This Declaration shall not apply to or affect the Golf Club Property nor shall this Declaration apply to any other real property owned by Daniel or Developer unless the same is subjected specifically by written instrument to this Declaration.

2.02 Additional Property. Daniel reserves the right, in its sole and absolute discretion, at any time and from time to time during the pendency of this Declaration, to add and submit any Additional Property to the provisions of this Declaration and, to the extent any of the Additional Property is specifically submitted to the terms and provisions of this Declaration by Daniel, then any such Additional Property shall constitute part of the Property. Additional Property may be submitted to the provisions of this Declaration by an instrument executed by Daniel in the manner required for the execution of deeds and recorded in the Probate Office of Shelby County, Alabama, which instrument shall be deemed an amendment to this Declaration (which need not be consented to or approved by Developer or any Owner, Occupant or Mortgagee of any Lot or Dwelling) and shall (a) refer to this Declaration stating the book and page number in the Probate Office of Shelby County, Alabama where this Declaration is recorded, (b) contain a statement that such Additional Property is conveyed subject to the provisions of this Declaration or only specified portions thereof, (c) contain an exact description of such Additional Property and (d) state such other or different covenants, conditions and restrictions as Daniel, in its sole discretion, shall specify to regulate and control the use, occupancy and improvement of such Additional Property. through and upon a strip of land fifteen (15) feet in width running parallel to and along the boundary of any Lot or Dwelling which constitutes the perimeter boundary of the Development for the purpose of constructing, installing, maintaining, repairing, operating and replacing a perimeter wall, fence, mound or berm around the perimeter boundary of the Development; provided, however, that neither Developer nor the Association shall have any obligation to construct any such perimeter wall, fence, mound or berm.

3.08 Reservation of Maintenance Easement. Developer does hereby establish and reserve for the Association and its agents, employees, successors and assigns, a permanent and perpetual right and easement to enter upon any Lot or Dwelling for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, stumps or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire safety and appearance within the Development; provided, however, that such easement shall not impose any duty or obligation upon Developer or the Association to perform any of the foregoing actions.

3.09 Reservation of Environmental Easement. Developer does hereby establish and reserve for itself, Daniel, the ARC, the Association and their respective agents, employees, successors and assigns, a permanent and perpetual right and easement on, over, across and upon all Lots and all unimproved portions of any Dwellings for the purpose of taking any action necessary to effect compliance with any watershed, soil erosion or environmental rules, regulations and procedures from time to time affecting or otherwise promulgated or instituted by any Governmental Authorities or the Board. The easement and right established and reserved herein shall include, without limitation, the right to implement erosion control procedures and practices, the right to drain standing water and the right to take any other action which may be required in order to satisfy the requirements of the applicable watershed, soil erosion or environmental rules, regulations or procedures affecting the Property. Except in the case of an emergency situation or a perceived emergency situation, the exercise by Developer, Daniel or the Association of the rights reserved in this Section 3.09 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot.

ARTICLE IV

ASSOCIATION

4.01 Membership. The Owner of each Lot or Dwelling shall be a member of the Association. For purposes of determining membership in the Association, each dwelling unit, whether attached or detached, situated on any portion of the Property shall be deemed a separate individual

BOOK 346 PAGE 890

Dwelling. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling; provided, however, that (a) Developer shall be deemed a member of the Association and shall have one (1) vote for each Lot or Dwelling owned by Developer in the Development, (b) in the event any Lot or Dwelling is owned by more than one (1) person, then the Owner of such Lot shall, by written notice to the Board, designate only one (1) representative to serve as a member of the Association who shall exercise all voting rights attributable to the Lot or Dwelling owned by such Owner and (c) no Mortgagee shall become a member of the Association until such time, if at all, that the Mortgagee becomes an Owner by virtue of foreclosure of its Mortgage and title to such encumbered Lot or Dwelling is vested in Mortgagee pursuant to a duly recorded deed. The transfer or conveyance of fee title to any Lot or Dwelling (other than by a Mortgage as security for the payment of an obligation), shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot or Dwelling transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed or otherwise alienated in any manner separately and apart from the ownership of a Lot or Dwelling. Each member of the Association shall at all times comply with the provisions of this Declaration, the Articles of Incorporation, the Bylaws and all rules and regulations which may from time to time be adopted by the Board or the members of the Association.

4.02 Board. The Board shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no longer is the Owner of any Lot or Dwelling within the Development. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, vests in Developer such authority to appoint and remove members of the Board and officers of the Association as provided by this Section 4.02.

4.03 Voting Rights. The Owner of each Lot or Dwelling shall be entitled to one (1) vote in any matters submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot or Dwelling owned. Such voting rights shall continue to apply to each Lot or Dwelling upon the addition of any of the Additional Property to this Declaration. Each Owner, by acceptance of a deed or other

conveyance to a Lot or Dwelling, consents and agrees to the dilution of his voting interest in the Association by virtue of the resubdivision of any Lot by Developer pursuant to Section 2.04 above or the submission of any Additional Property to the terms of this Declaration. In no event, whether as a result of there being multiple ownership interests in any Lot or Dwelling or otherwise, shall more than one vote be allowed for any one Lot or Dwelling. Fractional voting shall not be permitted. For purposes of this Section 4.03, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots or Dwellings owned by Developer.

4.04 Duties and Powers of Association. In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in this Declaration and in the Reciprocal Easement Agreement, the Association shall have the power to do, cause to be done and otherwise perform or cause to be performed any of the duties and powers set forth in the Articles of Incorporation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. In the event of any conflict, ambiguity or inconsistency between the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws or any rules and regulations adopted from time to time by the Association, then the provisions of the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws and any rules and regulations adopted by the Association, in that order, shall prevail and each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, covenants and agrees to vote in favor of and execute any amendments as may be necessary to remove or alleviate any such conflict, ambiguity or inconsistency. Except as otherwise specifically provided to the contrary herein, in the Articles of Incorporation or in the Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners.

