RESTRICTIONS OF HEATHER RIDGE SUBDIVISION PHASE I

KNOW ALL MEN BY THESE PRESENTS, ~~that~~

WHEREAS, the undersigned, Mobley Development, Inc., is the owner of all the lots heretofore recorded in the Probate Office of Shelby County, Alabama, in Map Book 17, Page 22, the map and survey known as Heather Ridge Subdivision Phase I. The following protective covenants, easements, and restrictions are herewith placed on the lots in said Heather Ridge Subdivision Phase I.

1. ARCHITECTURAL CONTROL: No building and/or fence shall be erected, placed or altered on any lot until the construction plans and specifications and plans showing the location of the structure and/or fence have been approved by the Architectural Control Committee, or its designated representative or successor as set out in Paragraph 13, as to quality of workmanship and material, harmony of external design with existing structures, and as to location with respect to topography and finished grade elevation. No fence or wall shall be erected, placed or altered on any lot until similarly approved. In no event shall any fence or wall be erected nearer to any street than the minimum building setback line unless specifically approved. All fences must be of wood and/or brick. Approval shall be provided herein. All front yards must be sodded with grass from lot line to lot line forward of the front corners of the house with allowances for natural areas that are approved by the Architectural Control Committee.

2. DWELLING QUALITY: No structure shall be permitted of any inferior material or workmanship, it being the intention and purpose of the covenant to insure that all structures shall be of a quality of workmanship and material substantially the same or better than that which can be produced on the date these covenants are recorded.

3. BUILDING LOCATION: No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building set-back line as shown on the recorded plat. In any event, no building shall be located on any lot nearer than 40 feet to the front lot line. No building shall be located nearer than 12 feet to any side lot line with 25 feet minimum total for both side lines. No building shall be located nearer than 40 feet to the back line.

4. EASEMENTS: Easements to each individual lot for installation and maintenance of utilities and drainage facilities are reserved as set out in the recorded plat. The granting of this easement or right of access shall not prevent the use of the area by the owner for the permitted purpose except for building. A right of pedestrian access by way of a driveway or open lawn area shall also be granted on each lot, from the front line to the rear lot line, to any utility company having an installation in the easements.

5. FENCES: No fences of any kind shall be erected within the area of minimum setback lines as shown on the recorded plat.

6. NUISANCES: No noxious or offensive activity shall be carried on upon any lot, nor shall anything be down thereon which may be or may become an annoyance or nuisance to the neighborhood.

7. TEMPORARY STRUCTURES: No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any lot at any time as a residence either temporarily or permanently.

8. SIGNS: No sign of any kind shall be displaced to the public view on any lot except one professional sign of not more than 6 square feet advertising the property for sale or rent, or signs used by a building to advertise the property during the construction and sales period.

9. OIL AND MINING OPERATIONS: No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any lot.

10. GARBAGE AND REFUSE DISPOSAL: No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste and same shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

11. SIGHT DISTANCE AT INTERSECTIONS: No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points of a rounded property corner from the intersection of the street lines, or in the case of a rounded property lines extended. The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distance of such intersection unless the foliage is maintained at sufficient height to prevent obstructions of such lines.

12. ARCHITECTURAL CONTROL COMMITTEE: The Architectural Control Committee shall be composed of two (2) individuals so designated from time to time by Mobley Development, Inc., or subsequently by the President, Heather Ridge Homeowner's Association. The Heather Ridge Homeowner's Association will assume responsibility for architectural control upon either (i) completion and resale of an individual residence dwelling to the initial resident, or (ii) for common areas, upon acceptance by the City of Pelham of such areas to be completed by Mobley Development, Inc. and turned over to the City of Pelham for

general maintenance. Except as herein provided, the affirmative vote of the membership of the Architectural Control Committee shall be required in order to issue any permit, authorization or approval pursuant to directives or authorizations contained herein.

