In the event of any spill or disposal of Hazardous Materials on the Mortgaged Property, whether or not the same originates or emanates from the Mortgaged Property or any such contiguous real estate, and/or if Mortgagor shall fail to comply with any environmental law or regulation, Mortgagee may, at its election, but without the obligation so to do, give such notices as may be required by law and/or cause any remedial work that may be necessary to be performed at the Mortgaged Property and/or take any and all other actions as Mortgagee shall deem necessary or advisable in order to remedy said spill or disposal of Hazardous Materials or cure said failure of compliance and any amounts paid as a result thereof, together with interest thereon at the default rate (as specified in the promissory note) from the date of payment by Mortgagee, shall be immediately due and payable by Mortgagor to Mortgagee and until paid shall be added to and become a part of the indebtedness secured hereby and shall have the benefit of the lien hereby created as a part thereof; and

Mortgagor shall give immediate oral and written notice to Mortgagee of its receipt of any notice of a violation of any law, rule or regulation covered by this paragraph 7 or of any notice or other claim relating to the environmental condition of the Mortgaged Property, or of its discovery of any matter which would make the representations, warranties and/or covenants herein to be inaccurate or misleading in any respect.
