the Subject Lands, or any part of or interest in the Subject Interests or Subject Lands, whether or not recorded (herein, collectively, the "Subject Agreements"), including without limitation those certain Subject Agreements described on the attached Exhibit "B"; and

(B) All unitization, communitization or pooling agreements and all units and pooled or communitized areas created by, attributable to, or associated with the Subject Interests, the Subject Agreements, or the Subject Lands, or any part thereof or interest therein (including all units formed under orders, regulations, rules or other official acts of any federal, state or other governmental agency having jurisdiction); and

(C) All oil, gas, distillate, condensate, casinghead gas or other liquid or vaporous hydrocarbons, or other minerals, produced or producible from, attributable to, or associated with the Subject Interests, the Subject Agreements, or the Subject Lands, or any part thereof or interest therein; and

(D) All improvements, easements, surface leases, permits, licenses, servitudes, rights-of-way and other interests appertaining to, attributable to, associated with, related in any way to, or used or usable in connection with the exploration, development or operation of the Subject Interests or the Subject Lands or any part thereof or interest therein; and

(E) All personal and mixed property, fixtures and facilities, located on, appertaining to, attributable to, associated with, or used/or usable in connection with all or any part of the Subject Interests, the Subject Agreements, or the Subject Lands, including without limitation wellhead equipment, improvements and equipment relative to the production, treatment, storage, gathering, transportation, dehydration, treating or disposal of oil, gas, water and saltwater, distillate, condensate, casinghead gas or other liquid or vaporous hydrocarbons or other minerals, and all tanks, boilers, buildings, plants, fixtures, machinery and other

equipment, pipelines, power lines, telephone and telegraph lines, roads and other appurtenances, and all core and other geologic samples, instruments, supplies, equipment and tools; and

(F) All rights attributable to, or arising from, any contracts, agreements, leases and/or other arrangements appertaining to, attributable to, associated with or relating in any way to the Subject Interests, the Subject Agreements, or the Subject Lands, including without limitation oil, casinghead gas or gas sales, purchase, exchange, processing, treating and transportation contracts or agreements, agreements relating to water and saltwater disposal or storage, joint accounts, joint operating agreements and any other types of operation or management contracts, farmout agreements, area of mutual interest agreements, development agreements, participation agreements and other similar agreements and rights including any rights under bottom hole or dry hole letters and including any other contractual or equitable rights to receive, or with respect to, seismic, stratigraphic or structural information, and well logs and other geological and geophysical information and data; and

(G) All records, files, maps, diagrams, studies, reports and any other written materials and materials stored in hard copy or on a computer or on a computer disc or tape appertaining to, attributable to, associated with or relating to the Subject Interests, the Subject Agreements, or the Subject Lands or any part thereof or interest therein, (together with all rights of access thereto), including without limitation lease files, property records, contract files, operation files, maintenance files, contractor files, tax records and files, Federal Energy Regulatory Commission and other regulatory filings and records, environmental filings and records, royalty records, division and transfer order files, ratification files, accounting files and records, landowner files, governmental files, reports to regulatory agencies, individual well files, maps and formation cross-sections of every type, core and hydrocarbon analyses, well logs of every nature, well histories with completion and recompletion data, casing and

tubing data, surface equipment data including flow line and equipment plats, production histories and records, and reservoir pressure records and histories.

By these presents, and without limiting the generality of the foregoing, Assignor has further BARGAINED, SOLD, CONVEYED, ASSIGNED and TRANSFERRED, and does further BARGAIN, SELL, CONVEY, ASSIGN and TRANSFER unto Assignee, its successors and assigns, all warranties, claims and causes of action of whatsoever type or character, in contract or in tort, that Assignor now has or may hereafter acquire, appertaining to, attributable to, associated with, arising out of, pursuant to, or with respect to the Subject Interests, the Subject Agreements, or the Subject Lands.

THIS CONVEYANCE SHALL BE SUBJECT IN ALL RESPECTS TO that certain unrecorded Exchange Agreement (referred to herein as the "Exchange Agreement"), dated as of March 23, 1992, by and among Assignor et al. and Assignee et al. (relating inter alia to the Subject Interests and the Subject Agreements), to the warranties, representations, terms and conditions expressed in the Exchange Agreement, and to each of the Subject Agreements identified on the attached Exhibit "B."

ASSIGNOR HEREBY WARRANTS AND SHALL FOREVER DEFEND the title to these premises, to the Subject Interests and the Subject Agreements unto Assignee, its successors and assigns forever, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through, or under Assignor, but not otherwise.

ASSIGNOR FURTHER WARRANTS unto Assignee, its successors and assigns forever, that (A) Assignor owns the 33.33% leasehold interest (the "Working Interest") designated on Part 1 of the attached Exhibit "A"; (B) following this Conveyance, Assignee, its successors and assigns will only be obligated to bear a percentage of costs and expenses relating to the maintenance, development and operation of the Subject Interests not greater than the Working Interest, except for increases in such costs and expenses that also

result in a proportionate increase in Assignee's net revenue interest in the wells (the "Wells") and unit areas (the "Units") described on Part 3 of the attached Exhibit "A"; (C) the Subject Interests comprise all of Assignor's legal and equitable right, title and interest in and to the Subject Lands, the Wells and the Units; and (D) that the descriptions on the attached Exhibit "A" are true and correct in all material respects and are legally sufficient to transfer title to these premises and to the Subject Interests to Assignee, its successors and assigns.

