WHEREAS, Savannah Development, Inc. desires to subject said property and each lot to be located in said subdivision to and impose upon said lots mutually beneficial restrictions, covenants, terms, conditions and limitations (herein for convenience sometimes referred to collectively as "Restrictions") for the benefit of all the lots in said Subdivision, the future owners of said lots, and any other party as may be specified herein.

NOW THEREFORE, Savannah Development, Inc. does hereby proclaim, publish and declare that all of the said lots in the said Subdivision (herein "Lot or Lots") are subject to, held and shall be held, conveyed, hypothecated or encumbered, rented, used, occupied and improved subject to the following restrictions, which shall run with the land and shall be binding upon Savannah Development, Inc. and upon all parties having or acquiring any right, title or interest in and to the real property or any part or parts thereof subject to such Restrictions.

ARTICLE I

MUTUALITY OF BENEFIT AND OBLIGATIONS

ARTICLE III

EXCLUSIVE RESIDENTIAL USE AND IMPROVEMENTS:

Section 3.1 All lots in the subdivision shall be known and described as residential lots and shall be used for single family residential purposes exclusively and no Lot shall be subdivided so as to increase the number of Lots in the Subdivision. No structure, except as otherwise provided, shall be erected, altered, placed or permitted to remain on any residential building Lot other than one detached single family residence dwelling not to exceed two (2) stories and a private garage for not more than three cars. This shall not prohibit the construction of one residence upon two (2) or more Lots.

Section 3.2 Every dwelling building erected on a Lot in this Subdivision, exclusive of one-story open porches, garages, carports and other unairconditioned, unfinished spaces, shall each have a ceiling height of not less than eight (8) feet in all enclosed, heated, habitable areas and in homes of one-story, not less than 1,200 square feet of heated floor space; one and one-half stories, not less than 1,300 square feet of floor space with the first or main floor of such dwelling building to contain at least 700 square feet of enclosed heated and inhabitable area; two-story homes, not less than 1,400 square feet of floor space with the first or main floor area of such dwelling building to contain at least 750 square feet of enclosed heated, inhabitable area. Notwithstanding the above, a ten percent (10%) variable, either way, will be allowed.

Section 3.3 No more than a single family unit shall occupy any dwelling house. Detached auxiliary buildings are not permitted without prior written consent of two thirds of the owners of Lots in the Subdivision. All dwellings must be built within the building lines shown on the recorded plat for Phase V Stratford Place.

Section 3.4 The entrance way and all areas on the recorded plat, which are depicted as private access easements shall be for the purpose of maintenance and upkeep considered common area, and shall be maintained by the Stratford Place Homeowner's Association as hereinafter provided.

ARTICLE IV

HOMEOWNERS' ASSOCIATION

Section 4.1 Every owner of a Phase V Lot shall be a member of the Stratford Place Homeowners' Association.

Section 4.2 The Association shall have one (1) class of voting membership. The members shall be owners and shall be

entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENT

Section 5.1 The Developer for each Lot owned within the property, hereby covenants and each owner of any Lot by acceptance of a deed on the purchase of a Lot is deemed to covenant and agree to pay the Association: 1) Annual assessments or charges and 2) Special assessments for capital improvements. Such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees shall also be the personal obligations of the person who was the owner of such property at the time when the assessment fell due. Personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. The Developer shall not be required to pay any assessment on any lot owned by Developer until such time as the certificate of completion as contemplated in Section 5.3 is delivered to the Association, and until five houses in Phase V have closed. Developer shall pay an annual assessment of \$25.00 for each Lot then owned by Developer in Phase V Stratford Place.

Section 5.2 Purpose of Assessments: The assessment levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the development and for the improvement and maintenance of the entrance way, landscaping and all access easements within the development.