4.05 Agreements. Subject to the conditions, restrictions and other provisions of this Declaration, all agreements, actions and determinations lawfully authorized by the Board shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Development. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice, including third party management companies which may be

affiliates of either Daniel or Developer, such duties of the Association as may be determined by the Board. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Development, or the enforcement of this Declaration, the Articles of Incorporation, the Bylaws or any rules and regulations of the Association.

4.06 Rules and Regulations. The Board may establish and enforce reasonable rules and regulations governing the use of all Lots, Dwellings and Common Areas so long as the same do not conflict with, contradict or attempt to supersede any of the terms and provisions of this Declaration or the Reciprocal Easement Agreement.

4.07 Indemnification. The Association shall and does hereby indemnify, defend and agree to hold each and every officer, agent, representative and member of the ARC and the Board of the Association harmless from and against any and all expenses, including court costs and reasonable attorneys' fees, suffered, paid or incurred by any such officer, agent, representative or member of the ARC or the Board in connection with any action, suit or other proceeding (including the settlement of any suit or proceeding if approved by the Board) to which such person may be made a party by reason of being or having been an officer, agent, representative or member of the ARC or the Board of the Association. The officers, agents, representatives and members of the ARC or the Board of the Association shall not be liable for any mistake in judgment, negligence or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives and members of the ARC or the Board of the Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the ARC or the Association and the Association shall and does hereby indemnify, defend and agree to forever hold each such officer, agent, representative and member of the ARC or the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative or member of the ARC or the Board of the Association may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the Bylaws. The Association shall maintain adequate general liability and, to the extent financially feasible, officers and directors liability insurance in order to fulfill its obligations under this Section 4.07 and the costs of such insurance shall constitute a Common Expense.

ARTICLE V

ARCHITECTURAL REVIEW COMMITTEE, DEVELOPMENT AND ARCHITECTURAL STANDARDS

5.01 Committee Composition. The ARC shall consist of not less than three (3) nor more than seven (7) persons, each of whom shall be appointed or elected as provided in Section 5.02 below. The members of the ARC may, but shall not be required to be, members of the Association or Owners of any Lot or Dwelling. The regular term of office for each member of the ARC shall be one (1) year, coinciding with the fiscal year of the Association. Any member appointed or elected as provided in Section 5.02 below may be removed with or without cause in the manner provided in Section 5.02 below. Each Owner, by acceptance of a deed to or other conveyance to a Lot or Dwelling, shall be deemed to ratify the provisions of Section 5.02 below.

5.02 Appointment and Removal of ARC Members.

(a) Daniel shall have the sole and exclusive right to appoint and remove all of the members of the ARC. Upon Daniel's written notice to the Association that it no longer desires to exercise the right to appoint and remove members of the ARC as provided in this Section 5.02(a), then the members of the ARC shall be appointed by the Board of the Association.

(b) Any member of the ARC may be removed, with or without cause, by (i) Daniel, in its sole discretion, for so long as Daniel has retained the right to appoint and remove members of the ARC or (ii) the Board, in the event Daniel has relinquished, in writing, its right to appoint and remove members of the ARC.

5.03 Procedure and Meetings. The ARC shall elect a chairman and he, or in his absence, the vice-chairman, shall be the presiding officer at all meetings of the ARC. The ARC shall meet on a regular basis as well as upon call of the chairman or vice-chairman, and all such meetings shall be held at such places as may be designated by the chairman or vice-chairman. A majority of the total number of members of the ARC shall constitute a quorum of the ARC for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the ARC shall constitute the action of the ARC on any matter which comes before it. The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. Each member of the ARC may be paid a stipend or honorarium as may from time to time be

BOOK 346 PAGE 893

determined by the Board of the Association and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the ARC, subject to the approval of such expenses by the Board of the Association. The ARC shall have the right from time to time to adopt and establish such rules and regulations as may be determined to be necessary concerning the procedure, notice of meetings and all other matters concerning the conduct of the business of the ARC.

5.04 Architectural Standards. The ARC is hereby authorized to promulgate and amend or modify from time to time written architectural standards governing policies, guidelines and minimum requirements to be satisfied with respect to the construction, location, landscaping and design of all Dwellings and other Improvements on any Lot, the content and manner in which plans and specifications and other documentation and information concerning the construction of any Dwelling or other Improvements on a Lot are to be submitted to and approved by the ARC and any other matters affecting the construction, repair or maintenance of any Dwelling or other Improvements on any Lot. Any architectural standards adopted by the ARC shall be in addition to the provisions and requirements set forth in this Declaration and shall be binding upon and enforceable against all Owners.

5.05 Approval of Plans and Specifications.

(a) IN ORDER TO PRESERVE THE ARCHITECTURAL AND AESTHETIC APPEARANCE AND THE NATURAL SETTING AND BEAUTY OF THE DEVELOPMENT, TO ESTABLISH AND PRESERVE A HARMONIOUS DESIGN FOR THE DEVELOPMENT AND TO PROTECT AND PROMOTE THE VALUE OF THE PROPERTY, THE LOTS, THE DWELLINGS AND ALL IMPROVEMENTS THEREON, NO IMPROVEMENTS OF ANY NATURE SHALL BE COMMENCED, ERECTED, INSTALLED, PLACED, MOVED ONTO, ALTERED, REPLACED, RELOCATED, PERMITTED TO REMAIN ON OR MAINTAINED ON ANY LOT OR DWELLING BY ANY OWNER, WHICH AFFECT THE EXTERIOR APPEARANCE OF ANY LOT OR DWELLING UNLESS PLANS AND SPECIFICATIONS THEREFOR HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b) BELOW. WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY DWELLINGS, SIDEWALKS, DRIVEWAYS, PARKING LOTS, MAILBOXES, DECKS, PATIOS, COURTYARDS, SWIMMING POOLS, TENNIS COURTS, GREENHOUSES, PLAYHOUSES, AWNINGS, WALLS, FENCES, EXTERIOR LIGHTS, GARAGES, GUEST OR SERVANT'S QUARTERS, GARAGES OR ANY OTHER OUTBUILDINGS, SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR CHANGE OR ALTERATION BE MADE (INCLUDING, WITHOUT LIMITATION, PAINTING OR STAINING OF ANY EXTERIOR SURFACE) TO ANY DWELLING OR IMPROVEMENTS, UNLESS THE PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b) BELOW.

