Party within said thirty (30) day period of a written request by Debtor therefor; or

(c) if any representation made herein or in any other Loan Document (including any mortgage loan application or any certificate delivered in connection with any of the foregoing), or otherwise made by or on behalf of Debtor in connection with the transactions contemplated under the Loan Documents, shall be false or misleading in any material respect; or

(d) the Collateral (or any part thereof), or any legal, beneficial or equitable interest therein, shall be sold, transferred or encumbered in breach of Section 5.01 hereof; or

(e) if any other event occurs which, under the terms of the Loan Documents, would permit Secured Party to accelerate the Obligations; or

(f) if Debtor shall become insolvent, or shall make a transfer in fraud of creditors, or shall make an assignment for the benefit of its creditors, or shall not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts as they become due; or

(g) if any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding, or any other proceedings for the relief of debtors, is instituted by or against Debtor, and, if instituted against Debtor, is allowed or consented to or is not dismissed within thirty (30) days after such institution; or

(h) if any of the events referred to in subsections (f) and (g) of this Section shall occur with respect to any general partner of Debtor or any guarantor of payment of any part of the Obligations or of any portion of Debtor's obligations under the Loan Documents; or

- (i) if Debtor abandons the Premises or the Improvements; or
- (j) if the Collateral shall be taken, attached or sequestered on execution or other process of law in any action against Debtor; or
- (k) if there shall have occurred any default, event of default or non-performance under the terms of any of the Leases by Debtor, which default, event of default or non-performance shall not have been cured within any applicable grace period therefor under the applicable Lease; or
- (l) if Debtor shall fail at any time to obtain, provide, maintain, keep in force or deliver to Secured Party the insurance policies required by Section 3.06 hereof and such failure shall continue for five (5) days after written notice; or
- (m) if any claim of priority (except a claim based upon a Permitted Encumbrance) to this Instrument or any other document or instrument securing the Obligations by title, lien or otherwise shall be upheld by any court of competent jurisdiction or shall be consented to by Debtor.

Section 6.02 Remedies. Upon the occurrence of any one or more Events of Default, Secured Party may (but shall not be obligated to), in addition to any rights or remedies available to it hereunder or under the other Loan Documents, take such action personally or by its agents or attorneys, with or without entry, and without notice, demand, presentment or protest (each and all of which are hereby waived), as it deems necessary or advisable to protect and enforce Secured Party's rights and remedies against Debtor and in and to the Collateral, including the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Secured Party may determine, in its sole discretion, without impairing or otherwise affecting its rights or remedies:

- (a) declare the entire balance of the Obligations (including the entire principal balance thereof, all accrued and unpaid interest and any premium and late charges thereon and all other such sums secured hereby) to be immediately due and payable, and upon any such declaration the entire unpaid balance of the Obligations shall become and be immediately due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by Debtor, anything in the Loan Documents to the contrary notwithstanding; or
- (b) institute a proceeding or proceedings, judicial or otherwise, for the complete foreclosure of this Instrument under any applicable provision of law; or
- (c) cause any or all of the Collateral to be sold under the power of sale granted by this Instrument in any manner permitted by applicable law. For any sale under the power of sale granted by this Instrument, Secured Party shall advertise the time, place and terms of such sale by publishing notice thereof once a week for three (3) successive weeks in a newspaper of general circulation in the county in which the Collateral or portion thereof is situated and then, upon the expiration of such time as is required by law, may sell the Collateral, and all estate, right, title, interest, claim and demand of Debtor therein, to the highest bidder for cash, as an entirety or in parcels or lots (regardless of the manner in which the Collateral may be classified), with such elements of real and/or personal property (and, to the extent permitted by applicable law, may elect to deem all of the Collateral to be real property for purposes thereof), at the usual place for conducting sales at the courthouse in the county in which the Collateral or any part thereof may be located, during the legal hours for public sales. Upon any sale, Secured Party shall execute and deliver to the purchaser or purchasers a deed or deeds conveying the property sold, but without any

covenant or warranty, express or implied, and the recitals in the deed or deeds of any facts affecting the regularity or validity of the sale will be conclusive against all persons. In the event of a sale, by foreclosure or otherwise, of less than all of the Collateral, this Instrument shall continue as a lien and security interest on the remaining portion of the Collateral; or

(d) institute an action, suit or proceeding in equity for the specific performance of any of the provisions contained in the Loan Documents; or

