SINK HOLE PRONE AREAS
 The subdivision shown hereon, including lots and streets, is in an area where natural sink holes may occur. Shelby County, the Shelby County Engineer, the Shelby County Planning Commission and the members thereof, and all other agents, servants or employees of Shelby County, Alabama make no representation whatsoever that the subdivision lots and streets are safe or suitable for construction, or for any other purpose whatsoever. Areas underlain by limestone and thus may be subject to sink hole activity. THERE IS NO VISIBLE EVIDENCE OF SINK HOLES ON THIS PROPERTY.

NOTE:
 No further subdivision of any parcel shown hereon shall be allowed without the prior approval of the Shelby County Planning Commission.

STATE OF ALABAMA
 SHELBY COUNTY

The undersigned, Robert C. Farmer, Registered Land Surveyor, State of Alabama, and Pat Piazza and wife Mary Jo, and Danny Gray and wife Linda M., as owners, hereby certify that this plat or map was made pursuant to a survey made by said surveyor and that said survey and this plat or map were made in the instance of said owners; that this plat or map is a true and correct map of lands shown therein known as ST MICHAELS ESTATES, showing the subdivisions into which it is proposed to divide said lands, giving the lengths and angles of each lot and its number, showing the streets, alleys and public grounds, giving the length and width and name of each street as well as the number of each lot and showing the relation of the lands to the government survey, and that iron pins have been installed at all lot corners and curve points as shown and are designated by small open circles on said plat or map. Said owners also certify that they are the owners of said lands and that the same are not subject to any mortgage.

In witness thereof, said surveyor, owners executed these presents this 10th day of December, 1991.