(b) The ARC is hereby authorized and empowered to approve all plans and specifications and the construction of all Dwellings and other Improvements on any part of the Property. Prior to the commencement of any Dwelling or other Improvements on any Lot or Dwelling, the Owner thereof shall submit to the ARC plans and specifications and related data for all such Improvements, which shall include the following:

(i) Two (2) copies of an accurately drawn and dimensioned site development plan indicating the location of any and all Improvements, including, specifically, the Dwelling to be constructed on said Lot, the location of all driveways, walkways, decks, terraces, patios and outbuildings and the relationship of the same to any set-back requirements applicable to the Lot or Dwelling.

(ii) Two (2) copies of a foundation plan, floor plans and exterior elevation drawings of the front, back and sides of the Dwelling to be constructed on the Lot.

(iii) Two (2) copies of written specifications and, if requested by the ARC, samples indicating the nature, color, type, shape, height and location of all exterior materials to be used in the construction of the Dwelling on such Lot or any other Improvements thereto, including, without limitation, the type and color of all brick, stone, stucco, roofing and other materials to be utilized on the exterior of a Dwelling and the color of paint or stain to be used on all doors, shutters, trim work, eaves and cornices on the exterior of such Dwelling.

(iv) Two (2) copies of the lighting plan, including specifications, for any exterior lighting to be utilized with respect to such Lot or Dwelling.

(v) Two (2) copies of a landscaping plan prepared and submitted in accordance with the provisions of Section 5.06 below.

(vi) Such other plans, specifications or other information or documentation as may be required by the ARC.

(c) The ARC shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. The ARC shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives

BOOK 346 PAGE 895

and purposes of this Declaration, including purely aesthetic considerations, any failure to comply with any of the provisions of this Declaration, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Development, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot or Dwelling, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any Improvement or any other matter which, in the sole judgment of the ARC, would render the proposed Improvement inharmonious with the general plan of development contemplated for the Development. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot or Dwelling shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Development. The ARC shall establish a fee sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Such fee or fees shall be paid by the Owner who is seeking ARC approval of plans and specifications. Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within his Dwelling that do not affect exterior appearance without the necessity or requirement that ARC approval or consent be obtained.

(d) In the event the ARC fails to approve in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been disapproved.

(e) Any revisions, modifications or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.

(f) If construction of the Dwelling or the Improvements has not substantially commenced (e.g., by clearing and grading, pouring of footing and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Dwelling or other Improvements, then

no construction may be commenced (or continued) on such Lot or Dwelling and the Owner of such Lot or Dwelling shall be required to resubmit all plans and specifications for any Dwelling or other Improvements to the ARC for approval in the same manner specified above.

5.06 Landscaping Approval. In order to preserve, to the extent practicable, the natural landscaping and plant life currently situated on the Property and in order to enhance the aesthetic appearance of the Property, no landscaping, grading, excavation or fill work of any nature shall be implemented or installed by any Owner, other than Developer, on any Lot or Dwelling unless and until landscaping plans therefor have been submitted to and approved by the ARC.

5.07 Construction Without Approval. If (a) any Improvements are initiated, installed, maintained, altered, replaced or relocated on any Lot or Dwelling without ARC approval of the plans and specifications for the same or (b) the ARC shall determine that any approved plans and specifications for any Improvements or the approved landscaping plans for any Lot or Dwelling are not being complied with, then, in either event, the Owner of such Lot or Dwelling shall be deemed to have violated this Declaration and the ARC shall have the right to exercise any of the rights and remedies set forth in Article XI below.

5.08 Inspection. The ARC or any agent, employee or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or Dwelling being constructed thereon in order to determine whether the approved plans and specifications therefor are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

5.09 Subsurface Conditions. The Property may be located in an area which includes underground mines, tunnels, sinkholes and subsurface conditions which may result in sinkholes or other types of ground subsidence. The approval of plans and specifications by the ARC for any Dwelling or other Improvements on a Lot or Dwelling shall not be construed in any respect as a representation or warranty by the ARC, Daniel or Developer to the Owner submitting such plans or to any of the successors or assigns of such Owner that the surface or subsurface conditions of such Lot or Dwelling are suitable for the construction of the Improvements contemplated by such plans and specifications. It shall be the sole responsibility of each Owner to determine the suitability and adequacy of the surface and subsurface conditions of any Lot or Dwelling for the construction of any contemplated Improvements thereon.

5.10 Limitation of Liability. Notwithstanding anything provided herein to the contrary, neither Daniel, Developer, the ARC, the Association, nor any agent, employee, representative, member, shareholder, partner, officer or director thereof, shall have any liability of any nature whatsoever for any damage, loss or prejudice suffered, claimed, paid or incurred by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Article V, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) the construction or performance of any work related to such plans, drawings and specifications, (e) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant, or any damage to any Dwellings, Improvements or the personal property of any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by, or arise as a result of, any defect, structural or otherwise, in any Dwellings or Improvements or the plans and specifications therefore, or any past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, sinkholes, underground mines, tunnels and water channels and limestone formations on or under any Lot or Dwelling) and (f) any other loss, claim, damage, liability or expense, including court costs and attorneys' fees, suffered, paid or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot, Dwelling or any Improvements situated thereon.