(e) apply for the appointment of a receiver, custodian, trustee, liquidator or conservator of the Collateral, to be vested with the fullest powers permitted under applicable law, as a matter of right and without regard to or the necessity to disprove the adequacy of the security for the Obligations or the solvency of Debtor or any other person liable for the payment of the Obligations, and Debtor and each other person so liable waives or shall be deemed to have waived such necessity and consents or shall be deemed to have consented to such appointment; or

(f) subject to the provisions and restrictions of any applicable law, enter upon the Premises and the Improvements, and exclude Debtor and its agents and servants wholly therefrom, without liability for trespass, damages or otherwise, and take possession of all books, records and accounts relating thereto and all other Collateral, and Debtor agrees to surrender possession of the Collateral and of such books, records and accounts to Secured Party on demand after the happening of any Event of Default; and having and holding the same may use, operate, manage, preserve, control and otherwise deal therewith and conduct the business thereof, either personally or by its superintendents, managers, agents, servants, attorneys or receivers, without interference from Debtor; and upon each such entry and from time to time thereafter may, at the expense of Debtor and the Collateral, without interference by Debtor and as Secured Party may deem advisable, (i) either by purchase, repair or construction, maintain and restore the Collateral, (ii) insure or reinsure the same, (iii) make all necessary or proper repairs, renewals, replacements, alterations, additions, betterments and improvements thereto and thereon, (iv) complete the construction of the Improvements and, in the course of such completion, may make such changes in the contemplated or completed Improvements as it may deem advisable, and (v) in every such case in connection with the foregoing have the right to exercise all rights and powers of Secured Party with respect to the Collateral, either in Debtor's name or otherwise, including the right to make, terminate, cancel, enforce or modify Leases, obtain and evict tenants and subtenants on such terms as Secured Party shall deem advisable and to take any actions described in subsection (i) of this Section; or

(g) subject to the provisions and restrictions of any applicable law, may, with or without the entrance upon the Premises, collect, receive, sue for and recover in its own name all Rents and cash collateral derived from the Premises, and after deducting therefrom all costs, expenses and liabilities of every character incurred by Secured Party in collecting the same and in using, operating, managing, preserving and controlling the Premises, and otherwise in exercising Secured Party's rights under subsection (g) of this Section, including all amounts necessary to pay Impositions, insurance premiums and other charges in connection with the Premises, as well as compensation for the services of Secured Party and its attorneys, agents and employees, apply the remainder as provided in Section 6.05; or

(h) release any portion of the Collateral for such consideration as Secured Party may require without, as to the remainder of the Collateral, in any way impairing or affecting the lien or priority of this Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the Obligations shall

have been reduced by the actual monetary consideration, if any, received by Secured Party for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Secured Party may require without being accountable for so doing to any other lienholder; or

(i) may take all actions permitted under the Uniform Commercial Code of the jurisdiction in which the Collateral is located; or

(j) may take any other action, or pursue any other right or remedy, as Secured Party may have under applicable law, and Debtor does hereby agree that Secured Party may so act.

In the event that Secured Party shall exercise any of the rights or remedies set forth in subsections (f) and (g) of this Section, Secured Party shall not be deemed to have entered upon or taken possession of the Collateral except upon the exercise of its option to do so, evidenced by its demand and overt act for such purpose, nor shall it be deemed a beneficiary or mortgagee in possession by reason of such entry or taking possession. Secured Party shall not be liable to account for any action taken pursuant to any such exercise other than for rents actually received by such party, nor liable for any loss sustained by Debtor resulting from any failure to let the Premises, or from any other act or omission of Secured Party except to the extent such loss is caused by the willful misconduct or bad faith of such party. Debtor hereby consents to, ratifies and confirms the exercise by Secured Party of said rights and remedies, and appoints Secured Party as its attorney-in-fact, which appointment shall be deemed to be coupled with an interest and irrevocable, for such purposes.

Section 6.03 Expenses. In any proceeding, judicial or otherwise, to foreclose this Instrument or enforce any other remedy of Secured Party under the Loan Documents, there shall be allowed and included as an addition to and a part of the Obligations in the decree for sale or other judgment or decree all expenditures and expenses, including reasonable attorneys' fees, which may be paid or incurred in connection with the exercise by Secured Party of any of its rights and remedies provided or referred to in Section 6.02, or any comparable provision of any other Loan Document, together with interest thereon at the rate specified in the Note, and the same shall be part of the Obligations and shall be secured by this Instrument.

