(B) Increases in Principal Balance; Future Advances

The Note provides that the principal amount I owe Lender may increase from time to time. In the event that I make a payment that is insufficient to pay all interest which has been earned since my last payment, Lender will advance an amount equal to the interest earned by Lender but unpaid after application of my payment. The amount advanced by Lender will be added to the principal of the Note and I will pay interest at the Note rate on the amount advanced.

(C) Loan Charges

In the event a law which applies to the Note secured by the Mortgage and which sets maximum loan charges is interpreted so that the interest or other loan charges collected or to be collected in connection with the Note would exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

(D) Monthly Payments for Taxes and Insurance

Under paragraphs 3 and 4 of the Mortgage, Borrower is required to pay all taxes, assessments and hazard insurance premiums and upon request of Lender furnish receipts for such payments. As an alternative to the payment of such amounts directly by Borrower, Lender may at its option require Borrower at any time to make monthly payments to Lender for taxes and insurance.

(1) BORROWER'S OBLIGATION TO MAKE MONTHLY PAYMENTS TO LENDER FOR TAXES AND INSURANCE

I will pay to Lender all amounts necessary to pay for taxes, assessments, ground rents (if any), and hazard insurance on the Property and mortgage insurance (if any). I will pay those amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless the law requires otherwise. I will make those payments on the same day that my monthly payments are due under the Note.

The amount of each of my payments under this Paragraph D will be the sum of the following:

- (i) One-twelfth of the estimated yearly taxes, assessments and ground rents (if any) on the Property which under the law may be superior to this Mortgage; plus
- (ii) One-twelfth of the estimated yearly premium for hazard insurance covering the Property; plus
- (iii) One-twelfth of the estimated yearly premium for mortgage insurance (if any).

Lender will determine from time to time my estimated yearly taxes, assessments, ground rents and insurance premiums based upon existing assessments and bills, and reasonable estimates of future assessments and bills. (Taxes, assessments, ground rents and insurance premiums will be called "taxes and insurance.") The amounts that I pay to Lender for taxes and insurance under this Paragraph D will be called the "Funds."

If, when payments of taxes and insurance are due, Lender has not received enough Funds from me to make those payments, I will pay to Lender whatever additional amount is necessary to pay the taxes and insurance in full. I must pay that additional amount in one or more payments as Lender may require.

(2) LENDER'S OBLIGATION CONCERNING BORROWER'S MONTHLY PAYMENTS FOR TAXES AND INSURANCE

TOWNS OF THE STANDARD OF THE S

Lender will keep the Funds in a savings or banking institution. If Lender is such an institution then Lender may hold the Funds. Except as described in this Paragraph D, Lender will use the Funds to pay taxes and insurance. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds on deposit, for using the Funds to pay taxes and insurance, for analyzing my payments of Funds, or for receiving, verifying and totalling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest on the Funds unless Lender agrees in writing to pay interest on the Funds.

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay under this Paragraph D will be too large. If this happens at a time when I am keeping all of my promises and agreements made in the Mortgage, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future monthly payments of Funds. There will be excess amounts if, at any time, the sum of (a) the amount of Funds which Lender is holding or keeping on deposit, plus (b) the amount of the monthly payments of Funds which I still must pay between that time and the due dates of taxes and insurance, is greater than the amount necessary to pay the taxes and insurance when they are due.

When I have paid all of the amounts due under the Note and under the Mortgage, Lender will promptly refund to me any Funds that are then being held or kept on deposit by Lender. If, under the provisions of the Mortgage, either Lender acquires the Property or the Property is sold, then immediately before the acquisition or sale, Lender will use any Funds which Lender is holding or has on deposit at that time to reduce the amount that I owe to Lender under the Note and under the Mortgage.