5.11 Commencement and Completion of Construction. Upon commencement of construction of any Dwelling, construction work thereon shall be prosecuted diligently and continuously and shall be completed within one (1) year of the commencement date of said construction, such completion to be evidenced by a certificate of occupancy issued by the appropriate Governmental Authorities.

5.12 Enforcement and Remedies. In the event any of the provisions of this Article V are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective family members, guests, invitees, agents, employees or contractors of any Owner or Occupant, then the ARC and the Association shall each have the right, at their option, to exercise any of the rights and remedies set forth in Article XI below.

5.13 Compliance Certification. The ARC or any authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to an Owner a certificate in writing setting forth whether all necessary ARC approvals have been obtained and whether any Dwelling or Improvement has been constructed in accordance with the provisions of this Declaration.

ARTICLE VI

USE AND DEVELOPMENT RESTRICTIONS

6.01 Use Restrictions. Except as otherwise provided to the contrary in this Section 6.01, each Lot and Dwelling shall be used for single-family residential purposes only, including, without limitation, attached or detached townhouses, condominiums, cooperatives, duplexes, zero-lot-line homes and cluster or patio homes for residential dwelling purposes. No trade or business may be carried on in or from any Lot or Dwelling, provided, however, that the use of any portion of a Dwelling as an office by an Owner shall not be considered a violation of this covenant if such use does not create regular customer, client or employee traffic. The leasing or rental of a Dwelling for residential purposes only shall not be considered a violation of this covenant so long as the lease (a) is for not less than the entire Dwelling, (b) is for a term of at least six (6) months and (c) is otherwise in compliance with the rules and regulations promulgated and published from time to time by the Association. Notwithstanding anything provided in this Section 6.01 to the contrary, the Property or any portion thereof, including, specifically, any Lots constituting any portion of the Property, may be used and developed for any of the uses included in the definition of Common Areas.

No Dwellings shall be built within the setback areas established in accordance with any of the procedures specified in this Section 6.04. 6.05 Height Limitations. The height of all Dwellings shall be compatible with all other Dwellings adjacent to such Lot or Dwelling. No Dwelling shall exceed three (3) stories in height, as measured from the finished grade of the Lot on the front of the Dwelling facing a street or roadway.

(b) Each Owner shall, to the extent practicable, attempt to incorporate into the landscaping plan for his Dwelling the natural plant life existing on such Lot and shall otherwise take such steps which would, to the extent practicable, preserve the existing trees, plant life, wild flowers and natural environment, including natural drainage channels, which exist on such Lot.

(c) No hedge or shrubbery planting which obstructs sight-lines of streets and roadways shall be placed or permitted to remain on any Lot or Dwelling where such hedge or shrubbery interferes with traffic sight-lines for roadways providing ingress to or egress from the Property. The determination of whether any such obstruction exists shall be made by the ARC, whose determination shall be final, conclusive and binding on all Owners.

(d) No rocks, rock walls or other substances shall be placed on any Lot as a front or side yard border or to prevent vehicles from parking on or pedestrians from walking on any portion of such Lot or to otherwise impede or limit

access to the same. No bird baths, fountains, reflectors, flag poles, statues, lawn sculptures, lawn furnishings, artificial plants, rock gardens, rock walls, bird houses or other fixtures and accessories shall be placed or installed within the front or side yards of any Lot or Dwelling which would be visible from any public or private streets providing access to the Development.

6.09 Exterior Lighting. All exterior lighting for any Dwelling, including, without limitation, free standing lighting and utility (e.g., flood) lights attached to a Dwelling, must be approved by the ARC.

6.10 Exterior Materials and Finishes.

(a) All exterior building material finishes for any Dwelling shall be approved by the ARC. All wood surfaces utilized on the exterior of any Dwelling shall be painted; stained wood shall not be authorized; provided, however, that the foregoing shall not be deemed to require decks on the rear of a Dwelling to be painted nor shall the foregoing be deemed to prohibit the staining of doors.

(b) No wooden steps, stoops or porches shall be allowed on the front or sides of any Dwellings. Concrete steps, stoops or porches must be finished in tile, brick or stone. No radio or television signals or any other form of electromagnetic radiation or transmission shall be permitted to originate from any Lot or Dwelling which may interfere with the reception of radio or television signals within the Property or any other real property situated in close proximity to the Development.

6.17 Driveways and Roadways. All driveways and sidewalks shall be paved; chert, gravel and loose stone driveways and sidewalks are prohibited. No Lot or any roadway constructed on any part of the Property may be utilized to provide access, ingress to or egress from any property lying outside the boundaries of the Development without Daniel's prior written approval, which may be given or withheld in the sole discretion of Daniel. The foregoing shall not be construed as any restriction on Daniel's right to add Additional Property to the terms of this Declaration or to restrict or limit any of the rights created under the Reciprocal Easement Agreement.

6.18 Outdoor Furniture, Recreational Facilities and Clotheslines.

(a) Any yard (exterior) furniture placed, kept, installed, maintained or located on any Lot or Dwelling shall, to the greatest extent practicable, be located so that the same shall not be visible from any public or private street providing access to the Development. ARTICLE VII

7.01 Responsibilities of Owners.

(a) The maintenance and repair of all Lots, Dwellings, all other Improvements situated thereon or therein and all lawns, landscaping and grounds on or within a Lot or Dwelling shall be the responsibility of the Owner of such Lot or Dwelling. Each Owner shall be responsible for maintaining his Lot and Dwelling in a neat, clean and sanitary condition, both inside and outside of any Dwellings or Improvements thereto. Such responsibilities shall include, without

All areas of any Lot or Dwelling which are not improved by the construction of a Dwelling thereon shall at all times be maintained by the Owner thereof in a fully and well kept landscaped condition utilizing ground cover and/or shrubbery and trees. 7.02 Responsibilities of Association.