Section 6.04 Rights Pertaining to Sales. Subject to the provisions or other requirements of law, the following provisions shall apply to any sale or sales of the Collateral under or by virtue of this Article VI, whether made under the power of sale herein granted or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale:

(a) Debtor hereby waives any right which it may have to require the Collateral (or any part thereof) to be sold as separate tracts or units in the event of foreclosure or sale. The power of sale set forth in Section 6.02(c) hereof shall not be exhausted by any sale which is not completed or is defective in Secured Party's opinion, until the Obligations shall have been paid in full.

(b) Any sale may be postponed or adjourned by public announcement at the time and place appointed for such sale or for such postponed or adjourned sale without further notice.

(c) After each sale, Secured Party, or an officer of any court empowered to do so, shall execute and deliver to the purchaser or purchasers at such sale a good and

sufficient instrument or instruments granting, conveying, assigning and transferring all right, title and interest of Debtor in and to the property and rights sold (but without any covenant or warranty, express or implied) and shall receive the proceeds of said sale or sales and apply the same as herein provided. Secured Party is hereby appointed the true and lawful attorney-in-fact of Debtor, which appointment is irrevocable and shall be deemed to be coupled with an interest, in Debtor's name and stead, to make all necessary conveyances, assignments, transfers and deliveries of the property and rights so sold, and for that purpose Secured Party may execute all necessary instruments of conveyance, assignment, transfer and delivery, and may substitute one or more persons with like power, Debtor hereby ratifying and confirming all that said attorney or such substitute or substitutes shall lawfully do by virtue thereof. Nevertheless, Debtor, if requested by Secured Party, shall ratify and confirm any such sale or sales by executing and delivering to Secured Party or such purchaser or purchasers all such instruments as may be advisable, in Secured Party's judgment, for the purposes as may be designated in such request.

(d) Any and all statements of fact or other recitals made in any of the instruments referred to in subsection (c) of this Section given by Secured Party as to nonpayment of the Obligations, or as to the occurrence of any Event of Default, or as to Secured Party having declared all or any of the Obligations to be due and payable, or as to the request to sell, or as to notice of time, place and terms of sale and of the property or rights to be sold having been duly given, or as to the refusal, failure or inability to act of Secured Party, or as to the appointment of any substitute or successor Secured Party, or as to any other act or thing having been duly done by Debtor, Secured Party, or by such substitute or successor Secured Party, shall be taken as conclusive and binding against all persons as to evidence of the truth of the facts so stated and recited. Secured Party may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale so held, including the posting of notices and the conduct of sale, but in the name and on behalf of Secured Party.

(e) The receipt of Secured Party for the purchase money paid at any such sale, or the receipt of any other person authorized to receive the same, shall be sufficient discharge therefor to any purchaser of any property or rights sold as aforesaid, and no such purchaser, or its representatives, grantees or assigns, after paying such purchase price and receiving such receipt, shall be bound to see to the application of such purchase price or any part thereof upon or for any trust or purpose of this Instrument or, in any manner whatsoever, be answerable for any loss, misapplication or nonapplication of any such purchase money, or part thereof, or be bound to inquire as to the authorization, necessity, expediency or regularity of any such sale.

(f) Any such sale or sales shall operate to divest all of the estate, right, title, interest, claim and demand whatsoever, whether at law or in equity, of Debtor in and to the properties and rights so sold (except any statutory right of redemption provided by the laws of the State of Alabama), and shall be a perpetual bar both at law and in equity against Debtor and any and all persons claiming or who may claim the same, or any part thereof of any interest therein, by, through or under Debtor to the fullest extent permitted by applicable law.

(g) Upon any such sale or sales, Secured Party may bid for and acquire the Collateral and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting against the Obligations the amount of the bid made therefor, after deducting therefrom the expenses of the sale (including reasonable attorneys' fees), the cost of any enforcement proceeding hereunder and any other sums which Secured Party is authorized to deduct under the terms hereof, to the extent necessary to satisfy such bid.

BOOK 322 PAGE 77

(h) In the event that Debtor, or any person claiming by, through or under Debtor, shall transfer or refuse or fail to surrender possession of the Collateral after any sale thereof, then Debtor, or such person shall be deemed a tenant at sufferance of the purchaser at such sale, subject to eviction by means of forcible entry and detainer proceedings, or subject to any other right or remedy available hereunder or under applicable law.

(i) Upon any such sale, it shall not be necessary for Secured Party or any public officer acting under execution or order of court to have present at the sale or constructively in its possession any of the Collateral.