Section 5.3 Commencement of the Assessment: The Stratford Place Homeowners' Association has been formed. One of the purposes of the Homeowners' Association is to assume maintenance and responsibility of the entrance way and all common areas, including access easements throughout all phases of Stratford Place. The Developer is to furnish the Homeowners' Association a written certification of completion by Carr & Associates, Engineers. This certification shall state that all paved or concrete access easements, landscaping easements, drainage structures, drainage ways and all common property of Phase V are complete in good repair. This certification shall be obtained at the sole expense of the Developer and shall be received by December 31, 1992. Should such certification not be received by December 31, 1992, Developer shall post a bond or certificate of deposit with Cahaba Title Insurance Company as escrow agent. The amount of such escrow shall be 100% of the amount estimated by Carr & Associates as necessary to complete the improvements necessary for the issuance of a completion certificate. Should Developer fail to complete the improvements as required herein

on or before June 31, 1993 the Homeowners' Association will be authorized to utilize the escrowed funds for completion of such improvements with any surplus being refunded to Developer.

Section 5.4 Maximum Annual Assessment: The annual assessment for Stratford Place, Phase V shall commence the first day of the following month as Homeowners close and move into their homes. Fees for the first year will be pro-rated based on the number of months of the year they actually lived in the Subdivision. The annual assessment shall be One Hundred Twenty and no/100th (\$120.00) Dollars per lot. The maximum annual assessment may be increased each year by not more than five percent (5%) of the previous year's assessment without a vote of the Stratford Place Homeowners' Association. The Board of Directors of the Stratford Place Homeowners' Association may fix the annual assessment at an amount not to exceed the maximum annual assessment. Provided, however, should an extraordinary assessment be necessary and should such assessment be greater than that provided herein, such assessment must be approved by a two-thirds (2/3) vote of the membership of the Association.

It is the intent of this paragraph to blend the Phase V membership into the existing Homeowners' Association with all rights and privileges. However, the payment of dues by Homeowners in Phase V does not relieve the Developer from his responsibility to provide the common areas in Phase V in good repair until such time as the certificate of completion as anticipated in Section 5.3 is delivered.

Section 5.5 In addition to the annual assessment authorized above, the Association may levy in any assessment year a special assessment, applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the entrance way area or any private access easement, provided that any such assessment must have the assent and approval of not less than two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5.6 Written notice of any meeting called for the purpose of taking any action authorized under Article V shall be sent to all members not less than thirty (30) days not more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.7 Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a

yearly basis.

Section 5.8 The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due date shall be established by the Board of Directors.

Section 5.9 The Association shall upon demand and for a reasonable charge furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. A properly executed certification of the Association as to the status of the assessment on a Lot is binding upon the Association as of the date of its issuance.

Section 5.10 Any assessments which are not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring an action at law against the owner personally obligated to pay the same or foreclose the lien against the property. This lien may only be foreclosed by the Association upon the sale of the property by owner or the nonpayment of assessment for two (2) consecutive years. No owner may waive or otherwise escape liability for the assessment provided herein.

Section 5.11 The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lots shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings and lien thereof shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall release such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

ARTICLE VI

Section 6.1 It shall be the responsibility of each Lot owner to prevent the development of any unclean, unsightly or unkempt conditions of building or grounds on such Lot which shall tend to decrease the beauty of the specific area or of the neighborhood as a whole.

All debris must be removed and the Lot restored to a sightly condition with reasonable promptness, provided that in no event shall such debris remain on any Lot longer than sixty (60) days.

Section 6.10 No boat, trailer, house trailer, camper or similar equipment or vehicle shall be parked or stored on any road, street, driveway, yard or Lot located in the Subdivision for any period of time in excess of twenty-four (24) hours except in garages and except for the temporary sales trailers set by builder for the purpose of marketing subdivision sales. Also, no unkept or otherwise unattractive vehicle or piece of equipment may be parked or stored on any road, street, driveway, yard or Lot except in garages.

Section 6.11 There shall be no discharging of any type of firearm or other weapon in the Subdivision or any surrounding

Savannah Development, Inc. shall not be responsible in any way for any delay or failure to enforce or seek to enforce any violation of breach of any of these restrictions or amendments thereto.