(a) The Association shall pay all amounts due as the "Annual Maintenance Expense" under the Reciprocal Agreement and, to the extent it has received sufficient sums from the Owners through Assessments, maintain and keep in good repair and condition all portions of the Common Areas. The Association shall not be liable for injuries or damage to any person or property (1) caused by the elements, acts of God or any Owner or other person, (2) resulting from any surface or subsurface conditions which may at any time affect any portion of the Property caused by rain or other surface water which may leak or flow from any portion of the Common Area onto a Lot or Dwelling or (3) resulting from thief, burglary or other illegal entry onto the Property or any Lot or Dwelling thereof. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or

perform some function required to be taken by or performed by the Association hereunder or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association or from any action taken by the Association to comply with any requirements of the Governmental Authorities.

(b) In the event that the Board of the Association determines that (i) any Owner has failed or refused to discharge properly his or its obligations with regard to the maintenance, cleaning, repair or replacement of items for which he or it is responsible hereunder or (ii) any maintenance, cleaning, repair or replacement for which the Association is responsible hereunder is caused by the willful or negligent act of an Owner or Occupant, or their respective family members, guests, servants, employees, invitees or contractors, and the costs of such maintenance, cleaning, repair or replacement are not paid in full from insurance proceeds, if any, received by the Association with respect thereto, then, in either event, the Association, in addition to the exercise of any of the rights and remedies set forth in this Declaration, may give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair or replacement, at the sole cost and expense of such Owner, and setting forth in reasonable detail what action is deemed necessary. Except in the event of emergency situations, such Owner shall have fifteen (15) days within which to complete the same in a good and workmanlike manner or, if the same is not capable of completion within such fifteen (15) day period, to commence such maintenance, cleaning, repair or replacement and to proceed diligently with the completion of the same in a good and workmanlike manner. In the event of emergency situations or the failure by any Owner to comply with the provisions hereof after such notice, the Association may provide (but shall not be obligated to provide) any such maintenance, cleaning, repair or replacement at the sole cost and expense of such Owner and said cost shall be a personal obligation of such Owner, shall constitute an individual Assessment to such Owner and shall be subject to the lien and foreclosure rights granted pursuant to Section 8.08 below.

ARTICLE VIII

COMMON AREA ASSESSMENTS

8.01 Assessments and Creation of Lien. Each Owner of a Lot or Dwelling, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to this Declaration, is hereby deemed to covenant and agree to pay to the Association: (a) annual Assessments, as established and

to be collected as provided in Section 8.04 below, (b) special Assessments, to be established and collected as provided in Section 8.05 below, and (c) individual Assessments against any particular Lot or Dwelling which are established or assessed pursuant to the terms of this Declaration, including, but not limited to, any fines as may be levied or imposed against such Lot or Dwelling in accordance with the provisions of this Declaration. All Assessments, together with late charges and interest as provided in Section 8.08(a) below, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon each Lot or Dwelling for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in Section 8.08(c) below. Each Owner shall be personally liable for the payment of all Assessments coming due while he is the Owner of a Lot or Dwelling and his grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee to the Association which were the legal obligations of the grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.08(a) below, court costs and attorneys' fees incurred with respect thereto by the Association, shall also be a personal obligation of the person who was the Owner of the Lot or Dwelling at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot or Dwelling, all of the co-Owners shall be jointly and severally liable for the entire amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of the Association. All Assessments shall be payable in all events without offset, diminution or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof with respect to any Lot, Dwelling, Common Area or any other portion of the Development or any other cause or reason of any nature.

8.02 Purpose of Assessments. The annual and special Assessments provided for herein shall be used for the general purposes of promoting the recreational, health, safety, welfare, common benefit and enjoyment of the Owners and Occupants of the Development and otherwise for the general upkeep and maintenance of the Development, including, specifically, the Common Areas and any Improvements thereto, all as may be more specifically authorized from time to time by the Board of the Association.

BOOK 346 PAGE 912

8.03 Uniform Rate of Assessments.

(a) Both annual and special Assessments, as described in Sections 8.04 and 8.05 below, shall be assessed against each Lot or Dwelling in the Development at a uniform rate, with the Owner of each Lot or Dwelling being required to pay his prorata portion of such annual and/or special Assessments, as determined by a fraction, the numerator of which shall be the total Lots or Dwellings owned by such Owner and the denominator of which shall be the total number of Lots and Dwellings in the Development at the time such annual or special Assessment is levied.

(b) Notwithstanding anything provided in Section 8.03(a) above to the contrary, in the event any Additional Property is added to the Development, then the Lots and/or Dwellings within the Additional Property shall be subject to the same annual or special Assessments then being paid by the Owners of all other Lots and Dwellings in the Development, subject to proration as provided in Section 8.07 below.

8.04 Computation of Annual Assessments.

(a) The Board of the Association shall determine and approve annually an annual budget covering the estimated Common Expenses for the Development for the upcoming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual Assessments for the then applicable year and each Owner shall pay his prorata share of the same as provided in Section 8.03 above. A copy of the budget setting forth the amount of annual Assessments to be levied against the Lots and Dwellings for the following year shall be delivered to each Owner.

(b) If any budget or the amount of annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may call a meeting of the Association for the purpose of approving special Assessments as provided in Section 8.05 below. If the actual amount of annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association as a reserve for subsequent years' Common Expenses.