12.1 APPROVAL REQUIRED: No structures as defined herein shall be commenced, erected, placed, moved on to or permitted to remain on any parcel, nor shall any existing structure upon any parcel be altered in any way which materially changes the exterior appearance thereof, nor shall any new use be commenced on any parcel, unless plans and specifications (including a description of any proposed new use) thereof shall be been submitted to and approved in writing by the Architectural Control Committee. Such plans and specifications shall be in such form and shall contain such information, as may be required by the Architectural Control Committee, but in any event shall include (1) a site plan of the parcel showing the nature, exterior color scheme, kind, shape, height, materials and location thereof with references to structures on adjoining portions of the property, and the number and the location of all parking spaces and driveways on the parcel (ii) a clearing plan for the particular parcel (iii) a drainage plan, and (iv) a plan for landscaping.

12.2 BASIS FOR DISAPPROVAL FOR PLANS: The Architectural Control Committee shall have the right to disapprove any plans and specifications submitted hereunder because of any of the following:

- (a) failure of such plans and specifications to comply with any of the restrictions;
- (b) failure to include such information in such plans and specifications as may have been reasonably requested;
- (c) objection to the exterior design, appearance, or material of any proposed structure;
- (d) incompatibility of any proposed structure or used with existing structures or uses upon other parcels in the vicinity;
- (e) objection to the site plan, clearing plan, drainage plan, landscaping plan for any parcel;
- (f) objection to the color scheme, finish, proportions, style or architecture, height, bulk, or appropriateness of any proposed structure;
- (g) objection to parking areas proposed for any parcel on the grounds of (i) Incompatibility to proposed uses and structures on such parcel, or (ii) the insufficiency of the size of parking areas in relation to the proposed use of the parcel;

- (h) failure of plans to take into consideration the particular topography, vegetative characteristic and natural environment of the parcel; or
- (i) any other matter which, in the judgment of the Architectural Control Committee, would render the proposed structure, structures, or use inharmonious with the general plan of improvement of the property or with structures or uses located upon other parcels in the vicinity.

Approval of such plans shall terminate and be rendered void if construction is not begun within one hundred twenty (120) days after such approval unless such one hundred twenty (120) day period is extended by agreement with Architectural Control Committee in which event the extended time period shall be applicable.

In any case where the Architectural Control Committee shall disapprove any plans and/or specification submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action, was based. In any such case, the Architectural Control Committee shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal can be prepared and submitted for approval.

12.3 RETENTION OF COPY OF PLANS: Upon approval by the Architectural Control Committee of any such plans and specifications submitted hereunder a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Control Committee, and a copy of such plans and specification bearing such approval, in writing, shall be returned to the applicant submitting the same.

12.4 TIME FOR APPROVAL: In the event that the Architectural Control Committee fails to approve or disapprove any plans and specifications as herein provided within sixty (60) days after submission thereof, the same shall be deemed to have been approved, as submitted, and not further action shall be required.

12.5 FAILURE TO OBTAIN APPROVAL: If any structure shall be altered, erected, placed or maintained upon any parcel, or any new use commenced on any parcel, other than in accordance with the plans and specifications approved by the Architectural Control Committee pursuant to the provisions of the paragraph, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of this paragraph, and without the approval required herein, and, upon written notice from the Architectural Control Committee, any such structure so altered, erected, placed or maintained upon any parcel in violation hereof shall be removed or re-altered, and any such shall be terminated, so as to extinguish such violation.

If in fifteen (15) days after the notice of such violation, the owner of the parcel upon which violation exists shall not have taken reasonable steps towards the removal or termination of the same, the Architectural Control Committee shall have the right, through its agents and employees, to enter upon such parcel and to take such steps as may be necessary to extinguish such violation and the cost thereof shall be binding, personal obligation of such owner as well as a lien (enforceable in the same manner as a mortgage) upon the parcel in question. The lien provided in this section shall not be valid as against a bona fide purchaser (or bona fide mortgagee) upon the parcel in question unless a suit to enforce said lien shall have been filed in a court of record in Shelby County, Alabama, prior to the recordation among the land records of Shelby County, Alabama, or the deed (or subjecting the same to such mortgage).

