AGREEMENT

THIS AGREEMENT is made and entered into as of the 6th day of June, 1991 between DANIEL OAK MOUNTAIN LIMITED PARTNERSHIP, an Alabama limited partnership ("Seller"), and GREYSTONE CLOSE, an Alabama joint venture ("Purchaser").

R E C I T A L S:

Contemporaneously herewith, Seller has sold and conveyed to Purchaser and Purchaser has purchased and accepted from Seller that certain real property situated in Shelby County, Alabama (the "Phase I Property") which is more particularly described in Exhibit A attached hereto and incorporated herein by reference. Purchaser desires to develop the Phase I Property substantially in accordance with the development plan (the "Development Plan") attached hereto as Exhibit B and incorporated herein by reference.

Seller and Purchaser have also entered into a Sales Contract of even date herewith, a copy of which is attached hereto as Exhibit C and incorporated herein by reference (the "Phase II Sales Contract"), pursuant to which Seller has agreed to sell and Purchaser has agreed to purchase the real property described therein as the "Property" (the "Phase II Property"). The legal description of the Phase II Property is set forth in Appendix I to the Phase II Sales Contract. The Phase I Property and the Phase II Property are contiguous.

The purchase price for the Phase II Property is \$335,825.00 (the "Purchase Price"), as more particularly set forth in the Phase II Sales Contract. Purchaser has agreed to pay to Seller certain portions of the proceeds received by Purchaser from the sale of portions of the Phase I Property, which proceeds shall be held as earnest money by Seller and applied to the Purchase Price payable by Seller for the Phase II Property. Upon the payment in full of the Purchase Price on or before the "Termination Date", as hereinafter defined, Seller has agreed to convey the Phase II Property to Purchaser.

NOW, THEREFORE, in consideration of the premises, the mutual covenants, promises and agreements hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties, the parties hereby agree as follows:

1. Payment of Sales Proceeds.

(a) From and after the date hereof and continuing thereafter until the first to occur of either (i) the "Termination Date" (as defined in Paragraph 3 below) or (ii) the payment by Purchaser of the entire Purchase Price, Purchaser does hereby covenant and agree to pay to Seller the sum of \$22,000.00 per lot (the "Release Fee") from the proceeds received by Purchaser from the sale of each lot (as shown on the Development Plan) comprising the Phase I Property. If, for any reason, the entire Purchase Price has not been paid in full by ~~September 30, 1991~~ *October 6* 1991, then Purchaser agrees to pay to Seller, in addition to the Release Fee, the additional sum of \$1,000.00 per lot (the "Extension Fee") from the proceeds received by Purchaser from the sale of each lot (as shown on the Development Plan) comprising the Phase I Property closed after ~~September 30, 1991~~ *October 6* 1991. *MOF NR by PH*

(b) All amounts payable by Purchaser to Seller as the Release Fee from each lot sale of any of the Phase I Property shall be deemed earnest money under the Phase II Sales Contract and shall be held and applied as provided in Paragraph 2 below. The Release Fee and Extension Fee shall

be paid by Purchaser to Seller in immediately available funds concurrently with the sale of any portion of the Phase I Property.

(c) To the extent required by any purchaser, lender or title insurance company providing title insurance for any portions of the Phase I Property, Seller agrees to execute and deliver to Purchaser, upon Seller's receipt of the appropriate Release Fee (and Extension Fee, if applicable), a partial release or other instruments reasonably requested by Purchaser to evidence Seller's receipt of the Release Fee and to otherwise release the lot sold by Purchaser from the obligations of this Agreement.

(d) Purchaser and Seller acknowledge and agree that the foregoing agreement of Purchaser to pay to Seller the Release Fee and, if applicable, the Extension Fee, from the proceeds received by Purchaser from the sale of each lot comprising part of the Phase I Property is a material consideration for Seller's agreement to sell the Phase I Property to Purchaser and for Seller to enter into the Phase II Sales Contract. Purchaser and its general partner represent and warrant that they (through their principals, stockholders, officers and directors) are experienced in the acquisition and development of real estate and have entered into this Agreement with full knowledge that the entire amount paid by Purchaser to Seller in Release Fees and Extension Fees shall be subject to forfeiture, as liquidated damages, at the option of Seller or otherwise retained by Seller in any action for damages or specific performance maintained by Seller against Purchaser should the entire Purchase Price for the Phase II Property not be paid in full by the Termination Date (as defined in Paragraph 3 below). Purchaser further represents that the structure for the purchase and sale of the Phase II Property has been suggested by Purchaser, that Purchaser has entered into this Agreement with full knowledge of the facts and consequences which will result should the entire Purchase Price for the Phase II Property not be paid in full by the Termination Date (as defined in Paragraph 3 below) and that Purchaser has had the opportunity to seek and obtain legal advice from its own legal counsel prior to entering into this Agreement.

2. Application to Purchase Price.

(a) All amounts paid by Purchaser to Seller as a Release Fee shall be deemed earnest money under the Phase II Sales Contract and shall be applied one hundred percent (100%) to the Purchase Price. All amounts, if any, paid by Purchaser to Seller as an Extension Fee shall (i) be deemed a fee payable by Purchaser to extend the purchase and sale transaction contemplated by the Phase II Sales Contract from September 30, 1991 to the Termination Date (as described below), (ii) not be deemed earnest money under the Phase II Sales Contract and (iii) not be applied to or reduce the Purchase Price.