(c) The Common Expenses to be funded by the annual Assessments may include, but shall not be limited to, the following:

(i) Salaries, fringe benefits and other compensation paid and out-of-pocket expenses reimbursed by the Association for its employees, agents, officers, members of the Board and any third party contractors;

(ii) Management fees and expenses of administration, including legal and accounting fees, incurred by the Association;

(iii) Utility charges for any utilities serving any of the Common Areas and charges for other common services for the Development, including, without limitation, trash collection and security services;

(iv) The costs of any insurance policies purchased for the benefit of the Association as required or permitted by this Declaration, including, without limitation, fire, flood and other hazardous coverage, public liability coverage and such other insurance coverage as the Board determines to be in the best interest of the Association, including errors and omissions insurance, directors and officers liability insurance and any other liability insurance coverage for the benefit of the Association, the members of the Board, any officers, employees, agents or representatives of the Association or for any of the members of the ARC;

(v) The "Annual Maintenance Expense", as defined in the Reciprocal Easement Agreement, and the expenses of maintaining, operating, repairing and replacing any portions of the Common Areas for which the Association is responsible, including, without limitation, roads comprising Common Areas within the Development and the "Drainage Easement Property" and all improvements thereto, as defined in the Reciprocal Easement Agreement;

(vi) Expenses of maintaining, operating and repairing any other amenities and facilities serving the Development which the Board determines from time to time would be in the best interest of the Association to so maintain, operate and/or repair;

(vii) The expenses of the ARC which are not defrayed by plan review charges;

(viii) Ad valorem real and personal property taxes assessed and levied upon any of the Common Areas;

(ix) All other fees, costs and expenses incurred by the Association in accordance with the terms and provisions of this Declaration or which the Board, in its sole discretion, determines to be appropriate to be paid by the Association, including, without limitation, taxes and governmental charges not separately assessed against Lots or Dwellings; and

(x) The establishment and maintenance of a reasonable reserve fund or funds (1) for inspections, maintenance, repair and replacement of any portions of the Common Areas for which the Association is responsible to inspect, maintain, repair or replace on a periodic basis, (2) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds and (3) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

8.05 Special Assessments. In addition to the annual Assessments authorized in Section 8.04 above and the special Assessments authorized in Sections 9.01(b) and 9.03(a)(i) below, the Board of the Association may levy in any year special Assessments for Common Expenses or any extraordinary costs incurred by the Association; provided, however, that any such special Assessments (other than special Assessments levied pursuant to Sections 9.01(b) and 9.03(a)(i) below) shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting special Assessments. The Board may make such Special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.03 above.

8.06 Individual Assessments. Any expenses of the Association occasioned by the conduct of less than all of the Owners or by any Owner or Occupant, or the respective family members, agents, guests, servants, employees, invitees or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots or Dwellings. The individual Assessments provided for in this Section 8.06 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board

BOOK 346 PAGE 915

in a notice to such Owner. The provisions of this Section 8.06 shall apply, without limitation, to any individual Assessments levied pursuant to Sections 5.12, 6.29 and 7.02(b) above and Article XI below.

8.07 Date of Commencement of Assessments. The annual Assessments provided for herein shall commence as to each Lot or Dwelling on the first to occur of (i) the day on which such Lot or Dwelling is conveyed to a person other than Developer or (ii) the day on which construction of any Improvements are commenced on such Lot and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board of the Association. Annual Assessments and any outstanding special Assessments shall be adjusted for each Lot or Dwelling according to the number of months then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot or Dwelling is conveyed. Annual and special Assessments for Lots and Dwellings within any portion of the Additional Property hereafter submitted to the terms of this Declaration shall commence with respect to each such Lot or Dwelling on the date on which construction of any Improvements are commenced on such Lot, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. For so long as Developer is the Owner of any Lot or Dwelling within the Development, Developer shall have the option to either pay annual Assessments on Lots or Dwellings owned by Developer or fund any deficits which may exist between the total amount of annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Development.

8.08 Effect of Non-Payment; Remedies of the Association.

(a) Each Owner of a Lot or Dwelling is and shall be deemed to covenant and agree to pay to the Association all Assessments provided for herein. In the event any Assessments or any portion thereof are not paid when due, the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot or Dwelling shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association

employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot or Dwelling for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same comes due, then, in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in Section 8.09(a) above, together with attorneys' fees, court costs and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien created pursuant to Section 8.01 above in the manner hereinafter provided.

(c) There is hereby created a continuing lien on each Lot and Dwelling, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot or Dwelling, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.08(a) above and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect

its lien against the Lot or Dwelling of such delinquent Owner, which claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information and be recorded in the Probate Office of Shelby County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot or Dwelling upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to this Declaration and is claimed against such Lot or Dwelling in an amount equal to that stated therein.

The lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default) and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot or Dwelling. Each Owner, by acceptance of a deed to any Lot or Dwelling, shall be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

8.09 Subordination of Lien. Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot or Dwelling in the Development is and shall be subordinate to the lien of any Mortgage held by any Mortgagee, but only to the extent that the Mortgage held by any such Mortgagee is

BOOK 346 PAGE 917

recorded in the Probate Office of Shelby County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.08(c) above. When a Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot or Dwelling, then such Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Mortgagee was recorded in the Probate Office of Shelby County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.08(c) above, but (b) be liable for all Assessments and other charges levied, assessed or incurred with respect to such Lot or Dwelling from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot or Dwelling has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed or incurred by the Association and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by Mortgagee on such Owner's Lot or Dwelling.

8.10 Certificates. The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

ARTICLE IX

CASUALTY, CONDEMNATION AND INSURANCE

9.01 Damage or Destruction to Common Areas.

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Association shall promptly repair, replace and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.

(b) Notwithstanding anything provided in Section 9.01(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace and restore the

damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs necessary to repair, replace or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Any and all insurance proceeds received by the Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Association under or by virtue of such special Assessments shall be held by and for the benefit of the Association and shall be disbursed by the Association in payment for the costs of such repair or restoration in such manner as may be determined by the Board of the Association. In no event shall the Owner or Mortgagee of any Lot or Dwelling be entitled to any portion of the proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.02 Damage or Destruction to Lots or Dwellings. In the event of any fire or other casualty which damages or destroys any portion of any Lot or Dwelling, then the Owner of such damaged Lot or Dwelling shall promptly repair and otherwise restore such Lot or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty.