12.6 CERTIFICATE OF COMPLIANCE: Upon completion of the construction or alteration of any structure in accordance with plans and specifications approved by the Architectural Control Committee, the Architectural Control Committee shall, upon written request of the owner thereof, issue a certificate of compliance in form suitable for recordation, identifying such structure and the parcel on which such structure is placed, and stating that the plans and specifications, the location of such structure and the use or uses to be conducted thereon have been approved and that such structure complies with the requirements of the Committee. Preparations and recording of such certificate shall be at the expense of such owner. Any certificate of compliance issued in accordance with the provisions of this section shall be prima facie evidence of the facts therein stated, and as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer, such certificate shall be conclusive evidence that all structures on the parcel, and the use or uses described with all other requirements of this restriction as to which the Architectural Control Committee exercises any discretionary or interpretive powers.

12.7 INSPECTION AND TESTING RIGHTS: Any agent of the Architectural Control Committee may at any reasonable time or times enter upon and inspect any parcel and any improvements thereon for the purpose of ascertaining whether the maintenance, construction or alteration of structures thereon are in compliance with the provisions hereof; and neither the Architectural Control Committee nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

12.8 WAIVER OF LIABILITY: Neither the Architectural Control Committee nor any architect nor agent thereof, nor any agent or employee of the foregoing, shall be responsible in any way for any failure of structures to comply with requirements of this restriction, although a certificate of compliance has been issued, any defects in any plans and/or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and/or specifications, and all persons relying thereon, agree not to sue or claim against the entities and persons

referred to in this section for any cause arising out of the matters referred to in this section and further agree to and do hereby release said entities and persons from any and every such cause.

13. GENERAL COVENANTS AND RESTRICTIONS: Without the prior written approval of the Architectural Control Committee:

- (a) No previously approved structure shall be used for any purpose other than that for which it was originally designed;
- (b) no parcel shall be split, divided or subdivided for sale, resale, gift, transfer or otherwise;
- (c) no parcel shall be sold or used for the purpose of extending any public or private road, street or alley, or for the purpose of opening any road, street or alley, except by the prior written approval of the Architectural Control Committee;
- (d) no "satellite receiving equipment", radio receiving equipment, or towers of any type shall be erected on said property;
- (e) no non-operable vehicles of any kind shall be parked on or off any lots nor shall they be permitted to remain in the drives or streets within this subdivision;
- (f) no school buses or other public conveyances shall be permitted to remain parked overnight in streets, drives, or on any lot; and
- (g) no animals will be allowed except for dogs, cats, and pet birds limited to a per lot aggregate of four (4).

13.1 PIPES: To the extent of the interest of the owners of a parcel, no water pipe, gas pipe, septic tank pipe or drainage pipe shall be installed or maintained on any parcel above the surface of the ground, except hoses and moveable pipes used for irrigation purposes.

13.2 CLOTHES LINE: No clothing or any other household fabrics shall be hung in the open on any parcel unless the same are hung from an umbrella or retractable clothes hanging device which is removed from view when not in use or unless the same are enclosed by a fence or other enclosure which is approved by the Architectural Control Committee.

13.3 MACHINERY: No machinery shall be placed or operated upon any parcel except such machinery as is usual in maintenance of a private residence.

13.4 MAIL BOXES: The design of all mail box enclosures must be approved by the Architectural Control Committee.

13.5 CONNECTION POINTS FOR UTILITY SERVICE LINES: To the extent of the interest of the owner of each parcel, such owners agree to connect utility service lines (including, but not limited to, gas, water, and electricity) at points designated by the Architectural Control Committee.