(j) In the event a foreclosure hereunder shall be commenced by Secured Party, Secured Party may at any time before the sale of the Collateral abandon the sale, and may institute suit for the collection of the Obligations and for the foreclosure of this Instrument, or in the event that Secured Party should institute a suit for collection of the Obligations and for the foreclosure of this Instrument, Secured Party may at any time before the entry of final judgment in said suit dismiss the same and sell the Collateral in accordance with the provisions of this Instrument.

Section 6.05 Application of Proceeds. The purchase money, proceeds or avails of any sale referred to in Section 6.04, together with any other sums which may be held by Secured Party hereunder, whether under the provisions of this Article VI or otherwise, shall, except as herein expressly provided to the contrary, be applied as follows:

First: To the payment of the costs and expenses of any such sale, including compensation to Secured Party, its agents and counsel, and of any judicial proceeding wherein the same may be made, and of all expenses, liabilities and advances made or incurred by Secured Party hereunder (including reasonable attorneys' fees), together with interest thereon as provided in the Note, and all taxes, assessments and other charges, except any taxes, assessments or other charges subject to which the Collateral shall have been sold.

Second: To the payment in full of the Obligations (including principal, interest, premium and fees) in such order as Secured Party may elect.

Third: To the payment of any other sums secured hereunder or required to be paid by Debtor pursuant to any provision of the Loan Documents.

Fourth: To the extent permitted by applicable law, to be set aside by Secured Party as adequate security in its judgment for the payment of sums which would have been paid by application under clauses First through Third above to Secured Party, arising out of an obligation or liability with respect to which Debtor has agreed to indemnify Secured Party, but which sums are not yet due and payable or liquidated.

Fifth: To the payment of the surplus, if any, to whomsoever may be lawfully entitled to receive the same.

Section 6.06 Additional Provisions as to Remedies.

(a) No right or remedy herein conferred upon or reserved to Secured Party is intended to be exclusive of any other right or remedy, and each and every such right or remedy shall be cumulative and continuing, shall be in addition to every other right or remedy given hereunder, or under the other Loan Documents or now or hereafter existing

at law or in equity, and may be exercised from time to time and as often as may be deemed expedient by Secured Party.

(b) No delay or omission by Secured Party to exercise any right or remedy hereunder upon any default or Event of Default shall impair such exercise, or be construed to be a waiver of any such default or Event of Default or an acquiescence therein.

(c) The failure, refusal or waiver by Secured Party of its right to assert any right or remedy hereunder upon any default or Event of Default or other occurrence shall not be construed as waiving such right or remedy upon any other or subsequent default or Event of Default or other occurrence.

(d) Secured Party shall not have any obligation to pursue any rights or remedies it may have under any other agreement prior to pursuing its rights or remedies hereunder or under the other Loan Documents.

(e) No recovery of any judgment by Secured Party and no levy of an execution upon the Collateral (or any part thereof) or any other property of Debtor shall affect, in any manner or to any extent, the lien and security interest created by this Instrument upon and in the Collateral, or any liens, security interests, rights, powers or remedies of Secured Party hereunder, and such liens, rights, powers and remedies shall continue unimpaired as before.

(f) Secured Party may resort to any security given by this Instrument or any other security now given or hereafter existing to secure the Obligations, in whole or in part, in such portions and in such order as Secured Party may deem advisable, and no such action shall be construed as a waiver of any of the liens, rights or benefits granted hereunder.

(g) Acceptance of any payment after the occurrence of any default or Event of Default shall not be deemed a waiver or a cure of such default or Event of Default, and acceptance of any payment less than any amount then due shall be deemed an acceptance on account only.

(h) In the event that Secured Party shall have proceeded to enforce any right or remedy hereunder by foreclosure, sale, entry or otherwise, and such proceeding shall be discontinued, abandoned or determined adversely for any reason, then Debtor and Secured Collateral shall be restored to their former positions and rights hereunder with respect to the Collateral, subject to the lien and security interest hereof.

Section 6.07 Waiver of Rights and Defenses. To the full extent Debtor may do so, Debtor agrees with Secured Party as follows:

(a) Debtor will not at any time, insist on, plead, claim or take the benefit or advantage of any statute or rule of law now or hereafter in force providing for any appraisement, valuation, stay, extension, moratorium or redemption, or of any statute of limitations, and Debtor, for itself and its heirs, devisees, representatives, successors and assigns, and for any and all persons ever claiming an interest in the Collateral (other than Secured Party), hereby, to the extent permitted by applicable law, waives and releases all rights of redemption, valuation, appraisement, notice of intention to mature or declare due the whole of the Obligations, and all rights to a marshaling of the assets of Debtor, including the Collateral, or to a sale in inverse order of alienation, in the event of foreclosure of the liens and security interests created hereunder.

