BOOK 396 PAGE 984

This Agreement is made as additional security for the payment of One Principal Note hereinafter called the Mortgage Note, dated March 10, 1992, for \$ 275,000.00 with interest as stipulated therein, executed and delivered by the Assignor to the Assignee, and as additional security for the full and faithful performance by the Assignor of all the terms and conditions of a certain Mortgage dated March 10, 1992, executed and delivered by the Assignor to the Assignee to secure the payment of the Mortgage Note and covering the above described premises.

Assignor agrees to duly operate and maintain the aforesaid property and perform all requisites on its part to keep any and all leases of said property in full force.

Assignor agrees that this assignment shall cover all future leases, whether written or verbal, or any letting of, or any agreement for the use or occupancy of any part of said premises.

Assignor further agrees that it will not assign the rent or any part of the rent of said premises, not cancel or amend any lease now in existence or hereafter made, nor collect rents thereunder for a period further in advance than thirty (30) days without the written consent of the Assignee, not do any other act whereby the lien of the aforesaid Mortgage deed may, in the opinion of the Assignee, be impaired in value or quality.

Assignor further agrees that this Assignment shall remain in full force and effect so long as the Mortgage Note remains unpaid and that it may be enforced by the Assignee, its successors and assigns, or the holder of said Note.

It is expressly understood and agreed by the Assignor and the Assignee hereof that said Assignor reserves and is entitled to collect the rents, income and profits, upon, but not prior to, their accrual under the aforesaid leases and to retain, use and enjoy the same unless and until the Assignor defaults in the performance of the terms and conditions of said note or mortgage or this assignment.

Assignor does hereby authorized and empower the Assignee, its successors and assigns, or the holder of the Mortgage Note, to collect all of the rents, issues and profits, now due or which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or agreement for, the use or occupancy of any part of said premises and to take such action, legal or equitable, as may be deemed necessary to enforce payment of such rents, issues and profits.

Any amounts received or collected by Assignee, its successors or assigns by virtue of this Agreement shall be applied for the following purposes, but not necessarily in the order named, priority and application of such funds, being within the sole discretion of the holder of the Mortgage Note:

(1) to the payment of all necessary expenses for the operation, protection and preservation of said premises, including the usual and customary fees for management services;

(2) to the payment of taxes and assessments levied and assessed against the property described herein as said taxes and assesement become due and payable;

(3) to the payment of premiums due and payable on policies insuring said premises;

(4) to the payment of installments of principal and interest on the Mortgage Note as and when they become due and payable and to the payment of any other amounts which may become due and payable pursuant to the terms of said Mortgage; and

(5) the balance remaining after payment of the above, shall be paid to the then owner of record of said premises.