9.03 Condemnation of Common Areas.

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then the award from such taking or sale in lieu thereof shall be paid to the Association and shall be disbursed or held as follows:

(1) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Board of the Association is hereby empowered, authorized and directed to take such action, including the purchase of any remaining lands within the Development or the utilization of any other Common Areas within the Development, to restore, rebuild

or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs of repair, restoration or reconstruction.

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or additional lands within the Development cannot be purchased by the Association in order to repair, replace or restore the Common Areas so taken or if the Board of the Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.

(c) If any such taking or sale in lieu thereof includes all or any part of a Lot or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot or Dwelling which is subject to any such taking and the Board of the Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.04 Condemnation of Lots or Dwellings. In the event that all or any portion of a Lot or Dwelling is taken as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot or Dwelling shall promptly repair, reconstruct, rebuild and otherwise restore the remaining

portions of the Lot, Dwelling or Multi-Family Area as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. In the event the restoration of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of this Declaration, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly condition.

9.05 Insurance. Each Owner shall be solely responsible for obtaining and maintaining public liability, property damage, title and all other types of insurance with respect to his Lot, Dwelling and all other Improvements situated thereon. Each Owner, by acceptance of a deed to or other conveyance of any interest in a Lot or Dwelling, does hereby waive and release the ARC, the Association, Daniel and Developer and their respective agents, employees, representatives, partners, shareholders, members, officers and directors from any and all liabilities or responsibilities or any other claim by or through such Owner, by way of subrogation or otherwise, for any loss or damage covered by (or which should be covered by) broad form fire and extended coverage insurance (or homeowner's insurance coverage) and comprehensive public or general liability insurance coverage maintained or which should be maintained by any Owner as required herein, even if such loss or damage is caused by the fault or negligence of the ARC, the Association, Daniel, Developer or any of their respective agents, employees, representatives, partners, shareholders, members, officers and directors.

ARTICLE X

within the Development agreeing to terminate or modify this Declaration has been recorded in the Probate Office of Shelby County, Alabama; provided, however, that the rights of way and easements established, granted and reserved in Article III hereof shall continue and remain in full force and effect for the time periods and duration specified therein.

10.02 Amendments. Amendments to this Declaration may be proposed and adopted only by the affirmative vote of (a) two-thirds (2/3) of the total votes of the Owners present in person or by proxy at a meeting of the Association called for the purpose of acting on any such proposed amendment, (b) Developer, for so long as Developer owns any Lot or Dwelling within the Development and (c) Daniel. No amendments to this Declaration may be made without the consent and approval of Developer, to the extent Developer owns any Lot or Dwelling within the Development, and Daniel. Any other attempt to amend this Declaration shall be deemed null and void. Any amendments which have been approved in accordance with the provisions of this Section 10.02 shall be executed by all parties whose consent to the same has required; provided, however, that the sworn statement of the president of the Association or by the chairman of the Board stating unequivocally that the agreement of the requisite number of Owners in the Association was lawfully obtained may be attached to and incorporated into such Amendment without joinder of any Owners. Any such amendment shall be effective upon recording of the same in the Probate Office of Shelby County, Alabama. Notwithstanding anything provided in this Section 10.02 to the contrary, Daniel shall have the right, at its option, to add Additional Property to the Declaration as provided in Section 2.02 above.

ARTICLE XI

ENFORCEMENT

11.01 Authority and Enforcement. In addition to the rights and remedies provided in Article VIII above, in the event any Owner or Occupant or their respective agents, contractors or invitees, violates any of the provisions of this Declaration, the Articles of Incorporation, the Bylaws or any other rules and regulations adopted by the Board of the Association from time to time, then the ARC, the Association, the Board and the Developer shall each, jointly and severally, having the power and right, at their option, to (a) enjoin such violation or noncompliance and/or (b) through their respective designated agents, employees, representatives and independent contractors, enter upon such Lot or Dwelling and take all action necessary to extinguish or correct such violation or breach. All costs and expenses incurred by the ARC, the Association, the Board or Developer

in enforcing any of the provisions of this Declaration, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of any noncompliance or the removal of such violation or in any judicial proceeding, together with any other costs or expenses incurred in extinguishing or correcting such violation or breach, shall be paid by such Owner who has violated or breached any of the provisions of this Declaration and all such costs shall be deemed individual Assessments pursuant to Section 8.06 above. Notwithstanding anything provided herein to the contrary, the rights and remedies of the ARC, the Association, the Board and Developer set forth herein shall not be deemed to be exclusive of any other rights or remedies which may be exercised by any of them either at law or in equity in the event of any violation or breach by any Owner or Occupant of any of the terms or provisions of this Declaration.

ARTICLE XII

MISCELLANEOUS PROVISIONS

12.01 Control by Developer. NOTWITHSTANDING ANYTHING PROVIDED TO THE CONTRARY IN THIS DECLARATION, THE ARTICLES OF INCORPORATION, THE BYLAWS OR IN ANY OTHER DOCUMENT OR INSTRUMENT RELATING TO THE DEVELOPMENT, DEVELOPER HEREBY RETAINS THE RIGHT TO APPOINT AND REMOVE ANY MEMBER OR MEMBERS OF THE BOARD OF THE ASSOCIATION AND ANY OFFICER OR OFFICERS OF THE ASSOCIATION AS PROVIDED BY AND FOR THE PERIOD OF TIME SET FORTH IN SECTION 4.02 ABOVE. Each Owner, by acceptance of a deed or other conveyance of any interest in a Lot or Dwelling, agrees that Developer shall have the authority to appoint and remove members of the Board and officers of the Association in accordance with the foregoing provisions of this Section 12.01 and the provisions of Section 4.02 above. At such time as Developer no longer owns any interest in any Lot or Dwelling within the Development, a special meeting of the Association shall be called within a reasonable time thereafter at which time the Owners shall elect a new Board which shall undertake the responsibilities of the Board.

