

SUBORDINATION AGREEMENT

The undersigned is the holder and owner of a Security Deed made by Gary R. Mattson and Mary H. Mattson (hereinafter designated as the "Borrower"), dated 2-12-92, recorded in Real Volume 389, Page 891, Shelby County, Alabama Records (the "Security Deed"), which was made to secure an indebtedness of \$25,000 but as of 9-10-92 has a credit limit of \$23,000.

The said Borrower has applied for a loan in the sum of \$138,900 to be secured by a first lien Security Deed (the "First Security Deed") conveying said property to Real Estate Financing (hereinafter designated as the "Lender"), and the proceeds of said loan will be used to satisfy in full the present first lien indebtedness in favor of Collateral Mortgage, Ltd. as recorded in Deed Book 359, Page 144, Shelby County, Alabama Records. The Lender has declined to make such loan unless the Security Deed shall be subordinated to said new loan and the deed securing same.

THEREFORE, in consideration of ONE DOLLAR (\$1.00) in hand paid by the said Borrower to the undersigned, and in consideration of the consummation of said loan in reliance upon this instrument, the undersigned hereby waives and subordinates all right, title, or interest under the Security Deed above set forth, or otherwise, in or to the property therein described, as against said loan to be so made by the Lender, so that the First Security Deed to be executed by the said Borrower to the Lender shall convey title to said property superior to the Security Deed of the undersigned and superior to the indebtedness thereby secured. This Subordination Agreement shall be binding upon the heirs and assigns of the undersigned, and shall operate to the benefit of the grantee in the First Security Deed, the successors and assigns of said grantee, and of any purchaser at any foreclosure sale thereunder, and shall apply with like force and effect to any renewal thereof.

The Security Deed now held by the undersigned shall remain otherwise in full force and effect, the waiver and subordination herein provided being limited in application to the
