JOB N° 893062 - CAD FILE 893062DC. \*

- HEALTH DEPARTMENT NOTES:
- No further subdivision of these lots may occur until such time as a public sewer main line or other subdivision has been approved by the Shelby County Health Department.
  - Health Department approval is general. Adequate information must be submitted for each individual lot before a sewer disposal permit will be issued.
- SUBDIVISION NOTES:
- The purpose of this survey is to correct a survey that was made to rearrange the lots around the newly constructed Par 3 Course to take advantage of natural building sites while not interfering with the plat on the course.
  - This is a private subdivision for residential, Country Club, and related purposes only. Shelby County will not be involved in the construction or maintenance of roads, sewer, drainage, or other facilities in this subdivision.
  - Shoal Creek Association, Inc., an Alabama Nonprofit Corporation, will maintain all common area including roads, dams, easements, drainage, etc., within the subdivision limits.
  - The common area referred to in Section 7 of Article 1 of the Declaration of Covenants and Restrictions of this subdivision is comprised of all road rights-of-way and all property located within either the marking or road right-of-way.
  - The declaration of Covenants and Restrictions of Shoal Creek Subdivision are recorded in Real Volume 19, Page 861, in the Office of the Probate Court of Shelby County, Alabama. Recorded October 31, 1991, Book 370, Page 938-966.
  - Contractor and/or Developer are responsible for providing building site free of drainage problems.
  - No further subdivision of any parcel shown hereon shall be allowed without the prior approval of the Shelby County Planning Department.
  - This Resurvey takes into consideration actual topographical conditions and allows for a more natural building site.
  - Lots 2-B and 3-B are not approved, these lots will be evaluated after the lots are subdivided and the percolation information has been submitted to the Shelby County Health Department.