(b) Debtor shall not be relieved of its obligation to pay the Obligations at the time and in the manner provided herein and in the other Loan Documents, nor shall the lien or priority of this Instrument or any other Loan Documents be impaired by any of the following actions, non-actions or indulgences by Secured Party:

(i) any failure or refusal by Secured Party to comply with any request by Debtor (X) to consent to any action by Debtor or (Y) to take any action to foreclose this Instrument or otherwise enforce any of the provisions hereof or of the other Loan Documents;

(ii) any release, regardless of consideration, of the whole or any part of the Collateral or any other security for the Obligations, or any person liable for payment of the Obligations;

(iii) any waiver by Secured Party of compliance by Debtor with any provision of this Instrument or the other Loan Documents, or consent by Secured Party to the performance by Debtor of any action which would otherwise be prohibited thereunder or to the failure by Debtor to take any action which would otherwise be required hereunder or thereunder; and

(iv) any agreement or stipulation between Secured Party and Debtor, or, with or without Debtor's consent, between Secured Party and any subsequent owner or owners of the Collateral (or any part thereof) or any other security for the Obligations, renewing, extending or modifying the time of payment or the terms of this Instrument or any of the other Loan Documents (including a modification of any interest rate), and in any such event Debtor shall continue to be obligated to pay the Obligations at the time and in the manner provided herein and in the other Loan Documents, as so renewed, extended or modified, unless expressly released and discharged by Secured Party.

(c) Regardless of consideration, and without the necessity for any notice to or consent by the holder of any subordinate lien, security interest, encumbrance, right, title or interest in or to the Collateral (or any part thereof), Secured Party may release any person at any time liable for the payment of the Obligations or any portion thereof or any part of the security held for the Obligations and may extend the time of payment or otherwise modify the terms of this Instrument or of any of the Loan Documents, including a modification of the interest rate payable on the principal balance of the Note, without in any manner impairing or affecting this Instrument or the lien and security interest thereof or the priority of this Instrument, as so extended and modified, as security for the Obligations over any such subordinate lien, security interest, encumbrance, right, title or interest.

ARTICLE VII

Satisfaction and Cancellation

Section 7.01 Satisfaction and Cancellation. If the Obligations shall be paid as the same become due and payable, then and in that event only all rights hereunder (except for the rights and obligations set forth in Sections 3.11, 3.12 and 4.03 hereof) shall terminate and the Collateral shall become wholly released and cleared of the liens, security interests, conveyances and assignments evidenced hereby, upon receipt by Secured Party of evidence satisfactory to it that the foregoing conditions have been satisfied, at Debtor's sole cost and expense. In such event Secured Party shall, at the request of Debtor,

promptly deliver to Debtor, in recordable form, all such documents as shall be necessary to cause this Instrument to be satisfied and cancelled of record and to release the Collateral from the liens, security interests, conveyances and assignments created or evidenced hereby.

ARTICLE VIII

Limitation on Personal Liability

Section 8.01 Limited Recourse Liability.

(a) Except to the extent provided in Section 8.01(b), neither Debtor nor any general partner of Debtor (collectively, the "Exculpated Parties") shall be liable for any deficiency judgment with respect to any unpaid balance of principal, premium (if any) and accrued interest on the Note.

(b) Nothing contained herein shall limit any other rights and remedies of Secured Party, at law or in equity, under any of the Loan Documents nor shall the Exculpated Parties be relieved of personal liability for the performance and satisfaction of any and all covenants, agreements and undertakings under this Instrument and any other Loan Document (other than the obligation to pay principal, premium and interest on the Note), including, without limitation, liability for the payment of taxes, assessments and utility charges with respect to the Collateral or any part thereof and for sums expended by Secured Party in fulfilling Debtor's obligations, as lessor, under any leases of the Premises. Moreover, the agreement of Secured Party not to pursue recourse liability, as provided in Section 8.01(a), SHALL BECOME NULL AND VOID and shall be of no further force and effect in the event:

(i) the Collateral or any part thereof or any interest therein shall be further encumbered by a voluntary lien securing an obligation upon which any Exculpated Party shall be personally liable for repayment (provided, however, that this clause (i) shall not apply to liability which is recourse only under one or more conditions substantially similar to clauses (i) through (viii) of this paragraph); or

(ii) the Collateral or any part thereof or any interest therein shall be sold, conveyed, assigned, transferred or otherwise disposed of or the title thereto divested or shall be mortgaged or encumbered, otherwise than permitted by Section 5.01; or without the prior written consent of Secured Party except as a result of condemnation, the exercise of eminent domain or settlement in lieu thereof.

