The interests herein assigned are subject to their proportionate share of the royalties, overriding royalties and other burdens against said Leases as of the effective date hereof and the terms, conditions, obligations, and provisions set forth in said Leases. The interests herein assigned are further subject to the provisions of any and all agreements binding on Assignor and the respective Assignees to the extent that the same burden the undivided interest herein assigned to such Assignee and are valid and existing on the effective date hereof, including but not limited to participation agreements, development agreements, operating agreements, gas sales contracts and unitization agreements, and any amendments thereto.

Reference is here made to said Exhibit "A", to all of the instruments and records mentioned or referred to therein or herein and to all of those mentioned in all of said instruments for all purposes in connection herewith.

Assignor hereby binds and obligates itself and its successors and assigns to Warrant and Forever defend title to the respective interests set forth above unto the respective-named Assignees, their respective successors and assigns, against every person or entity whomsoever claiming or to claim the same or any portion thereof by, through or under Assignor, but not otherwise, subject to the burdens against said Leases and the agreements to which this Partial Assignment is expressly made subject, but with full subrogation and substitution to all covenants and warranties by others heretofore given or made with respect to said Leases or any part thereof or interest therein.

This Partial Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