12.02 Legal Expenses. In addition to the rights and remedies set forth in Sections 5.12, 6.29 and 7.02(b) and Article XI above, in the event either the ARC, its agents or representatives, or the Board, its agents and representatives, undertake any legal or equitable action which either of them deem necessary to abate, enjoin, remove or extinguish any violation or breach of this Declaration, then all costs and expenses incurred by either of them, including, without limitation, attorneys' fees and court costs, in enforcing any

of the terms, provisions, covenants or conditions in this Declaration shall be paid for by the Owner against whom such action was initiated.

12.03 Severability. If any provision of this Declaration or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Declaration or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby and each provision shall be valid and enforceable to the fullest extent permitted by law.

12.04 Captions and Headings. The captions and headings contained in this Declaration are for convenience of reference only and shall not be used in the construction or interpretation of any provisions of this Declaration. The table of contents, cover page and any index to this Declaration are for convenience of reference only and shall not define or limit any of the terms and provisions hereof.

12.05 Pronouns and Plurals. All personal pronouns used in this Declaration, whether used in the masculine, feminine or neuter gender, shall include all other genders. The use of the singular tense shall include the plural and the use of the plural shall include the singular.

12.06 Binding Effect. The terms and provisions of this Declaration shall be binding upon each Owner, Occupant and Mortgagee and the respective heirs, executors, administrators, personal representatives, successors and assigns of each Owner, Occupant and Mortgagee, and shall inure to the benefit of Daniel, Developer, the ARC, the Association, all of the Owners and their respective Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns.

12.07 Conflict or Ambiguity. In the event of any conflict or ambiguity in the terms and provisions of this Declaration, the general rules of construction against one party as a result of that party having drafted this Declaration are hereby waived by each Owner and, to the fullest extent allowed by law, no conflicts or ambiguity shall be resolved in favor or to the advantage of one party as opposed to another in interpreting any ambiguity or conflict contained herein.

12.08 No Reverter. No restriction or provision hereof is intended to be or shall be construed as a condition subsequent or a possibility of reverter in favor of Developer nor shall any provision be deemed to vest any reversionary interest in Developer.

12.09 Interpretation. In all cases, the provisions set forth and provided for in this Declaration shall be construed together and given that interpretation or construction which, in the opinion of Daniel, Developer or the Board, will best effect the intent of the general plan of development for the Property. The provisions hereof shall be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication so as to make them fully effective. The provisions of this Declaration shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less restrictive. The effective date of this Declaration shall be the date hereof. This Declaration shall be construed under and in accordance with the laws of the State of Alabama.

12.10 Rights of Third Parties. This Declaration shall be recorded for the benefit of Owners and their respective Mortgagees and by such recording, no other adjoining property owner or third party (other than Daniel) shall have any right, title or interest whatsoever in the Development or its operation and continuation, in the enforcement of any of the provisions of this Declaration or the right to consent to or approve any amendment or modification to this Declaration.

12.11 No Trespass. Whenever the Association, Developer, the ARC and their respective agents, employees, representatives, successors and assigns, are permitted by this Declaration to enter upon or correct, repair, clean, maintain or preserve or do any other action within any portion of a Lot or Dwelling, the entering thereon and the taking of such action shall not be deemed a trespass.

12.12 No Partition. Each Owner hereby waives any right to seek or obtain judicial partition of any portion of the Development.

12.13 Standards for Review. Whenever in this Declaration Daniel, Developer, the Association or the ARC has the right to approve, consent to, or require any action be taken pursuant to the terms hereof, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of Daniel, Developer, the Association or the ARC, as the case may be.

12.14 Oral Statements. Oral statements or representations by Daniel, Developer, the Association, the ARC or any of their respective employees, agents, representatives, successors or assigns, shall not be binding on Daniel, Developer, the Association or the ARC.

12.15 Notices. Notices required hereunder shall be in writing and shall be delivered by hand or sent by United States Mail, postage prepaid. All notices to Owners shall be delivered or sent to such addresses as have been designated in writing to the Association or, if no such address has been so designated, at the address of such Owner's respective Lot or Dwelling within the Development.

12.16 Assignment. Daniel, Developer and the ARC shall each have the right to assign any and all of the rights, powers, reservations and duties contained herein to any person or entity who shall thereupon have the same rights, power, reservations and duties as Daniel, Developer and the ARC, respectively.

12.17 Further Assurances. Each Owner covenants and agrees to execute, sign and deliver, or cause to be executed, signed and delivered and to otherwise do or make, or cause to be done and made, any and all agreements, instruments, papers, deeds, acts or things, supplemental, conformity or otherwise, which may be reasonably requested by Daniel, Developer, the Association or the ARC for the purpose of or in connection with clarifying, amending or otherwise consummating any of the transactions and matters herein.

12.18 No Waiver. All rights, remedies and privileges granted to Daniel, Developer, the Association and the ARC pursuant to the terms and provisions of this Declaration shall be deemed to be cumulative and the exercise of any one or more of such rights, remedies or privileges shall not be deemed to constitute an election of remedies nor shall it preclude the party exercising the same, or any other party, from pursuing such other and/or additional rights, remedies or privileges as may be available to such party at law or in equity. The failure at any time to enforce any covenant or restriction set forth herein shall in no event be deemed a waiver of the right thereafter to enforce such covenant or restriction.

12.19 Perpetuities. If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of George Herbert Walker Bush, President of the United States.

IN WITNESS WHEREOF, Daniel and Developer have caused this Declaration to be duly executed as of the day and year first above written.