AFTER THE DELIVERY AND RECORDATION OF THIS CONVEYANCE, Assignor shall execute and deliver to Assignee, its successors and assigns all such instruments, notices, division orders, transfer orders, correction assignments or conveyances, and other documents, and do all such other acts not inconsistent with the Exchange Agreement or this Conveyance as may reasonably be necessary or advisable to carry out its obligations hereunder or thereunder or more fully to assure Assignee, its successors and assigns, the respective rights, titles, interests and estates herein and therein provided to be transferred, assigned or conveyed by Assignor to Assignee, its successors and assigns.

FURTHER, to the extent that all or any part of the Subject Interests or any of these premises shall be subject to any consent or approval requirements that are required to be satisfied prior to making this Conveyance, but have not been satisfied or waived prior to the date hereof, this Conveyance shall not convey (until the earlier of (i) the time that such consent or approval requirement has been satisfied or waived; or (ii) the time that 1825 days have elapsed following the time this Conveyance becomes effective, as hereinafter provided) any right, title or interest in and to the Subject Interests, these premises, or part thereof or interest therein to which such requirement relates (referred to herein as a "Covered Interest"); however, (A) the full benefits of ownership relating to the Covered Interest are hereby BARGAINED, SOLD, CONVEYED, ASSIGNED and TRANSFERRED unto Assignee, its successors and assigns hereunder, (B) Assignor shall hold legal title to the

Covered Interest as trustee for the benefit of Assignee until such consent or approval requirement has been satisfied or waived, and (C) Assignor shall continue to use its best efforts to procure all required consents and approvals affecting the Covered Interest as soon as reasonably possible after the date hereof.

FURTHER, Assignor and Assignee acknowledge that Assignor has made those certain Conveyances of Overriding Royalty Interests (herein, collectively, the "Overriding Royalty Conveyances") to the Trustees of the Bernice Pauahi Bishop Estate, more particularly described on the attached Exhibit "C," and that none of the Overriding Royalty Conveyances shall constitute or give rise to any breach or violation of the warranties of title herein expressed.

THIS CONVEYANCE shall be binding upon Assignor, its successors and assigns, and shall inure to the benefit of Assignee, its successors and assigns.

IN WITNESS WHEREOF, this Conveyance is executed this 18th day of June, 1992, but shall be effective as of the 23rd day of March, 1992, at 7:00 a.m., in the locality of the lands comprising the Subject Interests, and all oil, gas and other production runs after said effective time shall conform hereto.

EXHIBIT A

Attached to and made a part of that certain CONVEYANCE AND ASSIGNMENT from SG METHANE COMPANY to KUKUI, INC., dated April 18, 1992 but effective as of March 23, 1992, relative to the so-called "Cahaba Area, Well Group IV," containing a legend to said effect.

This Exhibit A describes the oil, gas and other hydrocarbon leasehold interests and operating rights referred to in the foregoing Conveyance and Assignment (the "Conveyance"). This Exhibit A includes this Preamble, and each capitalized term used in this Preamble shall have the same meaning given to such term in the Conveyance, unless it is defined elsewhere herein.

Part 1 of this Exhibit A describes the undivided percentage interest (the "Working Interest") owned by the Assignor in the leases (the "Leases") conveyed and assigned to Assignee under the Conveyance. Part 2 of this Exhibit A describes the assignments and partial assignments by which the Assignor was assigned the Working Interest. Part 3 of this Exhibit A sets forth the specific tracts, parcels of land and wells covered and affected by the Conveyance. Each tract and parcel of land referenced in Part 3 of this Exhibit A consists of 80 acres, more or less, unless otherwise indicated.

Reference is made herein to the land descriptions contained in each of the Leases and other documents of title recorded as described in this Exhibit A. If the land descriptions in this Exhibit A are incomplete, incorrect, or not legally sufficient, the land descriptions contained in each such Lease or document of title are incorporated herein by reference to the extent necessary to clarify or correct the land descriptions in this Exhibit A.

To the extent instruments on file in the public records are referred to in this Exhibit A, the applicable terms of such instruments are incorporated herein by reference for all purposes. Unless otherwise provided, all recording references in this Exhibit A are to the official real property records of the county or counties in which the Subject Interests are located and in which records of the documents are, or in the past have been, customarily recorded, whether Deed Records, Oil and Gas Records, Oil and Gas Lease Records, Probate Records or other records.

Notwithstanding any contrary implication of the Conveyance, the following rights and interests are excluded from the Conveyance, and no such right or interest shall be bargained, sold, conveyed, assigned or transferred unto Assignee, its successors or assigns thereunder:

Global Special Risks Comprehensive General Liability Policy Number 41602,  
Global Special Risks First Excess Liability "Umbrella" Policy Number 41603,  
Global Special Risks Second Excess Liability Policy Number 41732, Hired and  
Non-owned Auto Liability Policy Number GPP 536509

Trade Names or assumed names used in connection with the Subject Interests.