(iii) Debtor should file, or there should be filed against Debtor (and the same is not dismissed within sixty (60) days), a petition in bankruptcy or a petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the bankruptcy laws of the United States or under any other similar federal, state or other statute or law relating to relief from indebtedness, or a receiver, trustee or liquidator should be appointed with respect to Debtor or the Collateral or any part thereof; or

(iv) of actionable fraud or ^{knowing and material} misrepresentation in connection with the loan evidenced by the Note and secured hereby; or

(v) of the misapplication of (i) proceeds paid under any insurance policies by reason of damage, loss or destruction affecting any portion of the Collateral (to the full extent of such proceeds), (ii) any proceeds or awards resulting from the condemnation of all or any part of the Collateral (to the full extent of such

proceeds or awards), or (iii) rents received after receipt by Debtor of any notice to which Debtor may be entitled, if any, of default or of foreclosure or the exercise of other remedies by Secured Party upon a default by Debtor; or

(vi) of the failure of any tenant's security deposits to be turned over to Secured Party upon foreclosure or sale pursuant to power of sale (to the full extent of such misapplied deposits); or

(vii) of any waste of the Collateral or any part thereof; or

Any violation of

(viii) ~~Debtor shall become obligated to indemnify and hold Secured Party harmless pursuant to Section 3.11 or 3.12 hereof.~~

The recourse liability resulting from subsections (v), (vi) and (vii) above shall apply only to the extent of Debtor's deficiency as a direct result of the actions outlined above.

ARTICLE IX

Additional Provisions

Section 9.01 Usury Savings Clause. All agreements in this Instrument and in the other Loan Documents are expressly limited so that in no contingency or event whatsoever, whether by reason of advancement or acceleration of maturity of the Obligations, or otherwise, shall the amount paid or agreed to be paid hereunder for the use, forbearance or detention of money exceed the highest lawful rate permitted under applicable usury laws. If, from any circumstance whatsoever, fulfillment of any provision of the Loan Documents, at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law which a court of competent jurisdiction may deem applicable hereto, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity and if, from any circumstance whatsoever, Secured Party shall ever receive as interest an amount which would exceed the highest lawful rate, the receipt of such excess shall be deemed a mistake and shall be cancelled automatically or, if theretofore paid, such excess shall be credited against the principal amount of the Obligations to which the same may lawfully be credited, and any portion of such excess not capable of being so credited shall be rebated to Debtor.

Section 9.02 Separability. If all or any portion of any provision of this Instrument or the other Loan Documents shall be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision hereof or thereof, and such provision shall be limited and construed in such jurisdiction as if such invalid, illegal or unenforceable provision or portion thereof were not contained herein or therein.

In the event that ownership of the Collateral (or any part thereof) becomes vested in a person other than Debtor, Secured Party may, without notice to Debtor, deal with such successor or successors in interest with reference to this Instrument or the Obligations in the same manner as with Debtor, without in any way vitiating or discharging Debtor's liability hereunder or for the payment of the Obligations or being deemed a consent to such vesting.

RIDER TO MORTGAGE AND SECURITY AGREEMENT DATED DECEMBER 13, 1990

1. Section 3.09(b) continued - Notwithstanding the foregoing provisions of this subsection (b), Debtor shall be permitted to execute and deliver a second mortgage on the Premises and the Improvements in a principal sum not to exceed \$1,500,000.00 to AmSouth Bank, N.A., which second mortgage must be in form and substance acceptable to Secured Party (the "AmSouth Mortgage"). In the event said AmSouth Mortgage (or the AmSouth Note which said Mortgage secures) provides for personal liability on the part of Debtor or its partners, Debtor and its partners shall be personally liable under this Instrument to the extent of said liability under the AmSouth Note or the AmSouth Mortgage. The personal liability of Debtor and its partners under this subsection shall terminate upon the termination of any personal liability of Debtor or its partners under the AmSouth Note or the AmSouth Mortgage. Further, Debtor and its partners shall be personally liable to Secured Party to the full extent of any payment made under the AmSouth Note or the AmSouth Mortgage during any period in which an Event of Default under the Note or this Instrument has occurred and is continuing.