(b) Seller does hereby covenant and agree to convey to Purchaser the Phase II Property in accordance with the terms and conditions of the Phase II Sales Contract upon its receipt of funds from Purchaser equal to the entire Purchase Price so long as the entire Purchase Price is paid in full on or before the Termination Date (as defined in Paragraph 3 below). All interest paid or received by Seller on any portion of the Release Fees and, if applicable, Extension Fees, shall belong to and be deemed the exclusive property of Seller.

3. Termination Date.

(a) Seller and Purchaser agree that if, for any reason, the entire Purchase Price has not been paid by Purchaser to Seller by 5:00 p.m. Central Standard Time on December 31, 1991 (the "Termination Date"), then (i)

Purchaser shall be deemed in default in the payment and performance of its obligations under the Phase II Sales Contract and Seller shall be entitled to exercise all rights and remedies set forth herein and (ii) Purchaser shall be deemed to have waived all rights and interest, either equitable or otherwise, in the Phase II Property and the Phase II Sales Contract.

(b) In the event Purchaser fails to carry out and perform all of its obligations set forth in the Phase II Sales Contract (including, specifically, any failure by Purchaser to pay the entire Purchase Price for the Phase II Property on or before the Termination Date), then Seller shall have the right, at Seller's option, to (i) enforce by specific performance the Phase II Sales Contract and Purchaser's obligations to purchase the Phase II Property and pay the Purchase Price, (ii) seek the recovery of all damages incurred by Seller less the value of any benefit accruing to the Seller by virtue of the existence of the development of the Phase I as a result of Purchaser's failure to close the transaction contemplated in the Phase II Sales Contract or (iii) retain, as liquidated damages, the Release Fees paid by Purchaser to Seller as earnest money and all other amounts paid by Purchaser to Seller as Extension Fees and thereupon terminate this Agreement and the Phase II Sales Contract in which event neither party shall have any further obligation to the other hereunder or under the Phase II Sales Contract. In the event Seller elects to terminate this Agreement and the Phase II Sales Contract as provided herein, Seller shall have no obligation to refund, rebate or otherwise pay over to Purchaser any portion of the Purchase Price previously paid by Purchaser to Seller and Purchaser shall, from and after the termination of this Agreement and the Phase II Sales Contract by Seller, be deemed to have waived and released any and all right, title and interest, whether equitable or otherwise, to the Phase II Property. Furthermore, in the event of any default by Purchaser hereunder or in the Phase II Sales Contract, Purchaser agrees to pay all costs and expenses incurred by Seller as a result thereof, including, without limitation, court costs, collection costs and reasonable attorneys' fees.

(c) Seller shall have the right, at any time and from time to time, after the Termination Date, to execute and record any ex parte instruments, certificates, documents or agreements necessary or required to evidence that this Agreement, the Phase II Sales Contract and all rights of Purchaser therein and in the Phase II Property have terminated, which ex parte instruments, certificates, documents or agreements shall be binding upon and inure to the benefit of Seller and Purchaser and their respective successors and assigns. Purchaser does hereby irrevocably appoint Seller as its agent and attorney-in-fact for the purpose of executing, signing, acknowledging, swearing to and recording any and all instruments, certificates, documents and agreements which Seller deems necessary or desirable to reflect that this Agreement, the Phase II Sales Contract and all rights of Purchaser therein and in and to the Phase II Property have terminated and are of no further force or effect for and in the name, place and stead of Purchaser. The power and authority granted herein is hereby declared to be irrevocable and a power coupled with an interest which shall survive the death or dissolution of Purchaser and be binding upon Purchaser, its successors and assigns; provided, however, that nothing herein shall be construed so as to prevent the Purchaser from asserting any claim or right to which it is entitled under this agreement and the laws of the State of Alabama.

BOOK 346 PAGE 934

4. Covenants of Purchaser. From and after the date hereof and continuing until the earlier of either (a) the payment in full of the Purchase Price or (b) the Termination Date, Purchaser covenants and agrees that:

(i) Purchaser shall not transfer, convey, sell, exchange or enter into any contract for the sale of any lot within the Phase I Property (as shown on the Development Plan) unless the purchase price for such lot is equal to or greater than the Release Fee described above;

(ii) Purchaser shall not mortgage, encumber, assign, transfer, pledge or otherwise hypothecate any interest of Purchaser in any portion of the Phase I Property, any proceeds payable with respect to the sale of any portion of the Phase I Property or its rights under this Agreement or the Phase II Sales Contract; and

(iii) The Phase I Property shall be developed substantially in accordance with the Development Plan and Purchaser shall not alter or change the manner in which the Phase I Property is to be developed from that set forth in the Development Plan.

To the extent Purchaser desires to undertake any of the foregoing actions, Purchaser shall first obtain the prior written approval of the same from Seller, which approval may be withheld in the sole discretion by Seller.

5. Incorporated by Reference. The Phase II Sales Contract which is attached to this Agreement as Exhibit C is hereby incorporated into this Agreement as if the terms and provisions thereof were fully set out herein.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as of the day and year first above written.