13.6 CONSTRUCTION PERIOD: With respect to each residential parcel, construction of the residential building is to be completed within three hundred sixty-five (365) days from the date of beginning construction.

13.7 MINIMUM STRUCTURE AND SIZE: One and one half (1½) story houses must have a minimum of finished living area of 1300 square feet on the first floor and 700 square feet on the second floor.

Two (2) story houses must have a minimum finished living area of 1100 square feet on each floor. No basement area is to be considered in this minimum requirement.

A single level house, built on full basement, crawl space, or slab must have a minimum finished living area of 1700 square feet and the finished area in basement shall not be included to meet this requirement. A split foyer house must have a minimum finished living area of 1600 square feet on the upper floor and 400 square feet on the lower floor.

13.8 DRIVEWAYS: All driveways must be concrete.

13.9 ZONING AND SPECIFIC RESTRICTIONS: The restrictions shall not be taken as permitting any action or thing prohibited by the applicable zoning laws, rules, or regulations of any governmental authority, or by specific restrictions imposed by any deed or lease. In the event of any conflict, the most restrictive provision of such laws, rules, regulations, deed, leases, or the restrictions shall be taken to govern and control.

14. EASEMENTS: Except with prior written permission from Mobley Development, Inc., or when so designated by same, or from the Architectural Control Committee, drainage flow shall not be obstructed nor be diverted from drainage sales, water drains and/or utility easements as designated herein, or as may hereafter appear on any plat of record in which reference is made to these covenants. Mobley Development, Inc., may cut drainways for surface water wherever and whenever such action may appear to Mobley Development, Inc., to be necessary in order to maintain reasonable standards of health, safety and appearance. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary to provide economical and safe utility reasonable standards of health and appearance. Except as provided herein, existing drainage shall not be altered in such a manner as to divert the flow of water onto an adjacent lot or lots. The provision hereof shall not be construed to impose any obligation upon Mobley Development, Inc., to cut such drainways.

14.1 GRADINGS: Mobley Development, Inc., may at any time make such cuts and fills upon any parcel of the property and do such grading and moving of earth as, in its judgment, may be necessary to improve or maintain the streets in or adjacent to the property and to drain surface waters therefrom; and may assign such rights to any municipal or public authority; provided, however that after the principal structure upon a parcel shall have been completed in accordance with the plans and specifications approved by the Architectural Control Committee as provided herein, the rights of Mobley Development, Inc., under this section shall terminate with respect to all parts of each parcel other than the easement area thereof, except that Mobley Development, Inc., or any such municipal or public authority shall thereafter have the right to maintain existing streets and drainage structures.

15. GENERAL:

15.1 GRANTEE'S ACCEPTANCE: The grantee of any parcel subject to the coverage of these restrictions, by the deed or other instrument conveying an interest in or title to, or the execution of a contract for the purchase thereof, whether from Mobley Development, Inc., or a subsequent owner of such parcel shall accept such deed or other contract upon subject to each and all of these restrictions herein combined.

15.2 INDEMNITY FOR DAMAGES: Each and every parcel owner and future parcel owner, in accepting a deed or contract for any parcel subject to these restrictions agrees to indemnify Mobley Development, Inc., for any damage caused by such owner, or the contractor, agent or employees of such owner, to roads, streets, gutters, walkways other aspects of public ways including all surfacing thereon, or to water, drainage or water drainlines.

15.3 SEVERABILITY: Every one of the provisions and restrictions herein contained is hereby declared to be independent of, and severable from, the rest of the provisions and restrictions and of and from every combination of the provision and restrictions. Invalidation by any court of any provision or restriction in this restriction shall in no way affect any of the other provisions or restrictions which shall remain in full force and effect.

15.4 CAPTIONS: The captions preceding various paragraphs and sub-paragraphs of these restrictions are for the convenience of reference only; and none of them shall be used as an aid to the construction of any provision of the restrictions.