The AmSouth Note and any other applicable AmSouth loan documents shall contain the following provisions:

(1) Debtor shall make no payment for debt service due thereunder until all operating expenses, fixed and variable, have been paid, a reasonable reserve for ad valorem taxes, insurance premiums and replacements (said reserve for replacements being not less than \$100.00 per year per apartment unit of the Improvements) has been set aside and the monthly debt service due under the Note and any sums due under this Instrument have been paid to Secured Party;

(2) The accrual rate for the AmSouth Note and the AmSouth Mortgage shall be 10.50% and the payment rate shall be 3.46% in year one, 5.69% in year two, 8.28% in year three, 7.67% in year four and 10.11% in year five; in the event that cash flow from the Collateral shall not be sufficient to pay debt service on the AmSouth Note and the AmSouth Mortgage as provided in (1) above, said non-payment shall not constitute an Event of Default under the AmSouth Note and the AmSouth Mortgage;

(3) Any guarantee by Debtor or its partners to AmSouth Bank National Association shall not be secured by the Collateral;

(4) The AmSouth Note and the AmSouth Mortgage may not be assigned by AmSouth Bank, N.A.

2. Section 3.11 ERISA.

(a) Secured Party represents and warrants to Debtor that the source of funds from which Secured Party advances the loan amount evidenced by the Note is its General Account, which is subject to the claims of its general creditors under state law. Debtor represents and warrants to Secured Party that (1) Debtor is not an "employee benefit plan" as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which is subject to Title I of ERISA, (2) the assets of Debtor do not constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101, (3) Debtor is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (4) transactions by or with Debtor are not subject to state statutes regulating investments of and fiduciary obligations with respect to governmental plans.

(b) Debtor covenants and agrees to deliver to Secured Party such certifications or other evidence from time to time throughout the term hereof, as requested by Secured Party in its sole discretion, that (1) Debtor is not an "employee benefit plan" or a "governmental plan"; (2) Debtor is not subject to state statutes regulating investments and fiduciary obligations with respect to governmental plans; and (3) one or more of the following circumstances is true:

(i) Equity interests in Debtor are publicly offered securities, within the meaning of 29 C.F.R. Section 2510.3-101(b)(2);

(ii) Less than 25 per cent of all equity interests in Debtor are held by "benefit plan investors" within the meaning of 29 C.F.R. Section 2510.3-101(f)(2); or

(iii) Debtor qualifies as an "operating company" or a "real estate operating company" within the meaning of 29 C.F.R. Section 2510.3-101(c) or (e).

(c) The occurrence of any of the following events shall constitute an Event of Default under this Instrument, entitling Secured Party to exercise any and all remedies to which it may be entitled under the Loan Documents: (1) the failure of any representation or warranty made by Debtor under this Section to be true and correct in all respects, (2) the failure of Debtor to provide Secured Party with the written certifications and evidence referred to in subsection (b) hereinabove, or (3) the consummation by Debtor of a transaction which would cause this Instrument or any exercise of Secured Party's rights under the Loan Documents to constitute a non-exempt prohibited transaction under ERISA or a violation of a state statute regulating governmental plans, subjecting Secured Party to liability for violation of ERISA or such state statute.

(d) Debtor shall indemnify and hold Secured Party harmless from and against all loss, cost, damage and expense (including, without limitation, attorney's fees and costs incurred in the investigation, defense and settlement of claims and losses incurred in correcting any prohibited transaction or in the sale of a prohibited loan, and in obtaining any individual prohibited transaction exemption under ERISA that may be required, in Secured Party's sole discretion) that Secured Party may incur, directly or indirectly, as a result of a default under subsection (c) hereinabove. This indemnity shall survive any termination, satisfaction or foreclosure of this Instrument and shall not be subject to the limitation on personal liability set forth in Section 8.01.

(e) Notwithstanding anything to the contrary contained herein, (1) no sale, assignment or transfer of any direct or indirect interest in Debtor shall be permitted which would negate Debtor's representations in this Section or cause this Instrument (or any exercise of Secured Party's rights under the Loan Documents) to constitute a violation of any provision of ERISA or of any applicable state statute regulating a governmental plan, as determined in the sole discretion of Secured Party, (2) no direct or indirect transfer of the Premises or Improvements or any interest therein including, without limitation, a junior lien or leasehold interest, shall be permitted which would cause this Instrument (or any exercise of Secured Party's rights under the Loan Documents) to constitute a violation of any provision of ERISA or of any applicable state statute regulating a governmental plan, as determined in the sole discretion of Secured Party, and (3) not less than fifteen (15) days before consummation of any permitted transfer of title to the Premises or Improvements or of an interest in Debtor, or of any direct or indirect right, title or interest in either of them, or of the placing of any lien or encumbrance on the Premises or the Improvements, Debtor shall obtain from the proposed transferee or lienholder a representation to Secured Party in form and substance satisfactory to Secured Party that the provisions of subsection (b) hereinabove shall be true and correct after said transfer, and further provided that any proposed lienholder agrees that any direct or indirect transfer of its lien or any interest therein shall be governed by this Section.

3. Section 5.01 continued - Notwithstanding the foregoing, Debtor or AmSouth Bank, N.A. (should AmSouth Bank, N.A. assume the obligations of Debtor as set forth herein) may transfer the Premises and the Improvements one (1) time after the expiration of twelve (12) months from the date hereof, and after at least fifteen (15) business days' notice to Secured Party, provided that all of the following conditions have been satisfied: (a) no Event of Default has occurred and is continuing under the Loan Documents; (b) Secured Party shall have approved the proposed transferee, including but not limited to, review of creditworthiness, good character and reputation, and demonstrated ability and experience (by itself or through its manager) in the ownership, operation and

leasing of a first-class garden apartment complex; (c) (i) the proposed transfer is not in violation of Section 3.11 hereof, and (ii) Secured Party shall have received the certifications required by subsection (b) of said Section 3.11 (or, if the statements required by the certifications are not true with respect to the proposed transferee, Secured Party shall have received such evidence as it may require in its sole discretion to determine that the proposed transfer is not a prohibited transaction under such Act); (d) the proposed transferee shall have executed an assumption agreement acceptable to Secured Party with respect to the Loan Documents, subject to the same limitation on liability as is set forth in Section 8.01, but with no other required modification in any Loan Document; (e) in consideration for such transfer, Secured Party shall have been paid a transfer fee of one per cent (1%) of the then-outstanding principal balance of the Note, plus all costs and expenses incurred by Secured Party for the processing of said transfer, including attorney's fees and expenses; (f) the Premises and the Improvements shall have generated net operating income (as defined below) during the six (6) month period immediately preceding the proposed transfer of not less than one-half of the product of (i) 1.19 times (ii) 9.83% during the first thirty-six (36) months of the Loan or 10.38% during the last twenty-four (24) months of the Loan times (iii) \$9,000,000.00; and (g) there is not second mortgage outstanding on the Collateral. Provided that all of the foregoing conditions are fulfilled, Secured Party shall release the original Debtor from all future obligations under the Loan simultaneously with such transfer except for such Debtor's indemnity obligations set forth in Sections 3.11 and 3.12 hereunder. Notwithstanding the foregoing, the stock of Realty Development Corporation (Debtor's general partner) may be transferred without Secured Party's prior written consent, provided that at all times at least 51% of the voting stock remains held by John Lie-Nielsen and/or George H. Lane, III and there is no violation of Section 3.11 hereunder.

Net operating income shall be defined as the gross operating income for a six (6) consecutive month period (from any and all sources) derived from the Premises and Improvements, less all ordinary operating expenses, fixed and variable, and a reasonable reserve for ad valorem taxes and insurance premiums, but before deduction for federal, state or other income taxes, debt service, depreciation or amortization. Ordinary operating expenses shall not be prepaid or deferred, and shall reflect then-current market conditions. Operating income shall not be anticipated more than one (1) month in advance, and shall not include extraordinary collections of arrearages. The managing general partner and chief financial officer of Debtor shall document, in writing, all income and expenses and such documentation shall be subject to the approval of Secured Party.

Further, AmSouth Bank, N.A. may acquire the Note at any time prior to maturity subject to the prepayment premium provisions contained in said Note. The indebtedness evidenced by the Note and secured by this Indenture may be assumed by AmSouth Bank, N.A.

without payment of the one per cent transfer fee as provided hereinabove on the condition that Secured Party is paid an administrative processing fee of \$10,000.00 plus attorney's fees and expenses incurred by Secured Party for said transfer.
